Dear Capt.

As you all ready know I have sold the National Trap property to a Nils W. Berg of 9 West Lane , Ridgefield, Conn. He will be in touch with you shortly.

Your rent is paid to May 1, 1965 and I hope you will be allowed to rent from him. He told me that he did not intend to make any changes soon.

You have been the finest kind of tenants and I am sorry to make this change but you realize that I did not need the property any more and had a ggod offer for it.

With best of luck to you and the men in the Trap Co.

Sincerely,
