During the past year the Art Association has been conducting classes in elementary design, block printing and wood working.

A junior membership in the Art Association has been formed with a fee of two dollars which entitles any boy or girl to join these classes. The Winter's term begins in October and covers six months.

A Summer course in ship model building commences in April and carries a small additional charge or materials.

Further information regarding membership, or instruction in this classes for non-residents, will be gladly furnished by the director of the Art Association.

FIFTEENTH ANNUAL EXHIBITION

AUGUST 4 to SEPTEMBER 2

FOREWORD

THE Provincetown Art Association opens its season in its quaint and distinctive setting. To display the art which expresses the atmosphere of this ancient village; the open urge of the sea, calm waters of a twilight bay, wild dunes harassed by the gales of winter, the fisher folk at their eternal toil by darkness and in gray hours of dawn—this is the aspiration of the Art Association. The ideals of the Association attempt to reflect the setting which has inspired them. Lectures and concerts will lend to literature and music, as well as to painting and sculpture, the appreciation which these kindred arts so amply merit.

A Special Exhibition May be Held in
