THE

LONG POINTER

NINETEEN HUNDRED AND SIXTY

Published By The Senior Class
PROVINCETOWN HIGH SCHOOL
Provincetown, Massachusetts

It gives me a great deal of pleasure to add my congratulations on the occasion of your graduation. Because many of you were in my first class, as a teacher in Provincetown, I feel a particular closeness to you.

May all of you find happiness and success in the career that you have chosen as your future.

Mr. Roche
Superintendent

FROM OUR ADMINISTRATORS

Mr. George F. Leyden
Principal

I wish to extend my heartiest congratulations to the members of the class of 1960. May the future hold success and happiness in great abundance for you. May the training and knowledge you have acquired during your school years help you to the fulfillment of a fruitful and useful life.

SCHOOL, HOME, AND CHURCH

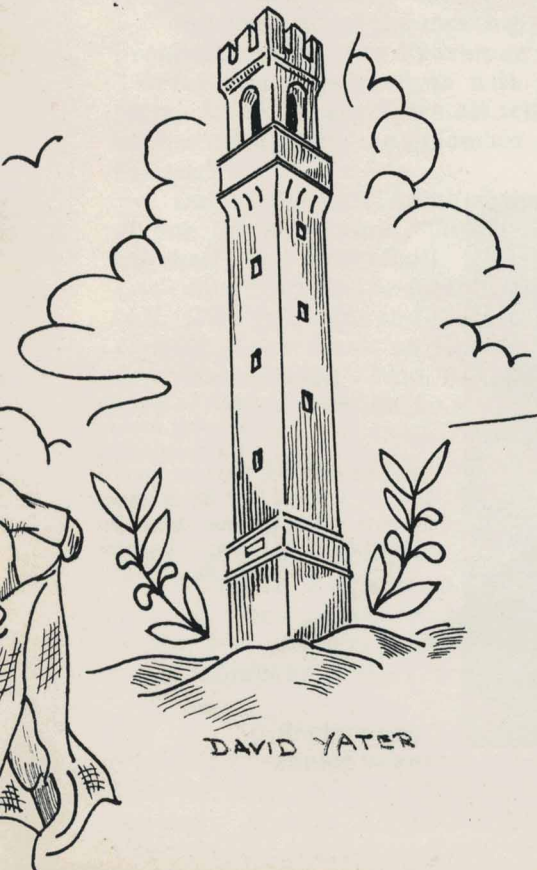

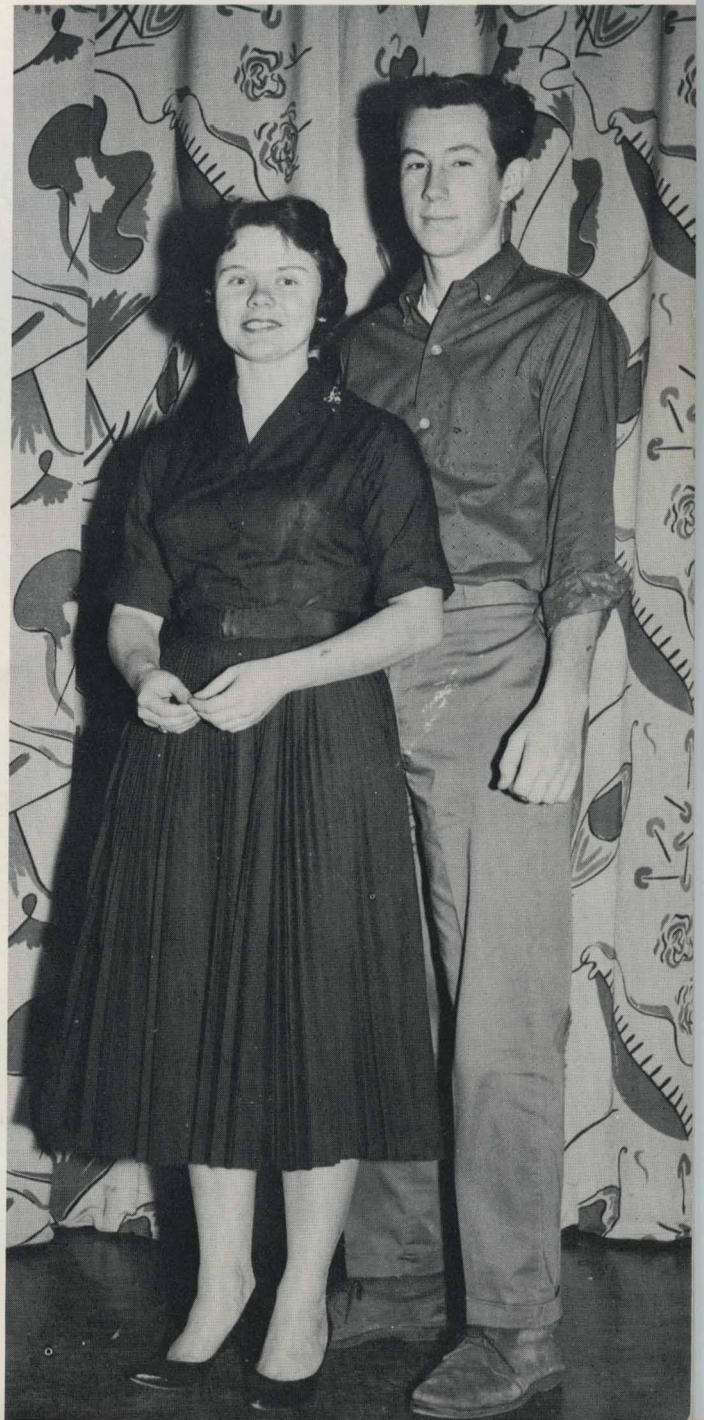

All educators agree that the objective of a school is to train pupils for worthwhile living. How well the school accomplishes this objective can only be determined, after many years, by the kind of "living" the graduate does.

The three institutions vital in the training of an individual are, the school, home, and church. The school can not be responsible for all the training. As we became more mature, we realized and appreciated more and more all the things that our school has done for us. We have learned not only the importance of a good education but also how to work with other people, how to live with them, and how to get along in this competitive world of today. We are deeply grateful for the training we have received from our teachers.

We are just beginning to realize the importance of the understanding and constant guidance of our parents during all of our years at P. H. S. As a group, we are indebted to them for their efforts with our many activities. Our school and parents have done their jobs well. It is now up to us. If we fail to become good citizens, we alone are responsible.

The Long Pointer is a school yearbook with emphasis on the activities of the graduating class. Records of the athletic teams, class pictures, and the highlights of the school's many activities have been included. The Long Pointer Staff is deeply indebted to Miss Kathleen Medeiros and Mrs. William Rogers for their help in producing the 1960 Long Pointer. Without their help, this book would have not been possible.

SENIOR CLASS HISTORY

Senior Class Officers

Seated - left to right - Carol Ramey, president; John Russe, vice-president. Standing - left to right - Miriam Martin, secretary; Sharon Harvey, treasurer.

Freshman Year

On September 5, the class of 1960 anxiously climbed the high school stairs to meet our homeroom teacher, Mr. John Williams. We conducted our first class meeting two days later. The following officers were elected: John Hurd, President; Carol Ramey, Vice President; Joseph Corea, Treasurer; and Miriam Martin, Secretary. Joaquin Duarte and Leona Sutura were elected to represent us on the Student Council. Mr. William Costa was our choice for class advisor.

