# *Dedication*

The class of 1958 dedicates this edition of the Long Pointer to their parents. As individuals, it is to them that we turn in thanks for the aid and guidance which we have received throughout our school years. As a group, we are indebted to them for the great part they had in making our class trip possible, as well as for their efforts with out preceding activities.

Mr. George F. Leyden, principal; Mr. Harry L. Mushroe, superintendent; Miss Isabel D'Entremont, secretary

## *Message to Seniors*

One of the main objectives of our school system is to give each student an equal opportunity for an education according to his needs, interests and abilities. Some of you, no doubt, have profited more than others from this opportunity. We do hope, however, that all of you have developed the skills and attitudes that will make you good citizens. This is the only way to reveal that your education has been worth the efforts of the community, your parents and your teachers.

Congratulations to all of you.

H. L. Mushroe  
Superintendent of Schools

# *Editorial*

As editors of the 1958 issue of the Long Pointer, we have endeavored to make a change in its organization. There is no alumni, literary, or humor section, nor are the different extra curricula activities scattered throughout the book as they were in previous years. A message to the Senior class by Superintendent, Harry L. Mushroe, and the different layout of the photography and articles are additional changes to this issue. The contents are arranged class by class, followed by the Student Council, cheerleaders, football, basketball, and baseball articles. Because the Long Pointer is primarily a Senior book, they have been granted more space to include their junior prom, class play, class history and pictures of the Senior superlatives.

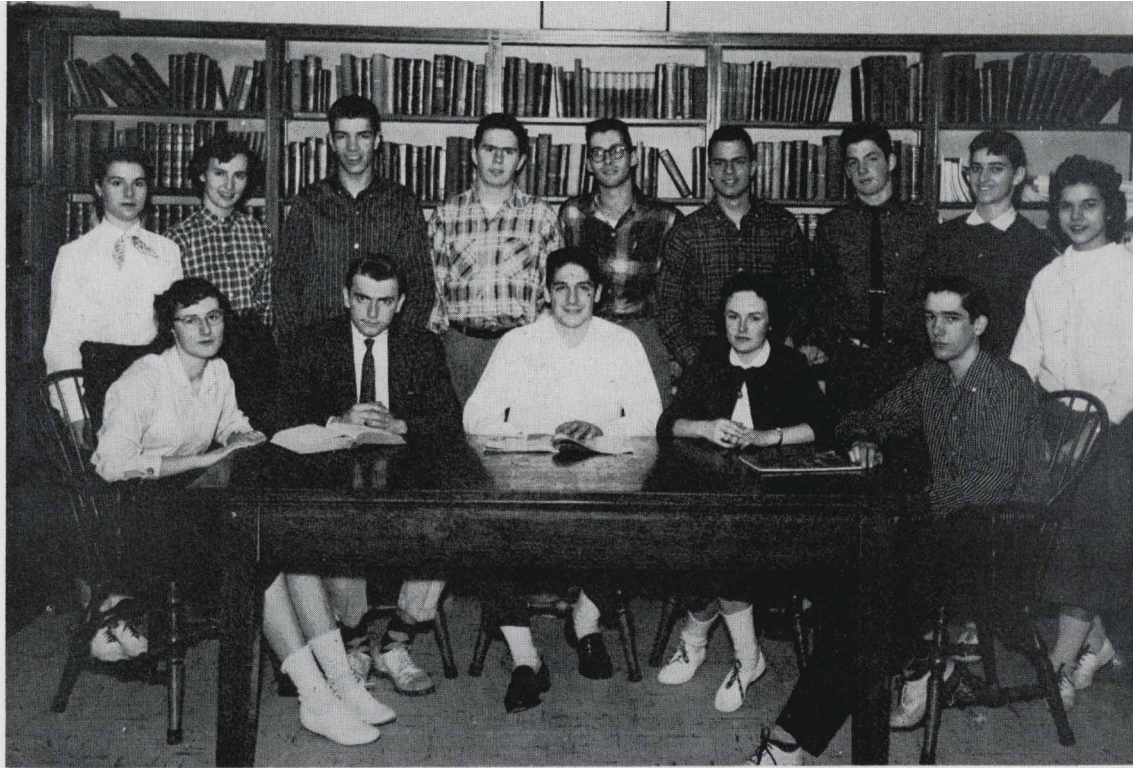

After extensive research of year books published by the other Cape schools, we learned that our school was the only school to give advertisers a free copy. It has been the custom of these schools to give each advertiser a tear sheet to verify their advertisement. In view of this survey and the present high cost of printing, we felt that we, too, were unable to continue to give free copies unless we increased the price of each advertisement. After giving much thought to this matter, the editorial staff decided to discontinue this practice.

We hope that you will enjoy the extra efforts of the entire staff in revising this edition of the Long Pointer.

### Freshmen

It was on September 7, 1954, that we entered Provincetown High School, unaware of what the future held. On September 9, we had our first opportunity to vote and to hold a democratic meeting. Under the supervision of Mr. Thomas Hennessey, we elected Edward Turpin, Lillian Corea, Lana Steele and Ruth Anne Carreiro as our President, Vice President, Secretary and Treasurer, respectively. Our representatives to the Student Council were Janet Ramey and Maribeth Santos. Mr. Robert Manning was kept quite busy throughout the year acting as our class advisor.

