ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

12 Atlantic Avenue is a 2-story, 3-bay building with a rear ell; the building faces Bradford Street. The front-gable roof is clad in asphalt shingles, has partial returns; skylights; rear exterior brick chimney (south). Corner pilasters present. The main entrance is centered on the Bradford Street façade. It contains a new wood pane and panel door with art glass, and is shaded by a flat hood supported by brackets. A secondary entrance is located on the east façade, facing Atlantic Avenue. Fenestration includes 6/6 replacement wood and vinyl DHS; 1/1 vinyl DHS; 8/8 vinyl DHS on the front facade next to the door; bay window on the front facade with modern vinyl picture window and DHS flanking; wood window surrounds. A 1-story rear ell is located at the south gable end. This section has a roof deck and access to a 3rd floor entrance and deck. Modern deck on front.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
