FORM B - BUILDING

ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.

As per Tom Boland (1994): The house at 6 Cook Street is likely to be the first house on the street. Stylistic detailing, such as the entranceway, indicate that it was early in the Federal period. Shown on the 1836 directory, a Bessie Lyford, teacher and B. Lyford, carpenter, resided there. The house remained in the Young family throughout the end of the 19th century and is listed as owned by Mrs. Alice H. Young in 1907.
