Dear Miriam Hapgood DeWitt,

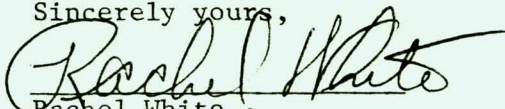

We have read (many times over) your letter to Provincetown Magazine, and wish to express to you our gratitude for having written it.

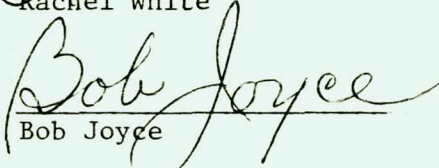

As workers in Town Hall, we have seen and we have heard much of what took place at Spritus Pizza. Your letter put it all in perspective. Nothing occurs in a vacuum.

You express it so, so well, "Our peace and freedom depend on our respect for one another's rights."

Thank you again.

Sincerely yours,

Rachel White
