

SCHOONER BOWDOIN REAR ADMIRAL DONALD B. MAC MILLAN, U.S. N.R.

November 29, 1969

Mr. Robert Hancock, Town Manager Provincetown, Mass.

Dear Mr. Hancock:

Mac wants me to thank you and the Board of Selectmen for the wire of good wishes from the people of Provincetown on his 95th birthday. Such thoughts of him on these special occasions - on April 6th, the 60th anniversary of the Discovery of the North Pole, too, - mean a great deal to him.

He is very proud indeed that the wharf where he dove for pennies as a boy and a section of the Highway through town are named for him. His sincere thanks for such honors and kind thoughts go to the people of his hometown, the place where he was born and lives now -- Provincetown.

Sincerely yours.