On September 27, the auditorium was decorated in our class colors, blue and white, for the Freshman Reception. As a means of identification, we were all

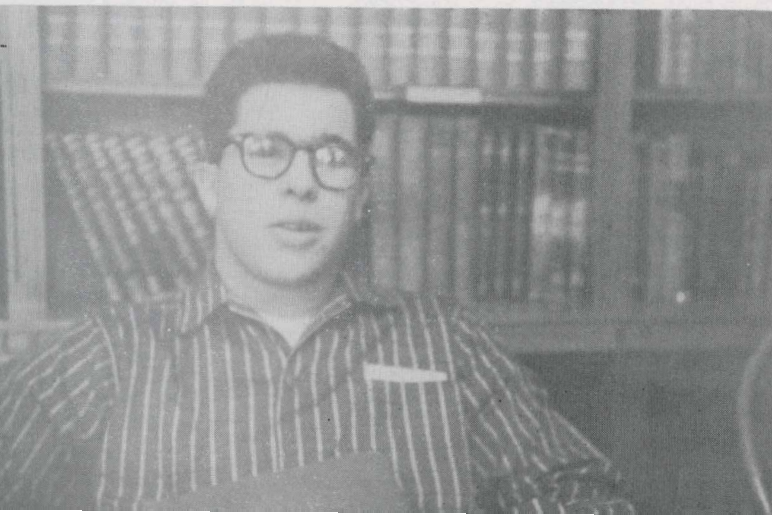

required to wear a yellow lollipop signifying that we were the new arrivals of Provincetown High School.

Before we realized it, June had arrived and we all looked forward to a wonderful summer vacation.

### Sophomore

Once again we entered Provincetown High School and had high hopes for a successful and eventful year.

Edward Turpin, Ruth Anne Carreiro and Lana Steele were re-elected officers with Joan Duarte as our new Vice-President. Robert Keane, a newcomer to our class, and Maribeth Santos were elected to the Student Council. Mr. Edward Dahill was chosen as our class advisor and our class colors were red and white.

As Sophomores, the majority of our class tried to impress the faculty with our ability. Ruth Anne Carreiro, Lillian Corea, Joan Duarte, Janet Ramey, Marjorie Silva, Lana Steele and Amy Williams established themselves as Honor Roll students for the second consecutive year.

In early September, Donald Fiset, Robert Keane, George Mooney, William Patrick, Joseph Taves and Alfred Tinker, a former member of our class, represented us on the football field.

When basketball season arrived, Robert Keane, Ronald Lopes, Donald Murphy, William Patrick, Philip Prada and Joseph Taves appeared on the team.

Representing our class in girls' basketball were: Lillian Corea, Paula Henrique, Prudy Joseph, Mary Lou McKinney, Gloria Medeiros, Marjorie Silva and Lana Steele. Camila Meads was a member of the cheerleaders. As in our Freshman year, we held no activities and the year progressed rapidly.

### Junior

As Juniors and also as upperclassmen, we undertook the task of raising money for our treasury. To guide us in doing so we elected Edward Turpin, President; Robert Keane, Vice-President; Lana Steele, Secretary; and Marjorie Silva, Treasurer. Mr. Edward Dahill was re-elected as our Class Advisor and our class colors, red and white, remained unchanged. Emmanuel Silva and Philip Prada were chosen as our representatives in the Student Council.

Our first class activity to bring in a revenue was the selling of refreshments at the football and basketball games. Throughout the year we sold Christmas cards and wrapping paper. We had several dances, all of which were successful. We also collected newspapers.

On March 13, we elected David Mayo and Joan Duarte to represent Provincetown High School at Boys and Girls State.

In spite of their extra curricular activities, Lillian Corea, Ruth Anne Carreiro, Joan Duarte, Janet Ramey, Marjorie Silva, Lana Steele and Amy Williams succeeded in remaining on the Honor Roll.

Camila Meads and Diann Calesa, a newcomer to our class of '58, were chosen to represent us on the cheering squad.

Once again we see Donald Fiset, Robert Keane, George Mooney, William Patrick and Joseph Taves on the football field plus the new players, Edward Cook and Thomas Souza.

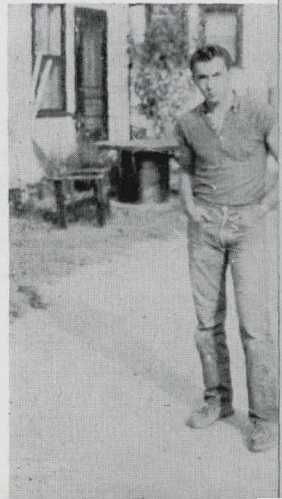

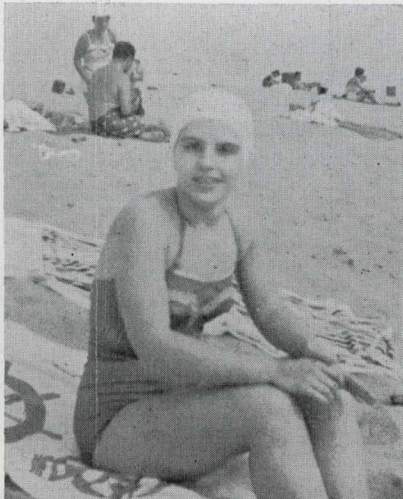

Thomas Days, Robert Keane, Ronald Lopes, Donald Murphy, Philip Prada and Joseph Taves were members of the basketball team.

Lillian Corea, Prudy Joseph, Versie Langley, Mary Lou McKinney, and Marjorie Silva were members of the girls' basketball team which won the Large School League Championship.

Among our many activities, our Junior Prom will always be remembered as the most successful event of our school year. To conclude the year we held a "Farewell Dance" for the graduating class of '57.

### Seniors

With all our thoughts directed at Washington, we wasted no time in choosing our class officers. Edward Turpin, Robert Keane, Lana Steele and Marjorie Silva held their former positions as President, Vice-President, Secretary, and Treasurer, respectively. Emmanuel Silva was re-elected to the Student Council with Ruth Anne Carreiro as our new representative. Miss Kathleen Medeiros undertook the difficult task of guiding us through our last

year and once again our class colors were blue and white.

