The International Studio

FOR TWENTY TWO YEARS THE STANDARD ART MAGAZINE
IN THE ENGLISH LANGUAGE AND STILL KNOWN AS THE

"most beautiful magazine printed"

Paintings, sculpture, architecture, etchings, drawings, sketches, engravings, interior decorations, house plans, furniture, textiles, rugs, tapestries, landscape architecture, photography, ceramics, and the other handicrafts — all these, and more, are among the forms of art treated in the pages of this magazine.

The inclusion of all these departments, together with the fact that the field of the "Studio" is truly international, covering the art progress of the entire civilized world, gives a scope to this magazine which is unequaled by that of any other publication on the subject of art.

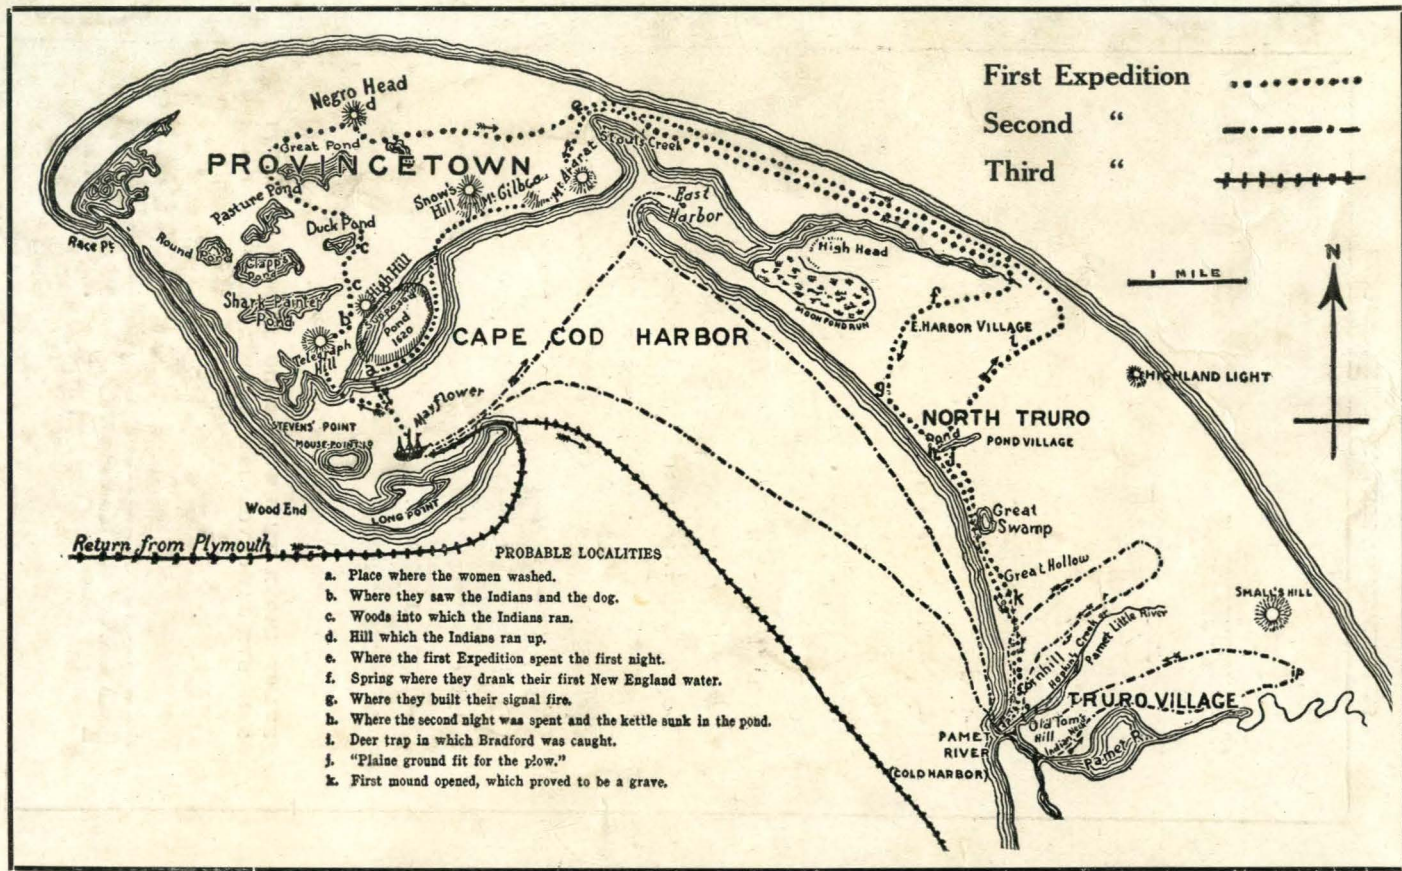

So, also, are the illustrations unequaled in quantity and quality by those of any other periodical. They consist of the finest reproductions in half-tone, tint and full color of works of art of every description.
