

copies may be obtained from: George Chapman, Jr., Gus Aust, Lloyd Higgins and this old scribe.

**The chatter on the street** these days is the coming election of town officers next month, and for the benefit of those away from home, the line-up seems to be: JOHN DENNIS, present incumbent, JOSEPH E. MATTA and GEORGE W. SNOW, for Selectman. The ballot box will announce the winner in the fight for Chairman of the Board of Health between FRANK DeMELLO and BERT PAIGE. Says BERT PERRY, "I've been messed up with water for the past nine years, so I'm resigning my position as Chairman of the Water Commissioners to devote more time to the War Price and Ration Board." "That's swell, BERT, we admire a patriotic citizen—let the water flow where it will," (Shep) So for the Water Commission vacancy we have lined up: JOHN J. LEONARD, JOSEPH A. LEWIS, JAMES H. PERRY and ARTHUR BRAGG SILVA, and boys, "We're glad it's water you're messing around with." And next month we'll tell you who's which.

**Standing room only**—unless you are at the head of the parade that snort and puff up the hill to the High School, on the nights that Provincetown High Basketball team meet their opponents from other Cape towns. They have put up a fast and classy game in all three they have played so far this season, as can be seen by the scores:

Provincetown 98	Wellfleet 24
Provincetown 74	Orleans 31
Provincetown 64	Hyannis 16

And more scores in our next.

**Until next month** then, this is Doug Shepherd signing off with:

GOOD LUCK