Not long after the meeting we started preparations for the Freshman Reception. The Seniors presented us with paper diapers. After the event, we all felt as though we had finally become a member of the high school.

During the year some of the members of our class became athletes in football, baseball, and basketball. John Hurd and Lawrence Souza made their letters in football. George Lemos and Joaquin Duarte represented our class on the baseball team. Gordon Ferreira, Paul Ferreira, George Lemos, and Manuel Souza made the basketball squad. Yvonne Cook, Carmen Passion, Carol Ramey and Lana Valentine were proud to be members of the girls' basketball squad, which won the championship of the Large School League that year.

Gordon Ferreira, Linda Gilmore, George Lemos, Harold McGinn, Carmen Motta, Wayne Perry, and Manuel Souza became members of the school orchestra.

Sophomore Year

Our Freshman year was behind us now. In September, 1957, the Sophomores elected as class officers: John Hurd, President; Carol Ramey, Vice President; Yvonne Cook,

Treasurer; and Miriam Martin, Secretary. Our class colors were red and white and our class dues increased to 75¢ per month. We were very happy to have Mrs. Phebe Rogers as our class advisor.

The class worked so energetically selling magazines, that for the first time in years, we topped all other rooms in the annual magazine drive.

Our representatives on the honor roll were Brenda Andrews, Linda Gilmore, Walter Hauer, Miriam Martin, Carol Ramey, and Lana Valentine.

Additions to the football squad from our class were: Joaquin Duarte, Robert Keller, George Lemos, Bernard Nunes, John Russe, and Manuel Souza.

On the boys' basketball team were David Brown, Robert Keller, George Lemos, Bernard Nunes, John Russe, and Manuel Souza. We were all very proud of the undefeated girls' basketball team which became the Cape Champions. Sophomores were Cynthia Tarvers, Natalie Patrick, Carol Ramey, Linda Gilmore, Carmen Passion and Naomi Tarvers. Once again George Lemos represented us on the baseball team.

Sharon Harvey, Judy Rann, Wilma Vizard, and Walter Hauer became members of the class. We were sorry to lose John Hurd and Benjamin Pitman.

Among the other activities, we conducted a successful cake sale. Before the close of school in June, we had ordered our class rings.

Junior Year

We found ourselves electing the following officers for our Junior year: Carol Ramey, President; Gordon Ferreira, Vice President; Sharon Harvey, Treasurer; and Miriam Martin, Secretary. Joaquin Duarte and Robert Kellar were Student Council representatives. Again, we were fortunate in our class advisor. Mr. Edward Dahill was the unanimous choice of the class to guide us through that important year. We decided it was time to seriously endeavor to raise funds, if we were to enjoy a trip to Washington in our Senior year.

A successful cake sale and the sale of refreshment at home games added money to

Freshman Reception

the class treasury. What would we have done without Mr. Dahill to help us organize and keep us working?

Joye Morris, Louise Perry, Josephine Rabbitt, Carol Ramey, and Wilma Vizard made the honor roll and we were proud of them.

Many members of our class represented us in the sport field. Joaquin Duarte, John Garran, David Rivard, John Russe, Lawrence Souza, and David Yater, all played very creditable football. The Juniors who were major factors in the success of the basketball teams are: Gordon Ferreira, Robert Keller, George Lemos, Bernard Nunes, David Rivard, John Russe, and Manuel Souza. The girls who made the girls' basketball team were: Carmen Passion, Natalie Patrick, Carol Ramey, Theodora Santos, and Cynthia Tarvers. Representing our class very capably were Sharon Harvey and Lana Valentine as cheerleaders.

We were sorry to lose Yvonne Cook, Irene Anderson, Henrietta Andrews, Cynthia Phillips, Jesse Roza, and Thomas Reis.

The big night of the Junior Prom finally arrived. All the boys as well as the girls looked very nice. Mel Von's orchestra added just the right touch for a perfect evening. Carolyn Rowe and Bernard Nunes were elected king and queen of the Prom. Pictures were taken at the prom by Quinn Studios, so that each member could have a memento of a memorable evening.

Senior Year

We finally reached our goal and became "Mighty Seniors". We elected as class officers: Carol Ramey, President; John Russe, Vice President; Sharon Harvey, Treasurer; and Miriam Martin, Secretary. Lana Valentine and Jane Alexander represent us on the Student Council. Our class colors are blue and white. We were indeed fortunate to obtain the invaluable assistance of Miss Kathleen J. Medeiros as class advisor.

We began the year by sponsoring the Freshman Reception. We gave the Freshmen lolly-pops with ribbons decorating them and we presented carnations to both Senior

and Freshman Class Officers. The dance proved to be a success. Another activity of the Senior Class was the chicken pie supper. We would like to express our appreciation to those who attended our supper and to all the people who helped to make it such a tremendous success.

Our representatives on the football squad were: Joaquin Duarte, Lawrence Souza, Neil Hastings, David Brown, David Rivard, and John Garran. Cheerleaders from the Senior Class were: Lana Valentine, Sharon Harvey, Carolyn Rowe, Carmen Motta, and Cynthia Tarvers as an alternate.

Other activities of the year were several cake sales, raffles, and the sale of Christmas cards.

Our class trip in April is the high point in our Senior year. I'm sure we shall all have a good time in Washington and New York.

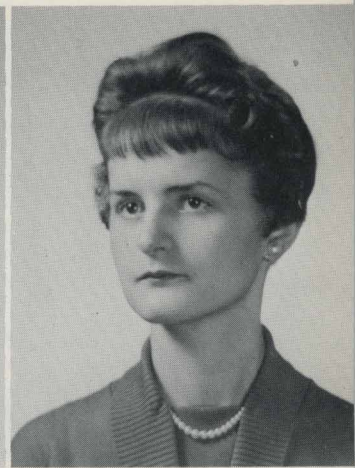

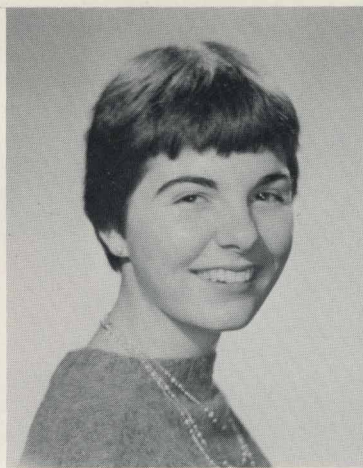

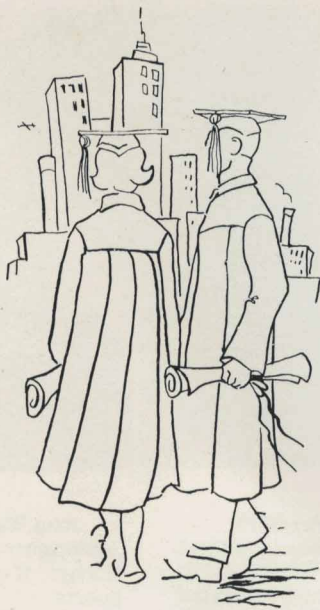

I'd like to take this time to acknowledge, in appreciation, the services of the Seniors, who participated in the chicken pie supper, which was given for the benefit of the Veterans' Children's Christmas Party. They were Marianne Aresta, Naomi Tarvis, Jane Alexander, Carol Ramey, Josephine Rabbitt, Sharon Harvey, Martha Turner, Elizabeth Silva, Cynthia Tarvers, Miriam Martin, Carmen Passion, Brenda Andrews, and Leona Sutera.

