MISS ABBIE C. PUTNAM.
MARCH 3.

What press and people say: "Miss Abbie Cook Putnam is an admirable artist, a ripe product of native genius and of the Boston School of Expression. Her easy and polished manners, her ingenious grace and beauty, her charming naturalness, impress and

delight all who hear her."

"In these days of affectation, it is refreshing to meet with so natural a reader as Miss Abbie Cook Putnam. Her clear voice, graceful gestures, and excellent impersonation of her characters, make it a delight to listen to her."
