1968

ADMINISTRATION

MR. GEORGE F. LEYDEN
Principal

George F. Leyden, Principal

I congratulate the Class of 1968 upon reaching this commencement goal. This achievement is the first important step up the ladder of life. The members of the class should remember that "Commencement" means the beginning, not the end, of their endeavors to develop whatever abilities and gifts they have received from a Divine Providence.

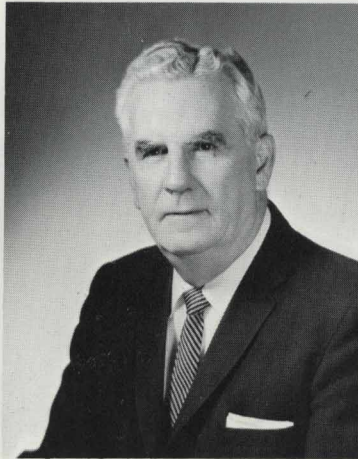

In our most confused and difficult work, our nation is in dire need of leaders. These leaders must be developed from individuals who are attending, or will attend, our many and diverse institutions of higher learning. Along with this group, there are many other Americans who, because they are conscious of the need for leadership, are constantly striving to equip themselves with the knowledge and skill necessary to meet the challenge of today's world.

It is my hope that the members of the Class of 1968 will make some contribution, whether great or small, to this great cause.

Commencement . . . a beginning not an end

In attempting to educate every student at Provincetown High School, diverse programs are offered to him, from which he selects a course of study to which he is best suited. Although a Freshman in high school may anticipate his own development in a particular direction, he occasionally changes his goals and consequently his course. However, through a careful analysis of requirements for admission to Technical Schools, Colleges, and Business Schools our high school curriculum has been so organized as to satisfy the requirements for admission to institutions of higher education, or to prepare students for employment in many jobs available in the community following graduation.

Commercial Course students are prepared for a variety of office positions through the mastery of stenographic, typewriting, and bookkeeping skills.

Students in the College Courses are qualified for admission to four year colleges, two-year technical schools or junior colleges. Students in the College Technical Course are required to take a four year concentration in mathematics, four years of science as well as two years of Technical Drawing and foreign language. These courses are taken in addition to English and various electives. College Classical Course students are given an opportunity to select subjects from a wide choice of electives during their Senior year. For their first three years of high school, they have an opportunity to study both Latin and French, history, and mathematics and sciences. The addition of subjects such as Creative Writing, Marine Biology, Physiology, and Modern European History to our curriculum has enabled our students to delve into areas of knowledge according to their interests and goals in life.

Students who have been enrolled in the Vocational Automotive Course have been trained in the skills necessary for employment in the field of automobile maintenance.

The Vocational Household Arts Course gives our girls training in cooking, sewing, and household management, along with their academic subjects.

The General Course exposes students to a wide variety of subjects including mathematics, science, commercial electives, foreign languages and social studies.

The Industrial Arts Course which was initiated into our curriculum in September 1967, offers boys an opportunity to take subjects which will enable him upon graduation, to be absorbed as an apprentice in the technical field of his choice or to enter a technical school to be further trained in some specific area. Technical Drawing, power mechanics, electricity, metal work, and basic electronics will be included in this course, in addition to English, Mathematics, Science, and History.

Pleasant and Rewarding Years at P.H.S.

