PLAN A GLORIOUS MOONLIGHT SAIL ON THE S.S. DOROTHY BRADFORD

For the Happiest Party Your Crowd Ever Held!

AT LEFT — Mellow moon, elusive, scudding behind fleecy clouds, paves whispering waves with coins of silver — silhouettes far off hills against dark spangled skies — glints on polished rails and spotless decks, as the S.S. Dorothy Bradford, chartered specially for a moonlight sail, leaves Long Wharf and heads straight out through Boston Harbor for the sea.

Lounge carefree on deck chairs, fanned by the evening cool air, dreaming your movie of life on the moon's placid screen, or seek the bright congenial atmosphere of the new Tap Room, or dance in the brilliant ballroom to the syncopated music of the S.S. Dorothy Bradford's orchestra, "Rollie Rogers Rhythm".

Charter the S.S. Dorothy Bradford for a MOONLIGHT SAIL for your organization's next party. We will be glad to help you arrange the details to make this the most enjoyable and most profitable party your crowd has ever had. For information as to the low cost involved, write to the office of The Cape Cod Steamship Co., 131 State Street, Boston, or call HUBbard 2650.
