John R. Smith

The Strachauer House, Provincetown, Mass.

The Red Inn from the beach - About 1907

This is a very old picture. John R. Smith places it about 1850. (1883)
Facing east, Gull Hill ahead. The Red Inn would be behind the shed on the right. This is very near the beginning of Commercial Street, as the house numbers start at the West End Breakwater.

THE RED INN, PROVINCETOWN, MASS.

Long Point Lighthouse from behind Red Inn -1951
