Dear Barbara;

I apologize for not placing your gift in the archive as soon as we received it, but the back-log of work regarding filing the collection has been immense, and I am the only person doing it. In addition, although I am still the curator, I am not on the board, so that I am intermittently in the building.

Anyway, thank you so much for this gift, and I shall hope to display it properly next year in some way with a commemorative note for Bobby. As I say, I have less control than I used to, but I will certainly try to do this. I hope you are well and that life where you are is more reasonable than it is here. If you would be so good as to sign the form where it says "Donor's Signature" and send it back to me in the enclosed, stamped envelope, I'd appreciate it. Sal sends his best to you and from myself, as always, and fondly,

**Flag loaned to the Portuguese Festival Committee by vote of the Provincetown Board of Selectmen on June 9 , 2008 and was returned by the Portuguese Festival Committee with irreparable damage after they left it flying day and night for three weeks at the Provincetown Monument in celebration of the Portuguese Festival. The flag represents the fragility of our Heritage artifacts and a lesson to all that extreme care must be taken with our artifacts if they are to survive and instruct future generations.**