Throughout this year our activities have consisted of: the selling of Christmas cards; a chicken pie supper; a rummage sale; several dances; raffles; and various other activities.

This year, our class was well represented in sports. Edward Cook, Donald Fiset, Robert Keane, Ronald Lopes, Donald Murphy, John Nunes, William Patrick, Phil Prada, Thomas Souza, Edward Turpin, Joseph Taves and Maurice Worth participated in football. George Mooney was chosen as their captain.

Robert Keane and Joseph Taves were elected as co-captains for the boys' basketball team of which Ronald Lopes, Donald

Murphy and Philip Prada made up the first team.

Prudy Joseph was chosen as co-captain for the girls' basketball team for the second consecutive year. Lillian Corea, Mary Lou McKinney, Marjorie Silva and Versie Langley were members of the first team.

Janet Ramey and Lana Steele were members of the cheering squad with Diann Calesa as their captain.

Our class trip was held during the week of our April vacation. After spending four wonderful days in Washington, we left for an exciting day in New York. On the fifth day we departed for home. Everyone had an enjoyable time and we would like to thank our parents, the members of the faculty, and those in our community who dedicated their time to help us.

*First row:* Marjorie Silva, Joseph Taves, Diann Calesa, Adeline Meads, Prudy Joseph  
*Second row:* Mr. Staniford Sorrentino, Donald Murphy, Robert Keane, Janet Ramey, Maurice Worth, Lorin Ross, Paula Henrique, John Nunes

During the month of December a committee of six seniors, Robert Keane, chairman; Prudence Joseph, Maurice Worth, Philip Prada, Adeline Meads, and Lorin Ross were appointed to collaborate in the task of selecting a class play. The play selected was, "Time Out for Ginger", a comedy in three acts, written by Ronald Alexander. The play was placed under the competent direction of Mr. Staniford Sorrentino. The progress of the play was hindered by basketball and other school activities until the early part of February. The relinquishing of sports, at this time, made it convenient for every member of the Senior class to test his ability in acquiring a part in the play.

## Resume

In a quiet, straight-laced town, a beautiful fourteen year-old brunette, bold but shy, daughter of an ultra-conservative

banking stock manager kicks over the traces by reporting as a football candidate.

As a result of his daughter's astonishing activities, Howard Carol, is a victim of such remarks as, "We'd never have to worry about depression here if we could run a bank as well as she can run a ball." Rival banks have printed blotters which say, "If you're looking for a half-back, you've got the wrong bank."

Humiliation eventually makes Ginger realize that she should compete with men as a woman and not as a football player.

The results of the production which is to be held on March 21 and 22 are unestablished because of the early production of the 1958 Long Pointer, but under the wise guidance of Mr. Sorrentino we are sure that it will be a "smash hit."

## *Junior Prom*

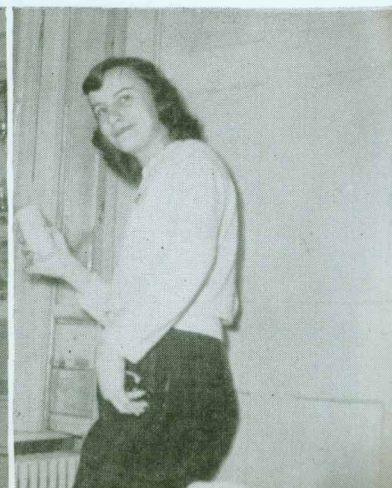

This long awaited event took place on May 24, 1957. The theme for our Junior Prom, an original one, planned by members of our class, was "Moonlight and Roses". It consisted of tiny rosebud chains in a make believe garden against a blue star-studded sky.

The dance started at 8:00 P. M. and lasted until 1:00 A. M., with an hour long intermission from 11:00 P. M. to 12:00 P. M. Our Grand March, which took place at 9:30, was led by Lana Steele and Edward Turpin. Music was supplied by Mannie Silvia and his Tophatters.

Each and everyone of us had a wonderful time and we would like to thank all those who helped us make our Prom so great a success. I am sure it is something we shall always remember when we recall our high school years.

# Junior Class

## Freshman Year

The optimistic and exuberant Freshmen entered the upper floor of Provincetown High School but unlike most Freshmen, we were able to find our home room without any help. We finally became acquainted with our home room teachers, Miss Kathleen Medeiros and Mr. Thomas Hennessey. Even though our adaptation to the new year was somewhat erratic, we settled down after awhile to meditation and hard study.

Shortly after the school year began, we held a class meeting to elect our class officers, which we did systematically and with excellent judgment. We chose, Virginia Fields, President; Francis Silva, Vice-President; Beverly Cook, Treasurer; and Barbara Keane, Secretary. We also elected Judith Perry and Salvador Vasques as representatives to the Student Council.

Traditionally the Seniors welcomed us formally to the school by having a dance in our honor. We were grateful to the Seniors for their generosity in presenting us with carnations, a gesture that had not been done for many years. This year the fete was held September 25th. Adorned in our Sunday best, we assembled in the auditorium for this gala occasion. At the request of the guests, the Seniors relinquished entertainment so as to have the entire evening devoted to dancing. The

only interruption came when the dancers paused to partake of refreshments in the cafeteria. Long before we were ready to depart the clock sounded eleven, thus announcing the finale of the reception to the dancers. We regretfully left the scene of our Freshman Reception which became a pleasant memory.

Many of the Freshman girls made the basketball team thus contributing to the victorious season. They were Margo Phillips, Joyce Perry, Ruth O'Donnell, Carol Silva, Margaret Thompson and Judith Perry.

Several Freshman boys helped to attain success by contributing to the boys' basketball squad. They were John O'Donnell, Clarence Andrews, William Kempton, and Francis Silva.

