My dear Sir,
 Permit me to
 suggest that you
 should get from
 Mr. Kellogg of
 Hartford, Ct.
 his Trink to
 exhibit to the
 Legislature, at
 our State House

It would be
 attended with
 but small trouble
 & expense. —

Yrs yours with

Write Mr. Chapman
at once upon
the subject I
think it ought to
be done. — If
need be I
will contribute
to the expenses.

There can be
nothing done
that will do
much stimulus
effort in this
direction as
showing visible
results of

tried experiment,
Please it in
your hands. —
Truly &c
