MASSACHUSETTS HISTORICAL COMMISSION

FORM B - BUILDING

--	--	--	--

ARCHITECTURAL DESCRIPTION

☐ see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

HISTORICAL NARRATIVE

☐ see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.

As per Tom Boland (1994): 4 Anthony Street is shown on the 1836 map and the 1858 atlas, and the owner is listed as J. Atkins on the 1880 atlas. It is one of the first structures on Anthony Street, probably predating the existence of an actual thoroughfare. In 1901, the ownership is noted as John Caton, fisherman.
