FORM B - BUILDING

--	--	--	--

ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

17 Central Street is a 1 1/2-story, 3-bay sidehall cottage with rear additions. The front gable roof is clad in asphalt shingles; shed dormers on each roof slope; interior brick chimney. The main entrance consists of a pane and panel wood door on front (west) façade with modern storm door, flat hood with decorative brackets; accessed by concrete steps and metal handrail. A secondary entry on the south façade has the same hood over a jalousie door. Fenestration includes 2/1 wood DHS with inoperable shutters; 2/2 wood DHS in shed dormers. A rear 1-story gable roof structure contains an interior brick chimney. Two smaller additions are located on the rear, one clad with clapboards and the other with shingles.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