EDITORIAL 1968 YEARBOOK

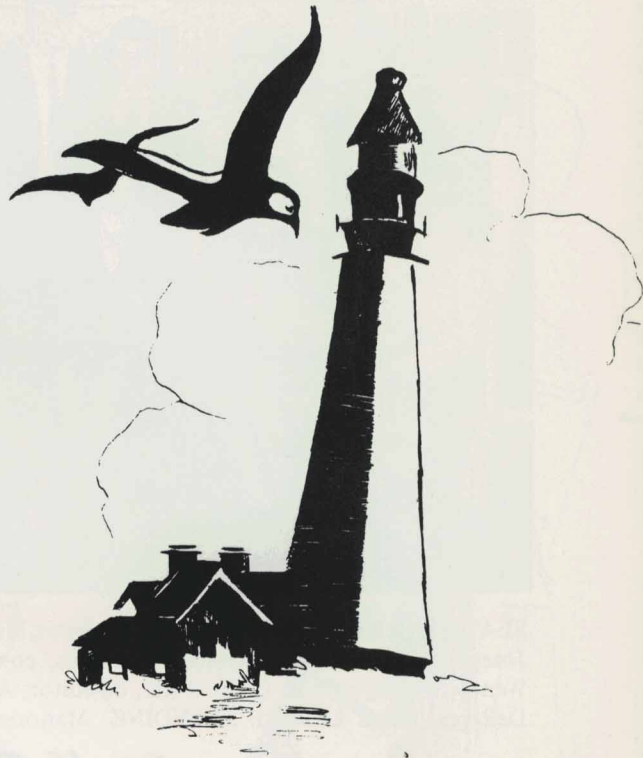

For three years—as Freshmen, as Sophomores, and as Juniors—we had anxiously looked forward to being Seniors. Now in 1968 the anticipation is a reality.

All our past achievements, activities, and failures are uniting and forming our first pattern and step toward adulthood. The many times we have had to decide which activity to attend, which book to read first, which subject to study the hardest—these have all helped us to take one more step toward adulthood.

Our years at P. H. S. have been pleasant and rewarding ones—years which could never be experienced at any other time and place. The constant bustle, our never-ending complaints, the familiar faces of teachers and friends, the burden of disappointments, and the delight of successes have each played an important part throughout these years.

In a few months we will each go our separate ways and enter an entirely new life. But with us we will take all the experience and knowledge we have gathered at Provincetown High School, and somewhere, somehow, find the happiness and life that is meant for us.

Seniors look back on past four

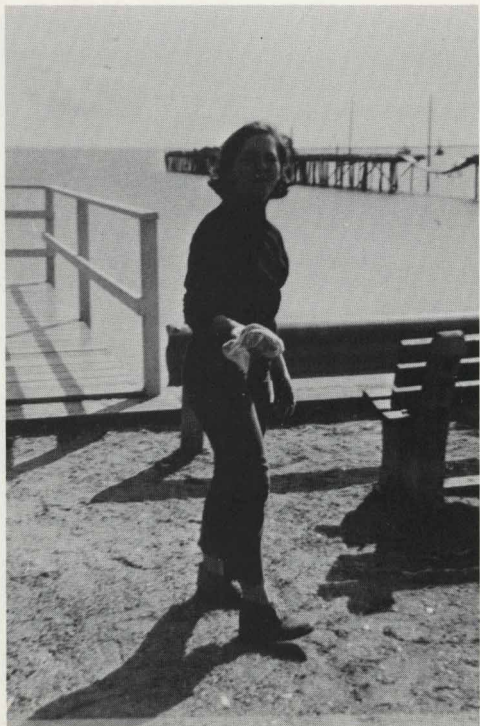

SENIOR CLASS HISTORY

Now that graduation is near, it is fitting that we remember our past four years with a feeling of warmth and pleasure.

