PROVINCETOWN, July 19.—Official opening of the 200th anniversary of the founding of Provincetown will be Thursday, August 4, it was announced today by the committee in charge. Speakers on the opening day following the mammoth parade in the morning will be the governor and senior senator.

Provincetown was a part of the original Plymouth Plantation in 1626 later coming under the Constablewick of Eastham. It was not until a hundred years later however, in 1727, that the general court permitted the town fathers to set up a government of their own.

Hawaii has a shortage of skilled plantation hands while many office workers are looking for positions.