Many students applied themselves diligently and were rewarded by a position on the Honor Roll. These included, Kenneth Snow, Fred Hapgood, Margo Phillips, Peggy Hathaway, Virginia Fields, Arniel Felton, and Mary Welsh.

We ended our year with the annual beach party, well chaperoned and enjoyed by all.

## Sophomore Year

September 6, 1957 the future class of 1959 once again returned to the familiar

brick building. As Sophomores, we weren't noted for consistency, but then isn't inconsistency a predominant trait of maturing minds and developing personalities?

Our only achievements during this year were to order our class rings and to elect our class officers. Virginia Fields was chosen President; Francis Silva, Vice-President; Beverly Cook, Treasurer; Barbara Keane, Secretary; Judith Perry and Salvador Vasques, Student Council; and Mrs. Phebe Rogers, Class Advisor.

The boys of our class participated only in basketball this year. We were well represented by Clarence Andrews, Francis Silva, John O'Donnell, Albert Silva, and John Mendes. Carol Silva, Ruth O'Donnell, Margaret Thompson, Margo Phillips, Joyce Perry, Judith Perry, Joan Frade and Joan Thomas represented the girls.

The scholastic achievements of our class were equal to our athletic abilities. The honor students were, Irene Tasha, Barbara Keane, Peggy Hathaway, Janice Meads, Carol Silva, Margo Phillips, Arniel Felton, and Virginia Fields.

At the end of our Sophomore year we began to realize that all knowledge isn't obtained in books. We welcomed the thought of the coming summer, but surprisingly enough we were ready to return to our institution of learning in September.

### Junior Year

The summer rapidly passed by and once again we were back to the same routine. One could very easily guess what day it was, when on September 7, 1957, the familiar procession of students were seen walking up Winslow Street.

Our Junior year held many responsibilities, and we proved ourselves very capable of assuming them. Before the month of September had ended we had elected our class officers to lead us successfully through our Junior year. Francis Silva was elected President; Salvador Vasques, Vice-President; Beverly Dwyer, Treasurer; and Carol Silva, Secretary. Mr. Costa was unanimously chosen Class Advisor, and he proved indeed to be a very wise choice. We were represented in the Student Council by Judith Perry and Albert Silva. Albert Silva was also Vice-President of the Student Council.

Our class rings ordered during our

Sophomore year arrived on the first day of school. Every member of our class proudly displayed one.

During our Junior year we held many activities for the purpose of increasing the finances of our class treasury. We earned money by selling refreshments at the football games.

We also sold refreshments at the basketball games, and because of the consistently active minds of our class, we found new and original ways to attract customers. We are especially grateful for the help of Mr. Hennessey, Mr. Dahill, and Mr. Costa in sponsoring these activities and also deeply appreciative for the patronage of the townspeople.

In the month of October, we held a cake sale which netted a large profit. We also sold tickets for a hope chest which was raffled in April. All of us thank our parents for their contributions of time and their guidance in these two very successful activities.

During the year we were well represented in the sports field. Joyce Perry, Joan Frade, Carol Silva, Margo Phillips, Judith Perry, Ruth O'Donnell and Marion Thomas aided the team in reaching the long awaited goal of Cape Champions. The boys representing us in basketball were, John O'Donnell, Francis Silva, John Mendes, Albert Silva, and Clarence Andrews. John O'Donnell and James Santos were also on the football team.

Months before that impatiently anticipated evening everyone was hustling in preparation for May 23rd, the day of our Junior Prom. Our class colors were blue and white which transformed the Town Hall into a May-time ballroom. We were entertained by Mel Von's orchestra, which delighted everyone who attended our dance. The girls wore evening gowns chosen with exquisite taste and the boys wore white tuxedos.

The Junior Prom concluded our activities for the third year at Provincetown High School.

We are anticipating our Senior year with the hope that each and every member of our class will strive to attain all the honors which are available to them at Provincetown High School.

Margo Phillips, '59

## Sophomore Class

On September 5, 1956, we, the timid Freshmen, entered the unfamiliar corridors of the upper floor and took our seats in the Freshman home room.

Our first class meeting was held on September 7, to elect our class officers. John Hurd was elected President; Carol Ramey, Vice-President; Joseph Corea, Treasurer; and Miriam Martin, Secretary. Joaquim Duarte and Leona Sutera were elected our Student Council representatives. Mr. William Costa was chosen our class advisor to guide us through the year and our colors were blue and white.

Shortly after the opening of school, the topic of conversation was the Freshman Reception. The Reception was held Friday, September 28th, and was a tremendous success. All in all, we had a very enjoyable Freshman year.

We are now in the second year of our high school career. On September 12th, we elected the following officers as the leaders of the "Mighty" Sophomores: John Hurd, President; Carol Ramey, Vice-President; Yvonne Cook, Treasurer; and Miriam Martin, Secretary. Our class colors are red and white. Joaquim Duarte and Leona Sutera are Student Council representatives. Mrs. Phebe Rogers is our class advisor.

We demonstrated our excellent selling abilities in the annual magazine drive by topping the amount of subscriptions sold by all the other classes. In this way we

added a small sum to our growing treasury. We all surprised ourselves in our ability as salesmen.

We have always had a few members from our class on the honor roll. They are: Brenda Andrews, Linda Gilmore, Walter Hauer, Miriam Martin, Carol Ramey, and Lana Valentine. The Sophomores are proud to have such hard working and deserving students in our class.

Many members of our class were included in sports. The girls who represented us on the basketball team were Cynthia Tarvers, Natalie Patrick, Carol Ramey, Linda Gilmore, Carmen Passion, and Naomi Tarvis. The Sophomores on the football squad were John Russe, George Lemos, Robert Kellar, Manuel Souza, Joaquim Duarte, Bernard Nunes, and Lawrence Souza. John Hurd was on the team but because of an injury to his foot was unable to play.