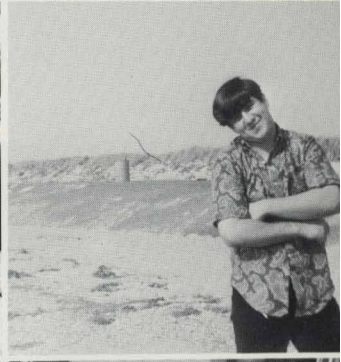

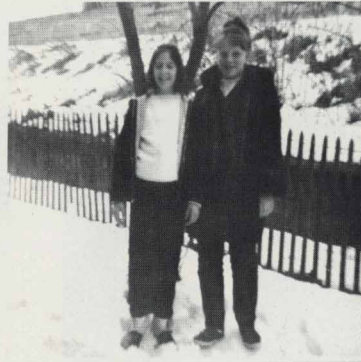

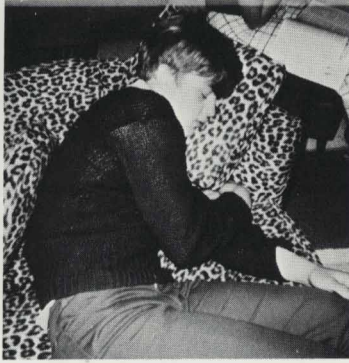

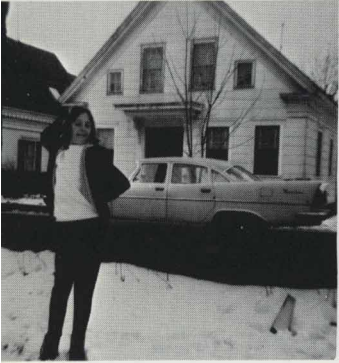

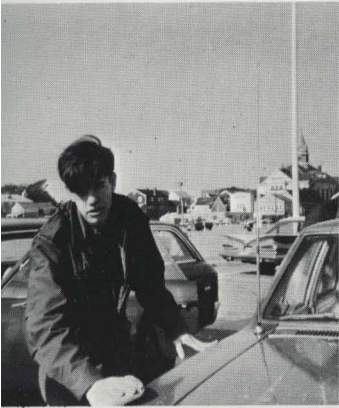

As Freshmen, we were placed on the launching pad of a giant rocketship, realizing that we were beginning our preparation toward the culmination of our education. To lead us that year we elected Cathy Fritz, president; Kim Rilleau, vice-president; and Kathy Silva, secretary-treasurer. John Encarnation and James Roderick were chosen Student Council representatives; and Mr. Paul Boire accepted the position of class advisor.

The most notable activity of that year was, of course, our memorable Freshman Reception, at which time we became formally accepted into the senior high and the seemingly long four years which lay ahead.

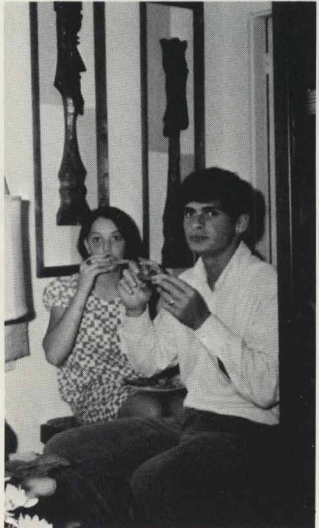

In our sophomore year, we entered the second stage of our launch and chose Cathy Fritz, president; Kim Rilleau, vice-president; Evelyn Ward, secretary; Paula Tasha, treasurer; and Susan Leonard and Anthony Jackett as Student Council representatives. This year, Mr. Thomas Kane was elected to be our class advisor. Scholastically and athletically, we exhibited soaring abilities throughout the year. We also showed our histrionic talents in our successful production of *A CHRISTMAS CAROL*.

years with warmth and pleasure

As Juniors, we were on the threshold of our thrust to adulthood. Choosing Kim Rilleau, president; Cathy Fritz, vice-president; Maureen Joseph, secretary; Susan Leonard, treasurer; Paula Tasha and Anthony Jackett, Student Council representatives; and again with Mr. Thomas Kane as class advisor, we braced ourselves for this important year. Class projects and thoughts of the future gave way to our memorable Junior Prom. To the tune of "Strangers on the Shore," we executed the Grand March. From the fashionable young men and charming young ladies of our class, the judges, after much deliberation, were able to choose a king, a queen, and a court.

