An affectionate wife and tender parent
Lo! where this silent marble weeps
A friend, a wife, a mother sleeps;
A heart, within, whose sacred cell
The peaceful virtues lov'd to dwell:
Affection warm; and faith sincere,
And soft humanity was there.
In agony, in death, resigned
Her darling issue here below
Sits mourning on a father's woe,
Whom what awaits while here he strays
Along the lonely vale of days?
A pang to secret sorrows dear,
A sigh, an unavailing tear,
Till time shall ev'ry grief remove
With life, with mem'ry and with love.
