### ARCHITECTURAL DESCRIPTION

see continuation sheet

*Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.*

This is a 1-story, 1-bay garage. The building is clad in vertical bead board, with drop siding in the gable end. The front gable roof is clad in asphalt shingles. Two sets paired garage doors have been turned around to create two side-by-side pedestrian entrances. Doors consist of four vertical bead doors with 6-pane wood fixed windows and strap hinges.

### HISTORICAL NARRATIVE

see continuation sheet

*Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.*

### BIBLIOGRAPHY and/or REFERENCES

see continuation sheet

Recommended for listing in the National Register of Historic Places. *If checked, you must attach a completed National Register Criteria Statement form.*
