**Provincetown Club
Destroyed by Fire**

PROVINCETOWN, May 28 (INS)—The Moors Nightclub, a \$75,000 waterfront spot, was destroyed by fire today and the State Fire Marshal's Office was asked to investigate the blaze. No one was injured in the fire, the second major blaze in Provincetown in three weeks. In the other fire, \$500,000 damage was counted after flames swept the Murchison estate and art galleries. An unidentified housewife discovered today's fire. Firefighters were unable to save the recently renovated restaurant. A new liquor supply was consumed by the flames.

THIS MUST BE THE SEASON for hauling up antique anchors, relics of the era of sailing vessels. Captain George Valentine, skipper of the dragger New England brought to the surface an anchor similar to the one hooked by Captain George Adams of the dragger Cap'n Bill recently. Captain Valentine figures that his anchor also weighs in the vicinity of two tons and it was fouled in the nylon nets of the New England approximately in the same place that the other was found. Captain Valentine and his crew sold their find to Maline Costa of the Moors Restaurant and he says that his is probably the 15th anchor hauled up this season by draggers in the same place. He said that there is little damage to his net as it is made of 11,000 pounds, test nylon. It was about one in the morning when his crew succeeded in getting the anchor onto the deck of the New England. Joseph Souza, Jack Papetsas, Anthony Joseph and Chris Kelly make up the crew.
