Dear _____ :

It's another year and another show for the Provincetown Positive/People With AIDS Coalition. This will be our sixth year of the show and sale. Three years ago we started the CAP, stipend program to promote creativity among people living with AIDS. Your support in the past has helped us to maintain the program providing funds to HIV positive people for classes, supplies, equipment, and the like for writers, dancers and visual artists living with this powerful disease. By maintaining our creativity, we feel a sense of wellness and a quality of life which promotes good health. Money raised from this show also goes into general operation of the coalition for information dissemination, advocacy and other programs, as well as to the Provincetown AIDS Support Group.

The exhibit will be called "Art for AIDS," emphasizing the many diverse aspects of the arts and art in Provincetown. The show will open Saturday, July 30 and the final party for ending bids will be on Sunday, August 7. If you are able to donate to the show, we would need the work by Tuesday, August 26 in the coalition office at 406 Commercial, or contact one of the Coalition Arts Project committee members listed below to make arrangements. Again thank you for your much needed and appreciated support.