We are sincerely grateful to all the teachers and parents who did so much for us. We are especially grateful to Miss Medeiros for her competent guidance, her unlimited patience, and for the devotion of so many, many hours of her energy and time in helping us to achieve our goals. Without her guidance, we know that we would have been unable to have completed our plans for our trip to Washington or this edition of the Long Pointer.

We shall leave P. H. S. forever in June but we shall always remember the happy years we spent here. We will never forget the wonderful years that both our teachers and our parents have made possible for the Class of 1960.

SENIOR CLASS

The Time-----Summer
The Place-----The Provincetown Costume Ball
Dramatic Personae-----Class of 1960

Hey Pat! What are those peculiar looking objects over there? Who, or what do you think they are?

I don't know Mike, why don't we go over and ask them?

Mike acquiesced after some persuading and we went to investigate these characters that resembled Martians.

The outward appearance of the first person that we encountered was intriguing. Who was this individual wearing a very long skirt with a lace fichu? We crept up to the apparition and found it was Joe Corea, alias Lord Fancourt Babberley.

As we walked along, we met a vision of loveliness, but as we moved nearer we detected a most peculiar odor, and Mike, do you know what? It was Leona (Sabula) Sutura.

Hey, Pat! Is that just a mouth over there or is there a face attached? Let's go over and peek! Oh dear me! It's Carmen Motta!

Look Mike, although it's summertime, we have quite a representation of the wintry season of the year. Over there is someone enclosed in three white balls, the largest on the top and the smallest on the bottom. Mike, look, it has just managed to turn around! Why it's Carol "Frosty" Rowe, 'n' Mike, do you know who has been helping "Frosty" to keep her costume white with Snow?

Pat, I've guessed. It must be Sharon Harvey, she adores Snow.

Hey, Pat! Talking about winter reminded me of what I just heard while you were remarking about the Snowman. Christmas music!! Pat I'm not kidding. Look, here comes Phyllis Patrick attempting to sell us some Christmas articles from the Noel Shop. (Later) Hey, Pat, Why do we need a Christmas tree in the middle of summer?

I was so glad when I saw a walking palm tree bringing back the warm summer atmosphere. Even if Larry "Happy Wanderer" Souza had a short vacation, he must have happy memories of that beautiful climate.

Eek Pat! Is that a toad, or a frog or what? Save me!

Relax, Mike. It is only Joye Morris, called after that harbinger of Spring, Peepers.

Mike, Mike, It's happening, its got big ears! What is it?

Pat, don't tell me you're afraid of Bunny Rabbits!

Oh, I ran into a man with the most perplexed expression covering his face. He had a large notebook in his hand. As he walked by, I couldn't seem to recognize him but I did get a glimpse of the title of the book. It was entitled Wallys' Problems by Walter Hauer. Remember him in Problems of Democracy. I guess he never did solve them.

Pat, is that someone coming over here?

Yes, Mike. I think he is. Let's wait and find out what he wants.

Ten minutes later-----Pat, I'm still waiting for that person to come over here. Shall we go and meet him? Why it's patient David-"I-forgot" Yater.

Our costume party was temporarily interrupted by a telephone call from Marianne Aresta who thanked us for her invitation. She said, however, she had to return to her ole Homestead and would be unable to attend.

My goodness, who is that person who looks like John Adams? I wonder---hum! Why she's coming this way and---it's Carol Ramey, the second President of the Class of '60. She's now teaching at the Kalmar Kindergarten. (She always did like children you know.)

I also saw someone who had what looked like a Hedda Hopper hat with a fruit and wig collection adorning it. When I looked at her other garments, I noticed she wore a white grocery store jacket with the initials G M on the lapel. I guess Miriam Martin and Gallagher are giving the A&P supermarket some competition.

Later, Brenda Andrews came in and told of her latest operation. (Oh! not another one!) To our surprise and pleasure, Brenda told us Jane Alexander was the nurse who had attended her. Well, Jane always did like to cut up frogs anyway.

Pat, Is that an old prospector over there? Let's go over and see.

Why bother, Mike. I know it is only Carmen Passion. She always has been after Silva you know.

Who's that nonchalant person over there. Why it's Cynthia...Tarvers with an E. She's presently selling golf balls in the 5 and 10 cent store. She was always athletically inclined.

Yeek! Mike, what happened to the lights? I'm afraid of the dark, especially with all these weird looking characters wandering around.

Relax, Pat, I just heard that David Rivard and Wayne Perry (Everyone's left hand men) are checking the electricity.

Pat, Pat, is that a circus that just entered?

PROPHECY

I don't know Michal. Maybe we should investigate. Yes, look at the two clowns, aren't they amusing!!

Pat let's go over and see them. I have always liked clowns. Pat, the big jolly one is our own beloved class clown, Martha Turner, and look, the slightly dignified one that just did a back flip is.....Louise Perry!!!

Oh, the weight-lifter just came in! Isn't he handsome! Why it's Bobby Keller.

Yes, Mike I hear he is now lifting girls instead of barbells.

Oh! One of the circus animals has gotten out of its cage. Pat save me, I am terrified by big brave lions.

Michal, Don't be ridiculous. It is only shy little Betty Silva.

Heavens, Pat, I thought that the beatniks left Provincetown when our class did, but doesn't that look like a representative of the non-conformists?

It sure does Mike! Mike we are very stupid, it is only George Lemos. Doesn't he call himself the "Big Beat."

Mike, what is it? It looks like someone I have seen before, only four times as large.

Pat, It's only Naomi Tarvis. Don't you remember that she didn't get any graduation pictures of herself for her class mates. I guess she couldn't resist showing it to us now.

Pat!!! It's his royal highness, Bernard Nunes, the King of Bachelor Island. There is really no telling what will happen when you are crowned King of the Prom, is there?

Look, Mike, a great big bottle with legs. Fits our class doesn't it.

No, Pat, you're all wrong its really quite a harmless beverage, called Moxie. I believe the legs belong to Manuel Souza.

Hey, look Pat! What's that person over there doing?

I don't really know but it appears as if he were trying to undo some handcuffs doesn't it? Oh, it's John Russe, I see he's freed Nancy from that undergraduate but I guess he still can't get the handcuffs off her.

Pat!!! Pat!!! Save me I am dying of hunger. I haven't eaten for ten whole minutes!!! Do you suppose they serve food in a place like this?

Sure, Mike, here comes the waiter now.

Pat, that's not the waiter, that's Gordon Ferreira but I hear he is friendly with a very good Cook.

Honestly Mike wouldn't you think these people would grow up? First they played spin the bottle and now, Post-office, isn't that disgraceful!

Pat, for heavens sake it is only Postmaster John Garran....he took his father's place you know. He is not only confusing the mail but also the femals.

Pat! Look! A fight! I wonder who's fighting. I hope no one is injured.

Oh, Mike, don't be silly, it's just Natalie and Joaquin practicing their own form of togetherness. I guess they find it so nice to make up.

Pat, look it comes off!!! Hey! It's a wig and underneath is Kathy Knowlton. I guess she still likes pretty colors but prefers her own brown hair. You know wh + people say, "Variety is the spice of life."

