Dear Mrs. MacMillan:

It is with a deep sense of personal loss that we all mourn the passing of Donald Baxter MacMillan. Permit me, in behalf of the officials and citizens of Provincetown, to extend to you our abiding sympathy in your bereavement.

In his honor we have lowered the flags to half mast on all municipal buildings, to remain thus until after the final ceremonies.

The Board of Selectmen has voted unanimously to make a donation to the Peary-MacMillan Arctic Museum at Bowdoin College, further to honor his memory.

Sincerely,

Mr. John Bell  
Town Hall  
Provincetown, Massachusetts

Dear Mr. Bell:

I want the Selectmen who represent the people of Provincetown to know how much I appreciate their feeling of sympathy; how much I appreciate their honoring Mac by lowering the flags to half mast on all municipal buildings to remain thus until after the final ceremonies.

The naming of the Pier - MacMillan Pier - for him by the people of his town - Provincetown - the place where he was born, lived, and died, the town he loved so much, was a source of real pride to him.

For him and for me, I thank the people of Provincetown for these many honors and kind thoughts.

Sincerely,

*William MacMillan*