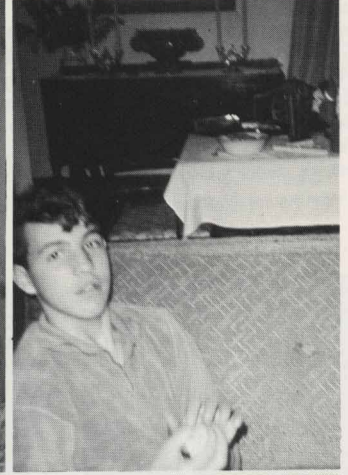

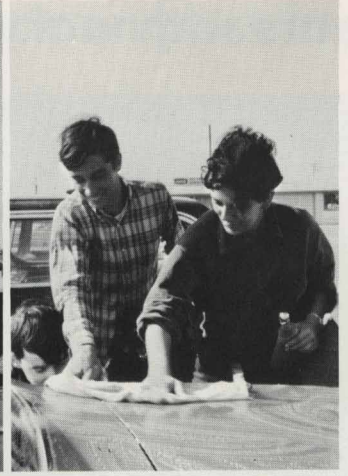

SENIOR CLASS HISTORY

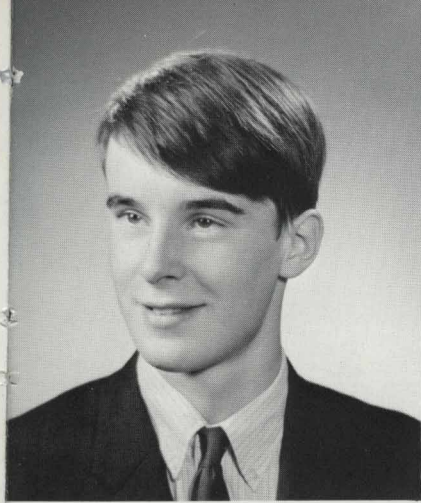

In our senior year came the final stage of our education, our take off into an adult world. For our leaders of this most momentous year, we elected Kim Rilleau, president; Cathy Fritz, vice-president; Maureen Joseph, secretary; and John Vasques, treasurer. Susan Leonard and Anthony Jackett were chosen as Student Council representatives, and Mr. Paul Boire returned as class advisor. Our first activity was the successful "Once Upon a Time" Freshman Reception. Other activities followed rapidly such as F. T. A., Good Government Day, and the class play. As in every year, we were well represented on every athletic team and on the cheering squad.

Now we are interested in the future, thinking about the many opportunities opening up for the class of 1968. Some members of the class have gone, others have come; but those of us who remain will be taking with us the knowledge we have gained during our four years at P. H. S. and many fond memories.

But complains that it's such a fishy position.

Dwight bought a gas station four years or so ago,
The car tanks are all empty and their tires are low.

Eric became an eccentric inventor,
He's trying to perfect an electric suspender.

Rosey decided a nurse she would be,
Her odds aren't too bad, she saves 1 out of 3.

Diane Brown, formerly called "horse",
Was voted "First To Get Married" and was, of course.

Candice Cabral, well, she's Candy to you,
Has developed a new style of Mulligan Stew.

Steve Chase now owns his own paper store,
But he only sells paper; Gee, some store!

Alayne wanted a political position that was highly
superior,
She's now our ambassador in lonely Siberia.

Mike Dahill was voted Class Most Ambitious,
Now he's in Howard Johnson's busy with dishes.

Alberta ascended the acting tree,
She made a big hit, a flick called "Alfie".

Jimmy Duarte always tinkered with cars,
Well, he fiddled with one and he's now behind bars.

John Encarnation is in the painting profession,

He's a playboy and "paints towns red" in rapid suc-
cession.

Mike Fields lately became the owner of all A & P's,
His offices stretch from Maine to the Keys.

Cathy Fritz, the all-around champ,
Is now on the face of the new 10¢ stamp.

Rebecca Gaspa whom we all called "Becca",
Is employed full-time as an A & P checker.

F. J. left the musicians guild,
A house for him and Moe to build.

But after this great house was built,
Maureen gave F. J. the jilt.

Tony found a way to pass his time,
He found himself a Silva mine.

Susan Leonard voted our Class Mod,
Is now married to a "square" clod.

Paula Lema sailed to see Joe in Thailand,
And got him exiled to Gilligan's Island.

Jennifer Lopez her brilliant smile did use,
They're putting her face on toothpaste tubes.

Peter became an artist it appears,
Now he's up in State Pen drawing twenty years.

Cindy Meads has found her heaven,
Now, she's knitting Boot(s)ies for seven.

Jimmy Moon although tagging with Roxanne,
Knows this heart really belongs off in another land.

Manny is still saving his banged up cars,
And now has junk piled up to the stars.

Leo Noones, Class Most Nonchalant, is in the writing profession,
He just published his first book called "Stay Calm In One Easy Lesson".