Pat, who's that person over there behind that very literary book. Oh, of course, it's David Brown who is still writing those very amusing stories. I hope they are all as funny as his famous editorial on crime. Wow! What an imagination can create!

Mike, look, isn't he handsome?

Pat, he has a physique like a Greek God. Who is it? Let's follow it and see. Great Scott!!! It's Harold McGinn.

Who's the person in the bus drivers' uniform? It looks like---no---it can't be---it is!!! It's Neil Hastings. He's now taking people on bus tours around the love of his life, the green and white Chevrolet.

Pat, there's one person I have missed. I don't see Jerry Costa.

No, Mike, I have heard that he has gone over the hill to a store in Boston. Sear Robuck, I think, --to purchase a new set of teeth.

Well, Mike, I think it's time you and I went home.

I agree with you, Pat, I am getting rather tired and confused by this motley group.

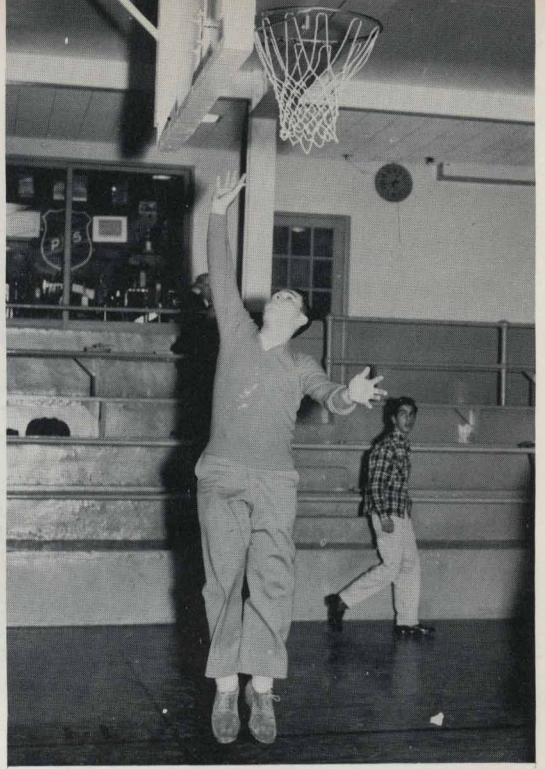

MUCH LATER-----"Hey, who were those two people that were just here earlier?

I don't know I think they were the remnants of some Irish joke. Their names were Pat and Mike.

Harumph!!! I think they were just snooping.

Oh, that's okay, I was doing some research on them, too. Pat has joined the Coast Guard or the Coast Guard has joined her. Mike is still trying to decide what she desired to undertake. Maybe she'll climb the Monument someday. Her brother always gave her competition.

ODDS AND ENDS

UNDERCLASSES

JUNIOR CLASS HISTORY

Edgar Francis, III

FRESHMAN YEAR

After we had entered the familiar brick building on September 5, 1957, as the naive freshman class, we were seen scurrying about the corridors of the Senior High School, wide-eyed, trying not to miss a thing, as we searched for our homerooms.

September 6, 1957 was a memorable day for us. This was the day that we held our first class meeting. At this meeting we elected Judith Ormsby as our president. We may have been new at this sort of thing, but we certainly made a good choice when we chose Judith for our president. For that matter, all of our officers were good choices. We chose Kenneth Gregory as vice-president, Michelle Steele as secretary, and Judith Packett as treasurer. We also elected Christina Segura and Dennis Jones to the Student Council. Mr. John Williams was chosen as class advisor, and our class colors were pink and black.

Next in line of importance was the annual Freshman Reception, during which we, the "babies" of the Senior High School, were officially welcomed to the Senior High School by the "adults", the Seniors. This exciting event was held on September 20, 1957. In order to signify that we were the school "babies", we were given pink and blue doll's shoes. These shoes were pinned on our lapels so that everyone could see them.

We were well represented on the football field by Robert Cordeiro, Edgar W. Francis III, Kenneth Gregory, Charles Mayo, Thomas Prada, and Edwin F. Taylor. The girls representing us on the basketball court were Floralee Alexander, Eunice Cordeiro, Donna Gonsalves, Kathleen O'Don-

nell, Judith Ormsby, Mary Silvia, Martha Souza, Michelle Steele, and Marsha Tinker. We were very proud to have Christina Segura chosen for the cheering squad. She was the first freshman girl chosen for the squad in ten years.

SOPHOMORE YEAR

On September 4, 1958, we, the Sophomore Class, re-entered the Senior High School as the school's "children". We were sorry to learn that we had lost three members, Regina Merrill, Rosemarie Ferreira, and David Duarte. However, we happily welcomed Anthony Downsborough, John Britnall, and William Bond to our ranks.

Because we are an ambitious and energetic class, we held a class meeting shortly after the opening of school. Although we re-elected Judith Ormsby as our president and Judith Packett as our treasurer, we decided to change some of the other officers. We chose Robert Corea, vice-president and Floralee Alexander, secretary. Christina Segura and Edgar W. Francis III were chosen to represent us on the Student Council. Our class colors were changed from pink and black to lavender and black. We unanimously requested that Mrs. Phebe Rogers act as our class advisor.

During the Sophomore year, we were allowed three activities, two dances and one candy sale. Probably our most memorable activity was a Thanksgiving Day Dance. We had the gymnasium decorated in autumn colors. As guest entertainers we had a local group, the "Tremelos". Our "personality-plus" must have really been working that night, for we exceeded, by a large margin, the usual amount of money made at a school dance.

Robert Cordeiro, Anthony Downsborough, Edgar W. Francis III, and Charles Mayo proudly represented us on the football field. The basketball team also had its share of Sophomores fighting for good old P. H. S. The girls were Kathleen O'Donnell, Mary Silvia, Martha Souza, and Marsha Tinker. The boys were Edgar W. Francis III and Clyde Pettit. Christina Segura continued to represent us on the cheering squad.

JUNIOR YEAR

This year, on September 9th, we entered the high school as the "Mighty Juniors". We eagerly sought out old friends and new, and we were quite surprised to learn that we had lost William Bond, John Britnall, Lawrence DeCosta, Ronald Enos, and Marsha Tinker. To offset this loss, we gained a new member to our class, Theodora Santos.

Again we lost no time in calling a class meeting. This meeting was held on September 10th. During the meeting, we changed all but one of our officers. Edgar W. Francis III was chosen as our new president. Judith Ormsby became vice-president and Christina Segura became our secretary. Judith Packett was re-elected as our treasurer. Mary Malaquais and Dennis Jones were chosen our representatives to the Student Council. Before the meeting adjourned, our class colors were changed to green and white, and Mr. Thomas Kane was asked to act as our class advisor.

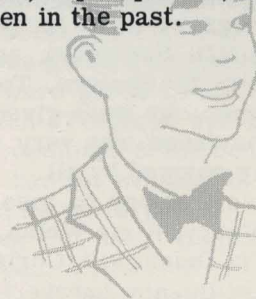

On September 20th, we, the teenagers of the high school, could be seen frenziedly running about the high school. The reason for this excitement was the arrival of our long awaited class rings. Although no different from any of the rings of the previous classes, we thought our rings were the most beautiful ever made.

On November 7th, Mrs. Clara Bedell formed a Social Discussion Group, exclusively for Juniors.

