ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

28 Court Street is a 1 1/2-story, 3-bay residence with cross gable roof. Exterior concrete block chimney, south façade. Central entry consists of a fanlight and panel door with storm and brick stoop with metal railings; wood pilasters and lintel form the door surround. Fenestration includes 6/1 wood DHS with storms and applied louvered shutters. A Chicago-style picture window and paired single-light casements are located on the north facade of the main block. An ell on the north side accommodates a secondary entry and a single-car garage.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
