

Sat. eve

Dear Brig,

Enclosed please find check from the kitty for \$25 due you. I sent \$72 off to Provincetown, which is what I had left---gave Vicki Braun a list of only 12 names to contact for dues a week or more ago---since I hadn't rec'd. checks from any, called her---she hadn't gotten to it at all---says she will pronto. I have billed everyone else, Arlie Sinaiko, and Clara Candell called a few for me. The checks have come in all weeks---20 people responding.

The ad in the Advocate ,,, I have written Heaton in detail no more of that sort of thing, or we withdraw the funds, after talks with Nat, etc.---this winter cabin fever is turning into cabin poetry.

The Washington developments are interesting, and we are hoping you and Nat, or Pink, or someone can go and represent us there. Fritz and I still plan to go to P. for the town meeting.

The Tarvers were here on their way back from the south, and we have won him over to our side. So all the selectment with the exception of Snow are with us---Tarvers was annoyed that Snow is in Wash. speaking for the Selectmen, since they don't agree with him at all. The hearings in Wash. will be March 20th now.

Call us when you get time,

Jeanne