Once again, we were well represented in sports. Juniors who could be seen on the football field were Anthony Downsborough, Edgar W. Francis III, Terrence Kane, Charles Mayo, and Cyril Patrick. Edward Smith represented our class by becoming manager of the football team. The Juniors on the basketball team were Donna Gonsalves, Kathleen O'Donnell, Judith Ormsby, Martha Souza, Robert Co rea, Edgar W. Francis III, David Horton, Clyde Pettit, and Edwin F. Taylor, Jr. Eunice Cordeiro and Edward Smith, the two basketball managers were both Juniors. Christina Segura proudly represented us on the cheering squad.

We are gratified to have seen the names of several of our classmates on the Honor Roll. A Junior, Donna Gonsalves, has made the High Honor Roll several times. Those who made the Honor Roll are Eunice Cordeiro, Edgar W. Francis III, Donna Gonsalves, Nancy Kelly, Judith Packett, Janet Santos, Leslie Santos, Christina Segura, Michelle Steele, and Marsha Tinker.

We have but one hope, and that is, that our future years at P. H. S. will find us as united, as clever, as prosperous, as modest, as we have been in the past.

SOPHOMORE CLASS HISTORY

Ruth Cabral

On September 4, 1958, we, the shy Freshmen, anxiously entered the halls of the Senior High. After locating our home rooms, we were introduced to our home room teachers, Mr. Williams and Miss Medeiros.

At one of our first class meetings, we elected class officers. We elected the following students as officers for our Freshman year: President, Nelson Rodrigues; Vice-President, Charles Souza; Secretary, Nancy Souza; Treasurer, Jane O'Donnell; and Christopher Perry and Manuel Duarte were to represent us on the Student Council. Red and white were chosen as our class colors, and Mr. Williams, as class advisor. Our class dues were fifty cents per month.

Soon after we were settled in our new surroundings we were invited as guests to the Freshman Reception, an annual event sponsored by the Seniors. To distinguish us as Freshmen, we were given carnations to wear. The dance was very successful and thoroughly enjoyed by all.

We were sorry to lose Robert Hurd, William Perry, Alma Welsh, William Gunther, Maria Daigneault, Christopher Perry, and Donald Bushey but were happy to welcome to our class Margaret Strachan, Merrill Jordan, Stuart Montgomery, and Carol Thomas.

Representing us in the sports field were Christopher Perry, David Gracie, Michael Kacergis, Elvio Rodrigues, Nelson Rodrigues, John Vizard, Richard Perry, and Peter Dalpe on the football squad; Thomas Thomas was manager of the team. Patricia Ferreira, Nancy Souza, Jill Pires, Alma Welsh, Cheryl Santos, Eileen Knowlton, Judith Leonard and Ruth Cabral on the girls basketball team. On the boys' team, were Christopher Perry, Peter Dalpe and Charles Souza.

By selling chances on a driftwood lamp, we began to earn money for our treasury; thus, our Freshman year, an enjoyable and profitable year, ended.

On September 9, 1959, we, the new Sophomores, started our second year of High School.

We elected our class officers within a few days. The officers chosen to lead our class throughout our Sophomore year were: President, Nelson Rodrigues; Vice-President, Manuel Duarte; Secretary, Georgianna Motto; Treasurer, Jane O'Donnell. Margaret Strachan and Thomas Thomas were elected to represent us on the Student Council. Class colors were green and white and we were fortunate to secure Mrs. Rogers as our class advisor.

We were proud to have Nelson Rodrigues, Elvio Rodrigues, John Vizard, Peter Dalpe, Gerald Timpani, Richard Perry and Michael Kacergis to represent us on the football squad.

The class is unusually proud of the fact that Nancy Souza was chosen to represent our group on the cheering squad, a true honor for a Sophomore.

To add to our fast growing treasury, we decided to sell chances on a food certificate and hold a candy sale for our two Sophomore class activities.

FRESHMAN CLASS HISTORY

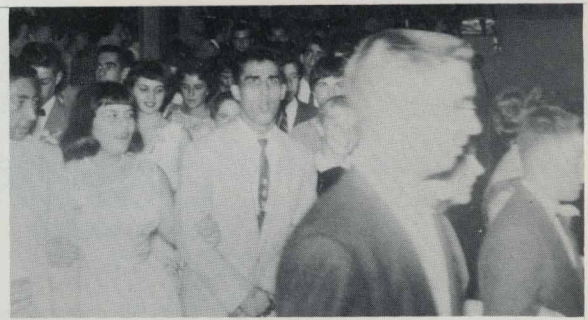

With palpitating hearts and tongues in your cheeks, fifty-seven Freshmen entered the upper halls of Provincetown High School on September 9, 1959. For two years we had been looking forward to the time when we would become members of the Senior High School; yet September 9th found us not only eagerly excited because that time had finally arrived, but also with "butterflies in our stomachs." The first three days, we almost won the title of "Little Wanderers" because of our difficulty in learning where we should be throughout the day. On the third day, however, we had become veterans.

The Freshman class was assigned to Room 10 with one of our new teachers, Mr. Clayman, as our home room teacher.

Endeavoring to retain our efficient reputation of Grades 7 and 8, we held our first class meeting on September 10th. At that time we elected the following officers: President, Helen McCabe; Vice-President, Sharon McCarthy; Secretary, Bonnie Steele; Treasurer, Louise Patrick; Student Council, Sandra Lemos and William Rogers. Mrs. Irene Silva agreed to be our Class Advisor, a decision that unanimously pleased the Class of '63, as we felt we couldn't have chosen a better advisor. Our dues were set at \$1 per month. Thus, our high school career commenced.

The Senior Class continued the custom of giving a reception to the entering Freshman class. The Freshman Reception was

William Rogers |

held on September 24. We believe, that this Freshman Reception outdid all previous receptions, because of the united efforts of the Senior Class to make it one to stand out in our memories. The gym was gaily decorated. The Grand March was lead by Carol Ramey, '60, President and William Rogers, '63, (Student Council representative). Each class officer was given a carnation to wear and lollipops were given to the remaining Freshmen. Each Freshman was treated so royally by the members of the Senior Class that everyone had an evening of pleasure that they would never forget.

Maintaining the usual high scholastic standards for our class were: William Rogers, High Honor Roll; Elizabeth Bennett, Carl Cummings, Georgianna Edwards, Helen McCabe, Sharon McCarthy, Carol Salvador, Catherine Serpa, and Gloria Taves, Honor Roll.

Richard Burhoe, Peter Codinha, Roger Hathaway, Robert Peters, and Nolan Williams displayed their physical ability on the football team.