We would like to extend our greetings to Sharon Harvey, Judy Rann, Wilma Vizard, and Walter Hauer who are the four new members of our class. We are also sorry to say that Benjamin Pitman has left.

Our Sophomore year will soon be coming to a close. We are all hoping that the coming years will be as enjoyable as our first two years have been.

# Freshmen

On September 5, 1957, we entered the Senior High School as Freshmen. After we had found our home rooms with the help of our upper classmates, we became acquainted with our new home room teachers, Mr. Hennessey and Miss Medeiros.

Later that week we held our first class meeting and to lead our class we chose Judith Ormsby as President; Kenneth Gregory, Vice President; Michelle Steele, Secretary; and Judith Packett, Treasurer. Denis Jones and Christina Segura were elected to the Student Council. Class colors were green and white and our monthly class dues were seventy five cents. Mr. Williams was elected class advisor.

Thanks to the efforts of the Senior Class, our Freshman Reception was a great success. The Seniors had the Freshmen wear baby shoes, pinned to our clothing. We all enjoyed ourselves very much.

Representing our class on the football field were Thomas Prada, Kenneth Gregory, Charles Mayo, Robert Cordeiro, Edgar Francis, and Franklin Taylor.

Our class is also proud to have Christina Segura as a member of the Cheering squad.

After the football season Charles Mayo and Cyril Patrick, two members of our class, left for Florida. However, Aaron Avellar, a new student, joined our class in January.

Many of our girls were chosen for the Junior Varsity basketball team. They included Marsha Tinker, Donna Gonsalves, Eunice Cordeiro, Flora Lee Alexander, Martha Souza, Judith Ormsby, Mary Silvia, Kathleen O'Donnell, and Michelle Steele.

Eunice Cordeiro, Donna Gonsalves, Cyril Patrick, Janet Santos, Michelle Steele, Marsha Tinker and Judith Packett have been on the Honor Roll this year. In time, we hope to add more names to the list.

Although our Freshman year has progressed rapidly, we shall look forward to three more successful years. We hope that we will be as well represented on the Honor Roll, the football team, and basketball team, as we have been this year.

## Student Council

The Student Council, under the supervision of Mr. Murphy, held its first meeting on September 16, and the following officers were elected: President, Emmanuel Silva; Vice President, Albert Silva; Treasurer and Secretary, Ruth Anne Carreiro.

The first two tasks confronting the Council were to choose the cheerleaders and to supervise an election for a representative to attend Good Government Day, March 14, in Boston. Edward Turpin, President of the Senior Class, was elected.

The Student Council made definite plans to originate a school emblem and to purchase a banner for the school. Peggy Hathaway submitted a sketch which in-

cludes the Pilgrim Monument, Long Point Light, and a fisherman. The sketch, which is similar to the school rings, was approved by the School Committee. Decals of the school emblem have been ordered and will be on sale to the students shortly.

If they need help, the Student Council has promised to aid the American Legion financially with All Sports Night, which takes place early in the Spring.

Another annual event that the Student Council sponsors, is the presentation of the trophy to the most deserving Senior upon his or her graduation. Last year, trophies were presented to Elizabeth Strachan and Richard Segura.

About the middle of November, approximately thirty candidates greeted Coach Elizabeth DeRiggs at the opening practice of the 1957-58 season.

The first two weeks of practice were rough, but the girls stayed behind the coach all the way hoping they could bring the championship home to P.H.S. Last year the team did well, for they brought home the Large School League Championship, but lost the Championship game to Sandwich.

The opening game of the season was played against Barnstable on our own court. The Fisherettes displayed a fine game of basketball defeating the Red Raiders of Barnstable 55-39.

Harwich was the next opponent on our own court. This was an easy victory for our girls as they won 50-24.

On January 10, the Alumnae took the floor looking very strong, but our girls proved their strength once more by defeating the Alumnae 47-39.

The following night, the Nantucket girls came from the Island hoping they could defeat us, but once more we demonstrated our skill by defeating them 44-21.

On January 14, we journeyed to Orleans. The girls were nervous, knowing that Orleans had a championship team in the making. Despite our nervousness, we defeated Orleans 57-36.

January 21. The big game approached sooner than we expected! We had been looking forward to this game since the beginning of the season—Yarmouth! Each team took the floor hoping her team would be the victor. The game was exciting, and at the end of the half, Yarmouth was ahead 24-21. During the half, the girls entered the room to get our usual pep-talk from our coach. This was all they needed, because of the fine and encouraging words of our excellent coach we went out and defeated the Yarmouth girls 53-37.

On January 24, the team journeyed to Bourne for another important league game. Bourne played an excellent game and remained ahead of our girls until the third quarter. After a final encouraging pep-talk from Coach DeRiggs, we pulled ahead to win 59-38.

Our next game was with Falmouth. The game was hard fought, but we defeated them 55-33.

On January 28, the girls played their

last non-league game against Orleans. We defeated them 49-20. This proved that our girls had a championship team in the making. Our record up to this point was 9 wins, 0 losses.

On January 31, we traveled to Barnstable to a very important league game. The game was very well played by our girls and we defeated the Barnstable girls 42-32.

Our next game was played against Falmouth on our own court. We proved once more to be stronger than our opponent and won 47-35.

February 11, once more the big game was upon us—Yarmouth! We had defeated them once before on our home court, but this would be a more difficult task, as we had to play on their court. At the end of the half we were leading by 10 points. The game proved to be successful and we won by a very close score of 36-35.

On February 14, we played our last regular game of the season against Bourne. We continued our undefeated record by defeating them 73-33.

