**Coast Guard Opens  
Inn For Training**

**First Crew Of 15 Arrive—  
Full Compliment 150**

Provincetown Inn, for many years a fashionable and popular summer stopping place for Cape End visitors, yesterday opened its doors, after

being closed all season, as a United States Coast Guard Receiving station for newly recruited service men.

Ever since The Advocate, early this spring, announced that the Coast Guard had contracted for the use of the Inn, its manager, Chester Peck and several of his regular staff have been awaiting the word that would turn the hotel into active Coast Guard use.