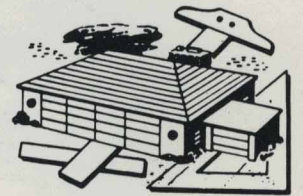

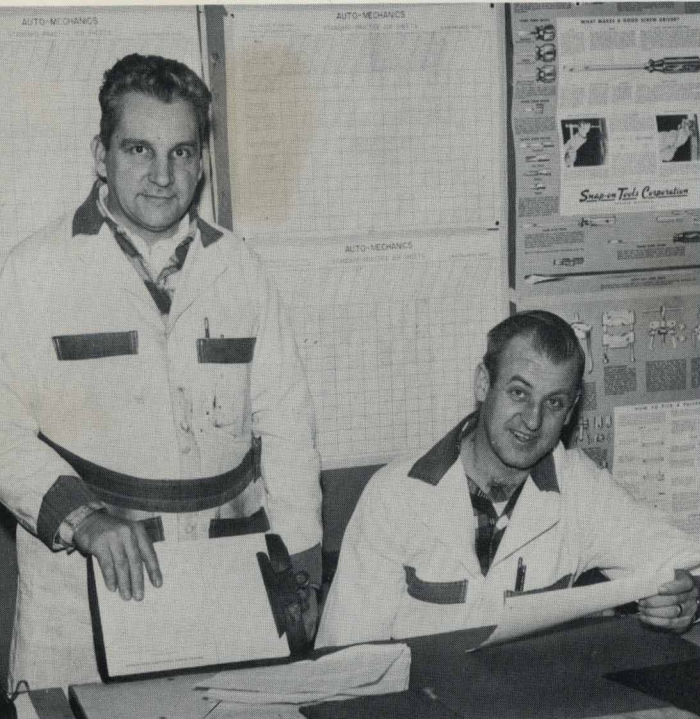

The basketball season found Richard Burhoe, William Gordon, Lewis Samuels, and Douglas Wheeler representing our class on the boys' team and Georgianna Edwards, Sandra Lemos, June Peters, June Philips, Carol Salvador, Catherine Serpa, Sandra Smith, Donna Souza, Gloria Taves, and Marguerite Vasques on the girls' team.

RESUME

This world-famous farce has moved millions to tears of laughter. Jack Chesney, violently in love with Miss Verdun, and Charley, equally fascinated by Miss Spettique, invite the young ladies to their rooms for luncheon -- in order to meet Charley's wealthy aunt from Brazil ("where the nuts come from"). But alas, the millionairess sends word that she will have to defer her visit for a few days. What is to be done? The college students will not give up this opportunity of declaring their love. The problem is solved by forcing another Oxford undergraduate to impersonate Charley's Aunt. As Charley's Aunt, he is then introduced to the sweethearts, to Jack's father (who is advised by his son to marry her millions) and to Stephen Spettique, Amy's guardian. The sweethearts hug and kiss Charley's dear old aunt; Mr. Spettique and Colonel Chesney make love to her. Then the real aunt, Donna Lucia d'Alvadorez, Colonel Chesney's old sweetheart, accompanied by her adopted niece, Ela Delehay, Lord Babberley's sweetheart, arrives and assumes another name. In the comic confusion which results, young Lord Babberley, posing as the

aunt, tricks Stephen Spettique into agreeing to the marriage of Amy to Charley, the real aunt marries Jack's father, Jack gets Kitty, and "Charley's Aunt", Lord Babberley, regains the fortune he lost at gambling and obtains the hand of Ela, the girl he loves.

We are sincerely grateful to Mr. Staniford Sorrentino for the time and effort he spent in helping us to produce Charley's Aunt, and to Mr. Fredrick Shaw for his supervision of the scenery. The musical numbers, suggested by Mr. Staniford Sorrentino, and sung by the members of the cast, gave the play an added touch of enjoyment.

The play was not only a dramatic success, but also gave the Senior Class the balance of funds needed for the annual class trip, in April, to New York and Washington, D. C.

The Class of '60 sincerely thanks everyone who participated in any way to make our production one that will never be forgotten.

SENIORS SCORE SUCCESS WITH REPRESENTATION OF "CHARLEY'S AUNT"

SENIOR CLASS PLAY CHARLEY'S AUNT

Among the many memorable events of the senior year, the Senior Class Play seems to stand out in everyone's mind as something to remember always. Even after all the hustle-bustle of finding a suitable play, casting it, and the hours of memorizing and many more hours rehearsing, it seems so rewarding to look back and to laugh at the realization of all the fun we actually had while working without our classmates--such a play is Charley's Aunt, a three act farce, written by Brandon Thomas. We were very fortunate to have Mr. Staniford Sorrentino, as director, and Mr. Fredrick Shaw, as scenery manager.

CREDITS

Special credit should be given to Michal Thomas and Cynthia Tarvers for their work as prompters and stage managers, and Carolyn Rowe who gave her time to make-up. Without the invaluable assistance of the other members of the class, who worked on the lighting, poster, program, ticket, fudge, and usherette committees, the play could not have been the success that it was.

STUDENT COUNCIL

The Student Council of 1959-1960, under the excellent supervision of Mr. Murphy, has accomplished many things. At our first meeting in mid-September, we selected our officers for the year. They are as follows:

Pres.-Vice-Pres. Jane Alexander
Sec.-Treas. Lana Valentine

The members of the council are as follows:

Jane Alexander	Senior
Lana Valentine	Senior
Mary Malaquis	Junior
Dennis Jones	Junior
Margaret Strachan	Sophomore
Thomas Thomas	Sophomore
William Rogers	Freshman
Sandra Lemos	Freshman
William Tinker	Grade 8
Beverly Thompson	Grade 8
Barbara Gaspa	Grade 7
Linda Corea	Grade 7
Winthrop Farwell	Grade 7

Shortly after this, we held our next important meeting. At this meeting the Student Council selected the cheerleaders for the school year of '59-'60. The following people were finally chosen:

Co-captains	Christina Segura
	Sharon Harvey
Regulars	Lana Valentine
	Nancy Souza
	Carol Rowe
	Carmen Motta

Substitutes Michelle Steele
. Cynthia Tarvers

Once again we supervised the election of a Senior High School student to represent us on Student Government Day, April 1, at the State House in Boston. Miriam Martin, a senior, won the election by a large plurality.

As usual, the football team from Nantucket came for a weekend. The Student Council, the members of the home team, and our cheerleaders were asked to have at least one person from Nantucket as a guest for two nights. The Nantucket team and cheerleaders arrived on Friday and stayed until Sunday. The Student Council sponsored a dance, Saturday night, to entertain the girls and boys from Nantucket.

In January, representatives from various communities in Massachusetts came here to evaluate our school. These representatives were chosen by Mr. Clarence Chatto of the New England Association of Colleges and Secondary Schools. The evaluation committee inspected everything from the heating system to the course of study offered to each class for the year. For three days, they worked from 7:45 A. M. to 10:30 P. M. Their written report of our school, curriculum, our administration, etc. was later sent to the school.

This year, instead of having our annual Christmas Semi-Formal, the Student Council gave a Valentine's Dance, which was held in the school gym. It was a semi-formal affair and the Seniors had charge of the refreshments. The proceeds from that dance went towards our annual Sports Night.

Sports Night is held once a year. At this affair the trophies, sweaters, and

letters for athletic achievement are awarded by the American Legion and the Woman's Auxiliary to qualified students. In order to qualify a student must have participated in football or basketball.

The Student Council was very prosperous this year and has done a great deal for the school.

BAND AND ORCHESTRA Gloria Taves

In September, Mr. Staniford Sorrentio started his fifth year as music director of the P. H. S. band and orchestra.

For the first two months, the band studied and practiced martial music in preparation for the football games. Their spirited music could not help but inspire our boys, especially in the games against Nantucket and Barnstable.

Following the football season, the orchestra began rehearsals of suitable music for the Christmas assembly. The Glee Club and the orchestra also combine their talents and rendered a medley of appropriate hymns and carols at the Christmas assembly.

Early in the new year, the orchestra started preparation for the annual spring concert which is held in May. Here, before their friends and family, the orchestra demonstrated their abilities and improvements of the past year.