We ended our season with an undefeated record and once more gained the title of Large School League Champions. February 21st, 1958, the girls traveled to Barnstable High School to play Sandwich for the All Cape Cod Championship. During the first two quarters of the game the girls displayed no nervousness and ended the half tied 19-19. Both teams returned to the floor looking stronger than before, but the Fisherettes proved their strength once more by defeating Sandwich 45-34 and gained the honors of becoming the 1958 All Cape Champions. This game proved that we had the finest team on the Cape and much praise and honor should be given to the fine coaching of Miss DeRiggs.

This year's team was made up of the following players:

#### Guards

Lillian Corea	Ruth Ann O'Donnell
Versie Langley	Margo Phillips
Joan Thomas	Joyce Perry
Carol Ramey	

#### Forwards

Carol Silva, Co-Capt.	Cynthia Tarvers
Prudy Joseph, Co-Capt.	Natalie Patrick
Mary Lou McKinney	Joan Frade
Marjorie Silva	Carmen Passion
Arniel Felton was manager	

There will be five members of the first squad missing next year. Lillian Corea, Versie Langley, Marjorie Silva, Mary Lou McKinney, and Co-Captain, Prudy Joseph, are all graduating in June. The Junior Varsity did very well this year, and in a few years they should also have a fine team to display to the public.

On behalf of the graduating members of the team, we wish next year's team lots of luck as we know they can bring the championship home once more to P.H.S.

# Boys' Basketball

*First row:* John O'Donnell, Donald Murphy, Ronald Lopes, Joseph Taves and Robert Keane, co-captains, Philip Prada, Manuel Souza  
*Second row:* Mr. David Murphy, coach, Frank Roza, Peter Dalpe, Thomas Dirs, Clarence Andrews, Albert Silva, Bernard Nunes, William Patrick, manager  
*Third row:* Robert Keller, John Mendes, Francis Silva, John Russe, Christopher Perry, George Lemos, David Brown

We started the new season off on the right foot by downing Chatham 90 to 25 in a non-league game. It became apparent soon after the start of the game that we were well on our way to another successful season. A great second half show put on by the team was highlighted by a 31 point third quarter. Joe Taves was high man with 23, followed by Bob Keane with 15, Ronny Lopes with 14 and Donald Murphy with 12. Phil Prada set up many of the baskets with his tremendous rebounding.

Next, was our first league game of the season against Barnstable. This was supposed to be a real test for the Fishermen. However, we walked off the floor with a 75 to 37 victory. Ron Lopes chalked up 26 points while Bob Keane followed with 12, Joe Taves 11, Donald Murphy 10 and Phil Prada 10.

For our next game we traveled to Harwich and met our first defeat of the year with a score of 58-53. Harwich got off to an early start and we were never able to catch up. The high scorers were Donald Murphy with 16, while Joe Taves and Bob Keane each had 11.

Then we played against the powerful town team with such old Provincetown stars as George Gaspa and Kippy Taylor. We led in this game most of the way. We led at the end of the third quarter 36 to 35 but the Townies started hitting in the fourth quarter as they outscored us 25 to 15 to win 60 to 51. Phil Prada was high scorer with 13 while Bob Keane had 12 and Ronny Lopes had 11. Gaspa had 22 and Taylor 16 for the Townies.

For the next game, the Nantucket team traveled over from the island. This was a good chance for Coach Murphy to give his reserves some experience. The first team played only a quarter and a half as we coasted to a 59 to 41 victory. Ronny Lopes with 11, Bob Keane with 9, and Taves with 8 led the scoring.

Our next game was against the tall and talented Orleans High School. Orleans led most of the way and the score was 35 to 30 at the end of the third quarter. In the last quarter, however, our scrappy five fought all the way and pulled out a 45 to 38 victory. Donald Murphy was the high

scorer with 16 points followed by Ronny Lopes with 10.

In our second league game of the year, Falmouth traveled down to meet us and they felt very confident that they would win. This feeling soon went as we downed the Maroons 77 to 43. Joe Taves and Phil Prada were the big guns in this game as they scored 43 points between them which was as many as the Falmouth team was able to get in all. Taves was high scorer with 23 while Prada had 20, Lopes 13 and Murphy 11.

We traveled to Dennis-Yarmouth to play the Dolphins in their beautiful new gym. We again prevailed as Phil Prada had his best night of the year, scoring 17 points. The score was 50 to 40. Other high scorers were Ron Lopes with 16 and Bob Keane with 13.

The next game was the one everybody was waiting for—the clash with Bourne. Our little gym was crammed to the rafters with screaming fans. Most of them left the gym very sad as Bourne prevailed, with a last two minute spurt to win 47 to 40. Ronny Lopes and Phil Prada shared scoring honors with 11 points each. Joe Taves did a good job under the boards grabbing many rebounds against our taller opponents.

We went to Orleans for a return match with the Cardinals. We just couldn't get started, however, and we played our worst game of the season losing 44 to 32. Ronny Lopes was again high scorer with 13 points while Don Murphy had 10.

We entered into the second part of our league schedule by defeating Barnstable at the latter's new gym, 44 to 33. We led most all the way in this game as we got some great shooting from Don Murphy who scored 14 points. Ron Lopes also had 10 to help our cause.

Next was a breather from our hard schedule of games against our rough Cape High School opponents. We met the fast North Truro Air Force team and lost in another exciting game 55 to 52. Ronny Lopes with 14 points and Don Murphy with 13 led the scoring for the Orange and Black.

In a subsequent game, Falmouth seemed

more interested in fighting than playing basketball as we won another thrilling game 54 to 52. This game was close all the way which resulted in a small fight towards the end. Phil Prada led the scoring with 15 points followed by Ronny Lopes and Don Murphy each with 13 while Joe Taves chalked up 11.