Delanie became a model and quickly rose to fame,
The public said she was beautiful, her relatives said the same.

Betty Jo loved the mountains and has fulfilled her dreams,
She is working at Paul's Ski Lodge on the rescue teams.

Kathy Perry has found her peace,
Now she's raising a little Maurice.

Steve Perry is cutting fish into bits,
The typewriter keys he no longer hits.

Richard Peters still lives in town,
His handsome face we see around.

John Rice to Florida desired to go,
It was easy with his Yellow Bird, you know.

Arthur Reis once had the most tact,
And while with his Beverly, he puts on no act.

Michael Rego played his biggest line,
Thought the girls he could wine and dine.

Kim Rilleau once a Cape track star,
Has just won the Olympic race to Mars.

Sonny went off for a fishing career,
But eloped with a mermaid he netted one year.

Jimmy Joe once our class flirt,
Has designed a new style called the "Motto Skirt".

Guida got drafted and created quite a stir,
The Marines claimed they could make a man out of her.

Dorothea Santos has gone to secretarial school,
She's one of our gang who won't lose her cool.

Mike Santos our class "Joe Honda",
Is following the "Moon" and whoever he's fonda'.

Roy Shaw who thinks he's Don Juan,
Is searching the world for AT LEAST one friend to tag along.

Kathy Silva who thinks she's queen,
Hasn't come out of her dreams since her Prom regime.

Pat Silva failed in Home Ec.,
And now her love life is a wreck.

Marilyn Stott whom we all called Moose,
Is now in Hollywood starring as Mother Goose.

Now that Jeff has grown another inch,
He finds that stuffing the ball is really a cinch.

Joy Valentine became a top court stenographer,
Now even Perry Mason can't get along without her.

John Vasques received a college degree,
For subjects he took Fingerpaints, One, Two, and Three.

Evelyn who had the figure of "68",
Gained a little too much and now wears size 48.

Bonnie attained the office of President,
A P'town first-a feat without precedent.

Wendy trudged off to the big university,
And has gotten her degree in advance adversity.

THE JUNIOR CLASS

We are upperclassmen now—Juniors at last. We have one year to go, but we are still not sure where the others have gone. Let us think back and try to find them.

1965—Our first year. On September eighth we entered the school as timid freshmen and began the first of our four years. To lead our class we elected Peter Taves, president; Mike Andrews, vice-president; Eileen Davis, secretary; and Carol Ward, treasurer. Debbie Andrews and Eddie Reis were our student council representatives and Mr. Thomas Deffley was our class advisor.

The social highlight of our freshman year was the Freshman Reception, which was put on by the seniors to welcome us into the high school. The "Babes in Toyland" theme and beautiful decorations cast a magical air to the school gymnasium. We can all remember the good times we had as we glance back to that night.

1966—For our second year we chose Eddie Reis, president; Peter Taves, vice-president; Debbie Andrews, secretary; Carol Ward, treasurer, and Kathy Kacergis and Anthony Thomas, student council representatives. Mr. Christopher Clarke was our advisor.

We had more fun, made more friends, and shared new experiences.

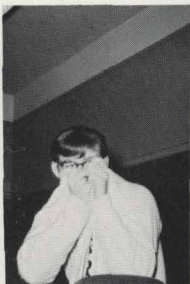

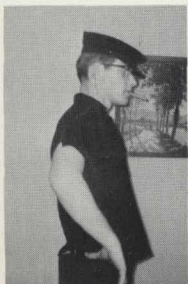

1967—Our third year. We began this year as upperclassmen. It gave us an elated feeling as we realized that we were no longer babies of the school. Elections again found Eddie Reis, president; Peter Taves, vice-president; Debbie Andrews, secretary; and Carol Ward, treasurer. Kathy Kacergis and Johnny Medeiros represent us on the student council and Mr. Paul Seeley is advising our class.

