
The Author

THE PROVINCETOWN BOOK is a series of sketches of the town, past and present.

In the foreword the author introduces the town crier, and adds, "Let me be the *Town Crier* and cry the town to you," thus setting forth the kind of a book it is.

Every page reveals the fact that the author is not a transient, sent to write up Cape Cod, but a native who knows the history, the traditions, the people, the geography, the natural history of this unique and interesting town.