Our next game was against Dennis-Yarmouth. We were picked by many people to win this by 20 or 25 points. This wasn't so, however, as a combination of Dennis-Yarmouth determination and Provincetown having an off night gave us the most exciting game of the year. The score was 35 to 35 after regulations time, with the tension mounting after every basket. In the overtime Joe Taves and Bob Keane scored 6 and 4 points respectively as we outscored the Regionals 10 to 4 to win the game 45 to 39. Don Murphy was high scorer with 14 points and Taves and Prada each had 10.

In our last scheduled game of the season, we went to Bourne with hopes of upsetting the league leading Canalmen. If we won, we would tie for first place and would have faced a playoff. We led at the half 22 to 17 but the high scoring Canalmen started hitting and they outscored us 39 to 29 in the second half to come out on top 58 to 51. Phil Prada was high scorer with 16 points and Ronny Lopes second with 14 points.

### **Cape Principals' Tournament**

We met Orleans in the semi-finals of the Principals' Tournament played at the new Dennis-Yarmouth Regional School. This was a natural game since Orleans and Provincetown had each won a game against the other. It was a slow starting game and Orleans led at the end of the first quarter 10 to 4. In the second quarter, Ronny Lopes led a 20 point barrage to give us the lead at the end of the half, 24 to 17. In the third quarter, Orleans outscored the Fishermen 14 to 7 to tie the game 31 to 31. In the last quarter, however, Orleans outscored the Orange and Black 10 to 6 to win 41 to 37. Ronny Lopes with 13 points and Phil Prada with 11 points led the scoring for Provincetown.

### **Tech Tourney**

Our first game in the Tech Tourney was at Wareham where we played Norwell who had a 12 and 3 record. We led all the

way in this game as the Fishermen played one of their best games of the year winning 65 to 50. The Orange and Black outscored the Norwell team in every quarter except the last. Ronny Lopes and Joe Taves led in scoring with 23 and 16 points respectively.

Next we journeyed to Quincy to play Hanover who had compiled a 15 to 1 record. It started out to be a close game and at the end of the first quarter, Hanover led 10 to 9. In the second quarter, Hanover accelerated and outscored the Fishermen 20 to 11 to lead at the half 30 to 20. In the second half, the Orange and Black fell apart. Hanover capitalized on Provincetown's mistakes and went on to win 65 to 39. Phil Prada was high scorer with 14 points, followed by Ronny Lopes with 10.

This ended another successful season for Coach Murphy. It was expected that this team wasn't going to be very good. However, Coach Murphy had to admit the team was better than he had expected it to be.

# Football

On September 5, a squad of 30 hopefuls reported for the initial practice of the '57 football season. However, as the season progressed this squad was to be slowly whittled down to a plucky 17 and then to a valiant thirteen. The team was comprised of the following returning veterans: Captain George Mooney, Don Fiset, Bob Keane, Joe Taves, Don Murphy, Bill Patrick, Maurice Worth, Phil Prada and Larry Souza. First year men who made up in determination and drive what they lacked in experience were: Ed Turpin, Ron Lopes, Tom Days, Pete Dalpe, John Nunes, and Jack O'Donnell. This year also saw the rise of a Junior Varsity team composed of players in the 7th, 8th and 9th grades. About twenty five boys participated and should be ready for that big step to the varsity next year.

On September 28, Bourne High invaded Evans Field to initiate the P.H.S. football season. It was a clear, cool, crisp autumn day, perfect for football. During the 1st half, nothing of significance occurred with both teams feeling each other out and not making much yardage either way. The 3rd quarter opened with a bang as Bourne's passing game started to click and before the Orange and Black could compose themselves, the Canalmen had pushed over two T.D.'s, both on aeriels. A fourth quarter penalty put Bourne deep in Provincetown territory and on an end sweep the Purple hit pay dirt once more. The score was 19-0. The Fishermen, now desperate, finally began to function and a series of 1st downs behind runs by Patrick, Worth and Prada put the Orange and Black on the Bourne two. Dalpe plunged over right guard from the two to give the Fishermen their 1st T.D. of the year. The conversion failed and the whistle ended the game at 19-6, Bourne's favor.

On another perfect day for football, Somerset High journeyed to the Cape-Tip to engage the Orange and Black gladiators. It was all a fleet-foot half-back by the name of Jim Rockliffe. He scored five times, on electrifying sprints composed of 90, 45, 35, and 10 yards. If it wasn't for that modern day Mercurien, Provincetown could have beaten their off Cape oppon-

ents. Again and again the Fishermen line stymied the Somerset offense but just as it looked as if we had them stopped, Rockliffe would break away for a score. Again, as in the previous game, the Orange and Black came alive in the fourth quarter. Aeriels to Lopes and Murphy put us on the Somerset 15 and a 10 yard jaunt by Patrick advanced the pigskin to the 5. Worth bulled his way over from the 5 to give the Fishermen their only tally. The final whistle sounded and the score was 38-6. Don Fiset and Joe Taves played a superb game backing up the Orange and Black line.

On October 12th, long subdued Provincetown High broke halfback Bill Patrick loose for two touchdown gallops to scuttle invading Nantucket High 12-6. Patrick's first score came early in the first quarter on a stupendous 35 yard jaunt around his right end. Nothing of significance happened in the second period and the score at half time was 6-0. The third quarter opened with the Islanders kicking to Provincetown. On the first play from scrimmage, Patrick took a pitchout and raced to the Nantucket 5. He promptly took it over on a plunge over his left tackle. The conversion failed and the score was now 12-0. Nantucket's Medeiros broke loose and displaying fine open field running scored on a 40 yard sprint. The final score was 12-6 in favor of the Fishermen. Standing out defensively for the Orange and Black were Mooney, Nunes and end, Lopes.

