Procedures to Follow When An Assault, Assault & Battery or other Related Crimes Occur.

1. Notify Police immediately- either get to a phone and dial 911 or have a friend or neighbor call.
2. Before Police arrive, try to locate a witness who can identify assailants.
3. Try to get an accurate description of all assailants.
4. When Police arrive, give them all of the above immediately so patrols can be sent out.
5. Show up at the Police Department to look at Mug Books and to make witness statements.
6. Follow through with prosecution in the courts.

If after the above, you are not satisfied with Police efforts, see:

1. Sgt. on shift; if not satisfied
2. Chief of Police; the following day; if not satisfied
3. Town Manager; if not satisfied