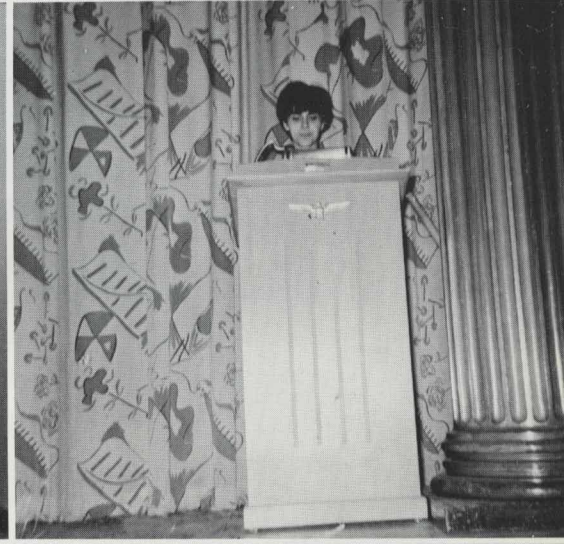

This year will bring many exciting things and a lot of fun. Some of our activities will be our refreshment stand at the home football games, our assemblies, and our Junior Prom.

Now we realize where the years have gone, and as we look back, they do not seem so far away. Although we will never forget the fun we have had, we will try to make next year our best year.

THE SOPHOMORES

CLASS HISTORY

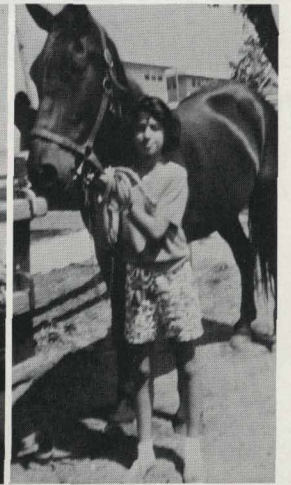

To guide us through our Freshmen year we elected the following officers: Brock Papetsas, president; Peter Cordeiro, vice-president; Audrey McKay, secretary; Roberta Oliver, treasurer; and Wayne Medeiros and Elaine Roderick, student council representatives. Mr. Paul Seeley assisted us as class advisor. The most memorable event of the year was, of course, our Freshmen Reception. The music and the gaily decorated gym delighted all who attended.

This year for officers we elected: Brock Papetsas, president; David Dutra, vice-president; Audrey McKay, secretary; Roberta Oliver, treasurer; and Peter Cordeiro and Elaine Roderick, student council representatives. Mr. Thomas Kane accepted the position as our class advisor.

Our class had always been well represented in all school activities and we hope it will continue this way.

By being diligent, we look forward to attaining the high goals we set as Freshmen.

THE FRESHMEN

CLASS HISTORY OF '71

What will our destiny be? This question was uppermost in all our thoughts as our eager group of pioneers, the Freshmen Class of 1967, entered into a new frontier.

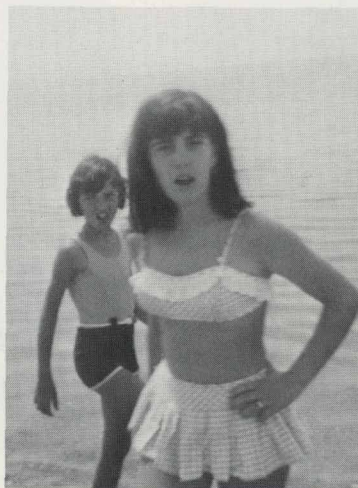

Ever mindful of the many challenges and adventures that awaited us, we elected the following to guide us during our first year: Frank Reis, president; Donna Joseph, vice president; Deborah Santos, secretary; and Marcia Enos, treasurer. Our student council members are James MacFarlane and Thomas Jackett. We are pleased to have Mr. Michael Kacergis as our class advisor.

Our representatives on the P. H. S. football team are Peter Cabral, James MacFarlane, Frank Reis, and Joseph Farroba, manager. Deborah Santos represents us on the cheering squad.

Our first social activity as Freshmen proved to be memorable when we were welcomed into the high school at our Freshmen Reception which was sponsored by the Senior Class on, October third. The gym was appropriately decorated to correlate with the theme "Once upon a Time."

Although the challenges are many, we will endeavor to shape our destinies by taking advantage of the many opportunities that await us in the future and by fulfilling not only our own expectations, but also those of our faculty.