Besides supplying the music for the Senior class play and other school activities, the orchestra performed at the Class Day and Graduation Exercises.

The personnel of the P. H. S. band and orchestra are:

Seniors: George Lemos, clarinet; Leona Sutera, violin.

Juniors: Eunice Cordeiro, piano.

Sophomores: Peter Dalpe, drums.

SPIRIT AND MORALE HIGHLIGHT

With only twelve candidates reporting for practice, the 1959 football season at P. H. S. did not look promising.

Through the combined efforts of Mr. Leyden, Mr. Murphy, and our coach, Mr. Aresta, twenty-six football players were recruited.

Starting our practice scrimmage games a week and a half late and with a completely inexperienced team, we were far from being ready for our first game, but had to play it. It was our first defeat in a string of seven straight. It seemed that we were always a week or two behind our foe in one place or another.

During the entire season nothing seemed to be to our advantage. Whenever we needed a break, it just wasn't there.

Despite all our setbacks and our de-feats, the team's spirit remained unbeliev-ably high. Only once were our boys dis-couraged, and that was when we lost to Nan-tucket with a score of 8-6. The loss was particularly disheartening because we knew that this had been our only chance to win a game and we had lost it by only two points.

An outstanding characteristic of the team of "59" was the excellent record of each member at every practice. The team of "59" was the only team in six years that was able to scrimmage among themselves because of the faithful attendance of the twenty-six men. The team had the distinc-tion of scoring more points than had been scored in the previous two years.

Mr. Aresta deserves much credit for his first coaching year at P. H. S. as head coach. He did his job alone, yet successfully accomplished the work of two coaches.

Upon reflection, though we didn't win this year, the season could be considered successful. Through the combined efforts of the team of "59", football at P. H. S. has been preserved for another year.

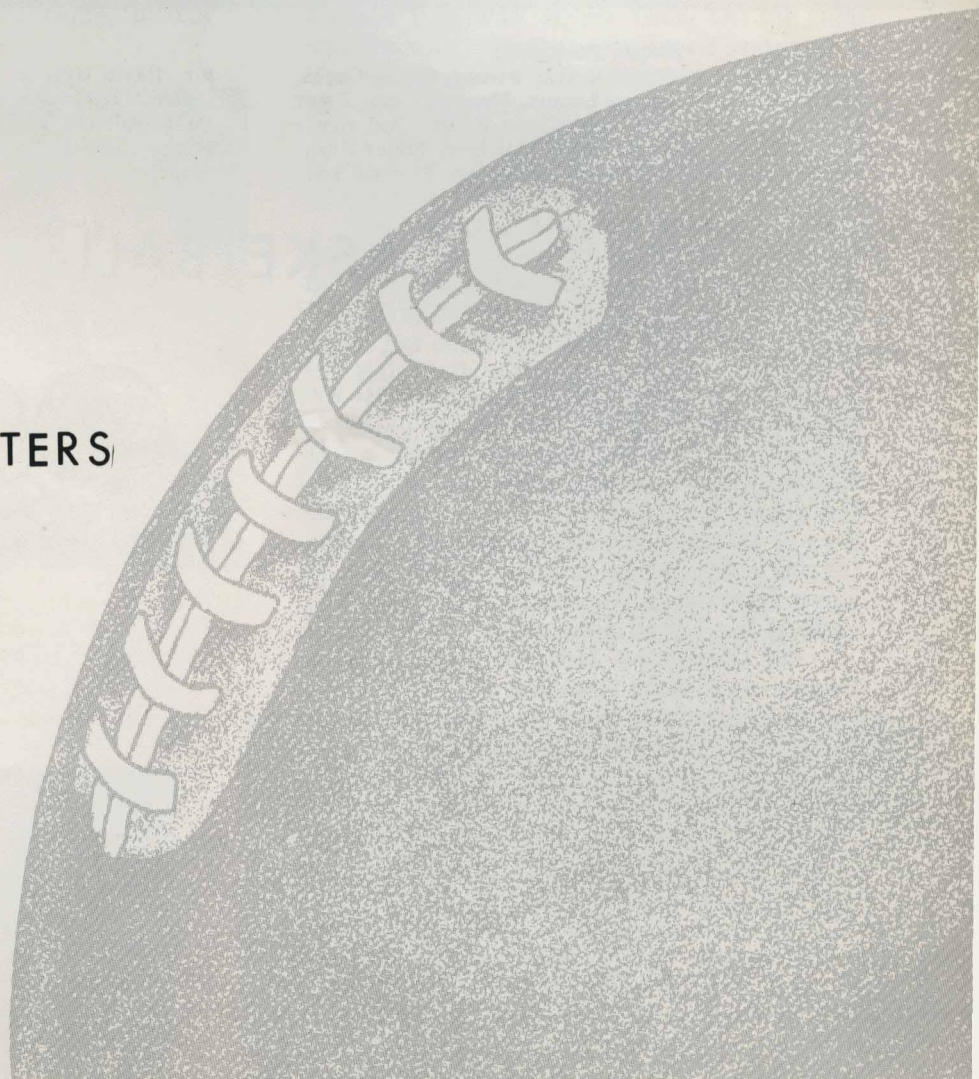

Provincetown, once, one of the largest schools on the Cape, is now out classed by

Regional Schools, but even under these disadvantages, the football team made everyone proud of them through their fighting spirit.

According to the grapevine, with the spirit and courage exhibited by the team of "59", and with the support of our student body and faculty, we can and will send a team from P. H. S. on to victory, regardless of competition.

BASKETBALL

BOYS' BASKETBALL

The first game of boys' basketball was looked forward to with much anticipation by all. The nucleus of the previous year's varsity team had become almost nil, because of the graduation of six players, along with the loss of Christopher Perry, who had transferred to St. John's Academy. Although we were flooring a practically new team, the outlook for a good season was predominate.

On December 15th, we traveled to Dennis-Yarmouth Regional High School for the first game of the '59-'60 season. We were bitterly defeated by a score of 67-37.

On December 18th, we were hosts to Bourne. Led by the scoring power of Driscoll and Cunningham, we were once more to feel the sting of defeat. The final score being 60-50.

We were all, at this point, very eager for our first win. Chatham was our next game scheduled to be played on their court. Led by the scoring of Bruce Corea with 23 points, we emerged victorious--the final tally 56-51.

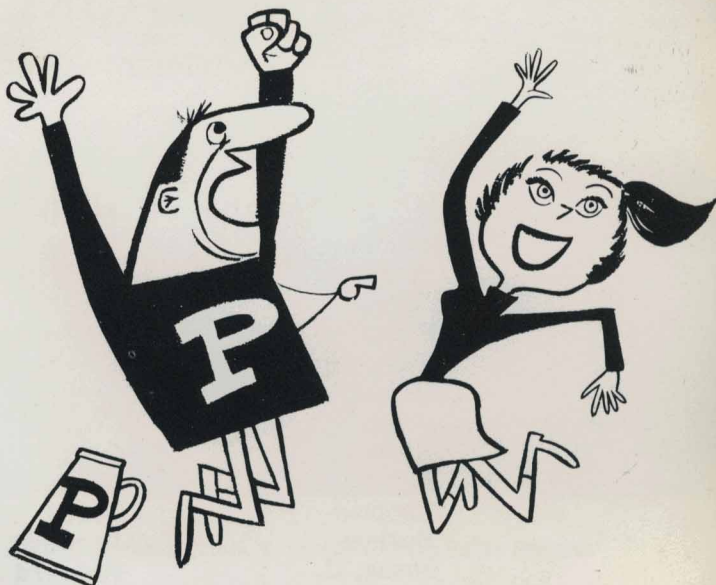

Our worst defeat of the season was on January 9th, when we journeyed to Barnstable High School. It was one of those nights that nothing went well for us and nothing could be wrong for our opponents. The outcome was bitter loss of 85-38.

