EXPLANATION

For each census, names are given in alphabetical order. A composite index (1790-1840) begins on p. 100. In each census, under each surname there is a listing (by given name) of Heads of Families: e.g., under ATTKINS (p. 2) there are listed three Heads of Families; under ATTWOOD, seven, etc.

In the composite index (pp. 101-123) the occurrence of one given name in more than one census (e.g., Adams, George, 1820, 1830, 1840--p. 101) does not imply, necessarily, the same person in all censuses. A cousin, son, or other person might account for any second or later census listing.