On October 19th, Provincetown invaded Dighton to play a muddy, slippery gridiron in intermittent rain. The first quarter was evenly matched but in the second, the Orange and Black began clicking behind runs by Patrick and Prada. With two minutes remaining in the second canto, the Fishermen discovered themselves inside the Dighton 10 yard line stripe. A series of penalties pushed the Capesters back to the Dighton 30 and then with 30 seconds remaining Patrick, on an end sweep, took the pigskin to the Dighton 1 foot line, where the half ended. Halfway through the 4th quarter a Dighton back broke away on a reverse and scampered to pay-

dirt. The conversion was good and Dighton was ahead 7-0. In a last ditch effort, the Capesters started on a march that was terminated by the final whistle and the pigskin on the Dighton 10. Provincetown was hampered by colds and illnesses and three of the regulars were unable to play. Coming in for defensive honors were Don Murphy, Ed Turpin, and Larry Souza.

On November 6th, the Orange and Black invaded Falmouth and dropped a hard fought 19-18 decision. It was a game dominated by hard play and penalties that consequently meant loss of considerable territory by both clubs. During their first set of downs, the Fishermen showed that this was their game. A march by Keane, Patrick and Prada put the Cape-Tippers on the Falmouth 25. On a terrific show of deceptiveness, Tom Days scored from the 25 on an off tackle slant. The extra point went wide and the score was 6-0. Falmouth received the Provincetown kick and on a series of plunges and sweeps reached paydirt. Their conversion failed and the score was knotted 6-6. Provincetown then moved the ball to the Falmouth 40 and a pass from Keane to Prada put the ball on the 1. Days again tallied but the all important kick was deflected. Falmouth again came back and tallied but made the conversion good, which was the deciding factor. Early in the 4th quarter Falmouth staged a march upfield which was terminated by a score. However, the conversion was wide. On a series of short passes to Lopes and Murphy and rushes by Tom Souza, the ball was advanced to the Maroon and White 12. Patrick plunged across for the score but the conversion was wide. The final score was 19-18, in Falmouth's favor.

On November 12th, Provincetown High terminated their football season at Dennis-Yarmouth's memorial field. It was a hotly contested game and the Cape-Tippers fought to the last minute. The final score was 26-13, in Yarmouth's favor. Yarmouth's first score came on a fluke Provincetown punt that bounced crazily for 35 yards and was picked up by a Yarmouth

back who scampered over unmolested for a T.D. Provincetown's passing game began clicking and Lopes caught a pass that put the Orange and Black on the Yarmouth 40. Murphy grabbed one that put us on the 28 end. Prada, on a sensational catch, advanced the pigskin to the Green and White 10. Patrick, on one of his bull-like rushes, put the ball on the Yarmouth 2 and Worth took it over. The try for point was wide and made the score 6-6. The second canto opened with an end sweep by a Yarmouth back who went all the way. The score was now 12-6. They scored once more in the second and the score at half time was 19-6. The third period opened differently for the Orange and Black, who were now playing inspired football. The runs of Patrick and Prada advanced the ball to the Yarmouth 40 and a Keane-Lopes aerial put the ball on the Yarmouth 10. Patrick took it over from there. The conversion failed and the score was 19-6. At the start of the fourth period another Yarmouth end sweep produced a T.D. The game then ended with the score 26-13.

So ends the 1957 football season. We finished with a record of 1 win, 5 losses, and 1 cancellation. What hurt us tremendously was the lack of depth. There is very little you can do with 13 men. The way that it was, we had 11 iron men who played every game and pity one of them if he ever got injured because out of necessity, he had to stay in there. The lack of scrimmage hurt us terrifically. We had to run our plays against dummies, a poor excuse for a hard hitting opponent. If we had a chance to scrimmage, we could have ironed out many of the flaws that slowed us instead of having them emerge in a game, when nothing could be done about them. Football is a man's game and unless some of the able-bodied men (?) of the high school get out on the gridiron and show what they're made of, Provincetown isn't going to have a team much longer. One consolation is the performance of the Junior Varsity. Those boys performed well under the conditions they were exposed to and the outlook is bright.

Robert Keane, '58

# Baseball

*First row:* George Lemos, Francis Silva, Thomas Dirs, Christopher Perry, Ronald Lopes  
*Second row:* Mr. Joseph Condon, coach, Peter Dalpe, William Patrick, Philip Prada, Robert Keane, Thomas Days, Joseph Taves

In the forthcoming season, Coaches Joseph Condon and William Costa have the nucleus of a very experienced team. This is based on the fact that they lost only Warren Alexander through graduation. This year's team will be composed mostly of Seniors and Juniors, with a few lower classmen. The pitching staff should be very strong with the return of Phillip Prada, Thomas Days, Joaquin Duarte, and George Lemos, all veterans from the previous season. Other returning veterans are Robert Keane, William Patrick, Joseph Taves, Ronald Lopes, Peter Dalpe, Francis Silva, Clarence Andrews, and John O'Donnell. Possible candidates for the team are Robert Keller, Lorin Ross, Christopher Perry, David Brown, and Donald Fiset.

Once more, Provincetown will compete against Orleans, Harwich, and Chatham for the small school title and will play non-league games against Bourne, Yarmouth, Falmouth, and Barnstable. Coach Condon is trying to arrange a few practice games with teams from off the Cape to give his players experience before the season commences. He is also organizing a Junior Varsity schedule with the other teams on the Cape.

The boys will be out for revenge this coming season for the losses they suffered last season, through the lack of experience. If the team works hard under the coaching of Mr. Condon and Mr. Costa, they will come up with a winning combination which will be very hard to defeat.
