ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

This is a 2-story, 2-bay garage with cottage above. The side gable roof includes a center gable shed dormer on front slope with grouped single-light casements and 1 circular window above; shed dormers on front and rear roof slope. Gingerbread at all eaves -- matches the main building. Multi-light Gothic Revival windows in south gable end. Two modern garage doors are located on the east façade, facing Carver Street.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
