ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

27 Center Street is a 2-story, 5-bay dwelling with central entry. The side gable roof has a brick chimney in the front slope; skylights in rear roof slope. The central entry is a pane and panel door in an enclosed gable vestibule that extends from the front of the building; concrete stoop. Fenestration includes 2/2 wood DHS with storms and wood surrounds; small 2/1 DHS below eaves. A 1-story shed roof addition is located on the rear façade, and it houses the bathroom. The addition has a secondary entry and a shed roof entry porch; 6/6 wood DHS and single-light window. The addition has a concrete block foundation. Another entry, with sidelights, is inset in the building, rear facade.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
