## NEW SEAMEN'S SAVINGS BANK OPENS ITS DOORS WITH OPEN HOUSE ON MONDAY

Crowds estimated at some 1,200 toured the new Seamen's Savings Bank at an open house held Monday at the new bank facility at 221 Commercial Street. Members of the bank staff, board of trustees and their wives, were present to conduct tours, greet the visitors, and assist with the serving of refreshments. The bank was open Tuesday for business from 9 a. m. to 3 p. m., with a new drive-in window and a walk-in window which will be open from 8:30 to 9 a. m. and 3 to 4 p. m. The new bank has doubled its amount of teller space and vault space and new open office space has been added. T. L. Cottrell of West Harwich was contractor and Thomas M. James Company of Boston was architect for the new building. The new facility is located next to the Provincetown Post Office and on the site of the old Cape Cod Garage, which was torn down to make way for the new building.