On January 12th, we played Harwich High School on our home court. The Harwich Five led by Rose scoring a total of 35 points sent us to defeat with a final score of 57-45.

Although, our defeats outnumbered our wins, the spirit of the team was stronger than ever. We were to play Dennis-Yarmouth on our home court on January 15th. Although, we were again defeated by the Green Dolphins, we had let them know that they had been in a ball game. Producers and Daley scoring 22 points each led the winners, while Bruce Corea scored 34 points for Provincetown. The final tally was 87-73.

On January 19th, we were to play our first game against Nauset Regional in their new school. Led by Bruce Corea and Louis Samuels, we emerged victorious, beating them 52-46.

Our easiest victory was on January 22nd, when we were hosts to Sandwich High School romping them 63-31.

On January 26th, we again played on our home court against Chatham High. It was a game that was either team till the final whistle when Chatham emerged victorious. The victors were led by Eldridge and Fleming with 24 points and 18 points respectively while for Provincetown Bruce Corea and Manuel Souza had 16 points each. Final score was 64-62.

On January 29th, we traveled to Falmouth and had a victory of 63-58. Although the Maroon had a rallying third quarter, it was not enough to pull through. Bruce Corea again led our home team while Phillips led for Falmouth with a total of 25 points.

At the time that the Long Pointer goes to press, there are still four games left to be played this season including the Alumni, Sandwich, Harwich and Nauset Regional. Our record, so far, is good, for we are tied for second place in the Small League. Having three wins out of four games, our confidence and hopes are very high that we will be entered in the Principals' Tourney on February 19th.

CHEERLEADERS

On Tuesday, September 23, 1959, several enthusiastic and nervous girls filed into the P. H. S. auditorium for the annual tryouts for the cheering squad. Sharon Harvey, Lana Valentine, and Christina Segura, who had been cheerleaders for the 1958-1959 season performed a model cheer which was used as criteria not only for the girls who were aspiring to be selected but also for the judges. Members of the Student Council were the judges. After several groups of girls had demonstrated their abilities, it was decided by the Student Council to postpone the tryouts until the following day because of the absence of several members. On Wednesday, September 24, the tryouts were again performed for the Student Council. At this time, the following cheerleaders were chosen: Carmen Motta, Sharon Harvey, Lana Valentine, Carol Rowe, Seniors; Christina Segura, Junior; and Nancy Souza, Sophomore. Cynthia Tarvers, Senior, and Michelle Steele, Junior, were chosen as alternates to cheer at all home games and whenever any girl was unable to attend.

The co-captains, Sharon Harvey and Christina Segura were elected and rules were made for the coming year. During football season, we held practice on Mondays, Tuesdays, and Fridays, but during basketball season, practice was held on Mondays and Thursdays. A pep rally was held in the gymnasium during the middle of the football season.

On October 10, 1959, the Nantucket football players, coaches, arrived with their cheerleaders to play our football team on the next day. The game, played during one of the heaviest rainstorms ever experienced, resulted in a victory for Nantucket. Although we had lost, everyone managed to

smile and enjoy themselves at the dance given for the visiting team that night in the gym.

The most important project of the cheerleaders this year was the decision to raise money for the purpose of purchasing new uniforms. Because of several unforeseen difficulties, we were unable to purchase them this year but the money, which was raised by sponsoring dances, is to remain in the treasury until next year, at which time we will have overcome our difficulties and be able to purchase them.

Although basketball season has not yet ended, we have had several victories along with several defeats. The cheerleaders endeavored to raise the spirits of our teammates, when they seemed discouraged and whenever our team was on its way to victory, we tried to keep their spirits "right up there". Next year, several cheerleaders will have graduated: Lana Valentine, Sharon Harvey, Carmen Motta, Carol Rowe, and Cynthia Tarvers. We shall miss each of these girls, more, perhaps, than they will realize, but we want our good wishes to be with them wherever they are or in whatever they are doing.

GIRLS' BASKETBALL

During the latter part of November, a group of 30 girls, including three letter-men from last year's team, began practice for the 1959-1960 basketball season. After having been classified as a large school for many years, we were now placed in the small school league. It was our sincere hope that we would do as well as other years. The big day finally arrived when we were to play Yarmouth Regional High School on our home court. Because we knew Yarmouth to be a strong team, we were all rather nervous, but as the game progressed, we began to gain confidence in ourselves. During the first quarter, Regional took the lead and kept it all through the game. Although we were defeated, we did not feel defeated for we knew we had tried our best.

Our next game was on January 5 against Chatham on Chatham's home court. The girls gave Chatham a touch of strong competition, but during the final minutes of the game Chatham took a four point lead and won the game.

On Friday, January 8, we traveled to Barnstable to play last year's team champions. We all knew that Barnstable was a skillful team, but we were out to play our best once again. During the first quarter of the game, we proved to be strong opponents, but as the horn sounded, announcing the end of the game, the scoreboard showed another defeat.

We traveled to Harwich on January 12. Although we were well accustomed to the small size of the floor, we were again defeated.

On Friday afternoon, January 15, twenty noisy girls took their seats on the bus, destination--Yarmouth. We played a splendid game against our old friends, but again our opponents were one step ahead of us.

On January 19 we played against the "Warriors" from Nauset on our home court. Both teams showed excellent team work, but our opponents were stronger than we, and we were defeated.

The Sandwich girls were our opponents on January 22. All during the game, basket was matched for basket, but during the last quarter the "Glasstowners" took the lead and won the game.

Finally, on January 26, our most thrilling moment arrived while we were playing Chatham. During the last few minutes of the game, the P. town "Fisherettes" gained a three point lead and kept it to gain our first victory! The final score was 23 to 20.

Our next game was on Friday, January 29, when we played Lawrence High School. All through the game Falmouth had the advantage of height and scoring. Even though we had a lead of four points during one part of the game, Falmouth was victorious.

Although we had an unsuccessful season, the girls developed team spirit, good sportsmanship, and experience for another year.

The members of the Class of '60 wish to express sincere appreciation and thanks to the Warren K. Vantine Studios and to Mr. Robert Vantine of the Delmar Printing Company for their assistance in helping us to publish the 1960 Long Pointer.

Credit is also given to John Gregory for the pictures of Sharon Harvey, Naomi Tarvis, and Jerome Costa and to Ralph Carter for the pictures of Louise Perry and Walter Hauer.

We are indebted to our many patrons and sponsors for giving us their financial assistance. Without their splendid cooperation, our book would not have been possible.

It is difficult for the members of the class of 1960 to adequately express their sincere gratitude to Miss Kathleen Medeiros and Mrs. Phebe Rogers. Our yearbook would never have materialized without the many, many hours they have spent in helping us to organize the various fields that are necessary in publishing a yearbook. A "thank you" seems like so little, when our instructors have done so much, but each member of the class hopes that Miss Medeiros and Mrs. Rogers will realize that the class is sincerely grateful and appreciative.
