ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

6 Central Street is a 1 1/2-story, 3-bay sidehall cottage with 3-bay side ell flush with front. The side gable ell roof has skylights; brick chimney on rear ell. The main entry consists of a multi-pane and panel door with sidelights on an enclosed flat roof vestibule. The vestibule roof extends to form an entry porch, supported by fluted columns. A secondary entrance centrally located on the side ell, with a jalousie storm door. Another secondary entrance is located on the south façade. Fenestration includes 1/1 DHS; 2/1 and 6/6 DHS; paired 6-light casements and grouped multi-light casements. A small deck porch is located on the primary façade, between the entries.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
