THE STORE OF LIFE AND PROGRESS

The International Studio

FOR TWENTY-THREE YEARS THE STANDARD ART MAGAZINE
IN THE ENGLISH LANGUAGE AND STILL KNOWN AS THE

"most beautiful magazine printed"

Paintings, sculpture, architecture, etchings,
drawings, sketches, engravings, interior decora-
tions, house plans, furniture, textiles, rugs,
tapestries, landscape architecture, photography,
ceramics, and the other handicrafts — all these,
and more, are among the forms of art treated
in the pages of this magazine.

The inclusion of all these departments, to-
gether with the fact that the field of the "Studio"
is truly international, covering the art progress
of the entire civilized world, gives a scope to
this magazine which is unequaled by that of any
other publication on the subject of art.

So, also, are the illustrations unequaled in
quantity and quality by those of any other peri-
odical. They consist of the finest reproductions
in half-tone, tint and full color of works of art
of every description.
