ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

This is a 1-story cottage, clad in wood shingles; corner boards are present. The side gable roof is clad in asphalt shingles. The entry consists of a pane and panel wood door with aluminum storm. Due to its setback and surrounding buildings, this structure is not entirely visible from the street.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