VOCATIONAL SCHOOL

After June 1968, there will no longer be a Vocational School at P. H. S. Because of the lack of student interest in the automotive field, the vocational course has been replaced by an industrial arts course.

We wish to express our thanks to those who have aided us throughout the past few years. We extend a special thanks to Mr. Kendall Knowlton for the guidance, patience, and understanding he has shown us through the years.

JUNIOR PROM

Originality describes the setting for the Junior Prom of the Class of '68. "Strangers on the Shore" was the chosen theme. Blue and green crepe paper was draped from the ceiling to give the impression of waves, and binnacles, ship's wheels, buoys, anchors, and other seafaring articles created an atmosphere totally different from previous proms.

After the Grand March, Kathy Silva and Anthony Jackett were chosen as our queen and king and Marilyn Stott, Cathy Fritz, Cindy Meads, Paula Tasha, Joy Valentine, and Evelyn Ward were chosen as members of the Queen's Court.

The evening was one of dim lights, dancing, soft music, and exquisitely gowned girls with truly debonair young men. It was a night we will long remember with both pleasure and pride.

FRESHMAN RECEPTION

"Once upon a time" October 3, 1967, to be exact, there were 64 Freshmen who entered the land of Teddy bears and balloons. When Freshmen and Seniors marched together in the Grand March, they shared the most important moment of the evening. Mother Goose hung in the center of the Gymnasium reigning over the Freshmen and Seniors. After the Grand March, Mother Goose, with a helpful tug on her apron strings from Glen Coats, dispersed a colorful array of balloons and confetti upon the spectators below.

"Once Upon a Time"

Flashing blulbs, shuffling feet, racing hearts synchronized with the rhythmic beat of "The Ruins of Time". The Seniors could not help but reflect on their own Freshman Reception held in October 1963 while the Freshmen hopefully visualized the good times and dreams to be fulfilled in future years.

THE STUDENT COUNCIL

On Wednesday, September 21, the Student Council held its first meeting and elected the following officers: Anthony Jackett, president; Susan Leonard, vice-president; Kathleen Kacergis, secretary-treasurer; and Elaine Roderick, historian.

The Student Council is composed of representatives from each grade who form a type of student government whose functions are to meet each Wednesday to discuss various matters that involve school activities, athletic events, and the maintenance of our school building.

Last year the Student Council's primary aim was to establish the awarding of scholastic jackets to those who have earned two scholastic letters in the same subject area.

This year the Student Council's aim is to revise the Code of Ethics, to sponsor a Christmas Home Coming Dance, and to investigate the possibility of having a Senior Ball.

It is our hope that in the future the Student Council will form a closer relationship with the school committee, the administration, the faculty, and the student body, so that we may work together for a better Provincetown High School.

THE PROVINCETOWN MARCHING AND CONCERT

Every Monday and Friday at the close of the school day the school is enchanted by the sounds of music provided by the P. H. S. Band.

Under Mr. Dias' leadership the band composed of mostly young members, has made steady progress. New instruments, such as bass clarinet, alto sax, and several percussion instruments, along with new music, have created enthusiasm among the players and listeners.

The band presented its first concerts at the Truro Grammar School and at the Veterans Memorial School. Our objective in presenting these concerts was to arouse a musical interest in the younger children. The concerts were so successful that many of the elementary students are now practicing diligently so that they, too, may become members of the band.

Through his enthusiasm, knowledge, and dedication, Mr. Dias has not only given the members the desire to continue playing in the P. H. S. Band, but he has also given us a sincere appreciation of our instruments and music. For this, we thank him.

CHORUS

Bernard Roderick '68

For the first time in the history of our high school, P. H. S. has a mixed choral group with four-part harmony under the direction of Mr. Roger Dias and Mr. Thomas Kane.

For the Christmas Assembly religious slides were projected onto the school stage to set the mood for the carols sung by robed members of the chorus.

Our choral group has been invited to present an Easter program at the Chrysler Art Museum. The theme will be a solemn one composed of "The Requiem" by Gabriel Faure.

With these activities, the chorus is hoping to improve the cultural image of P. H. S.

SENIOR CLASS PLAY

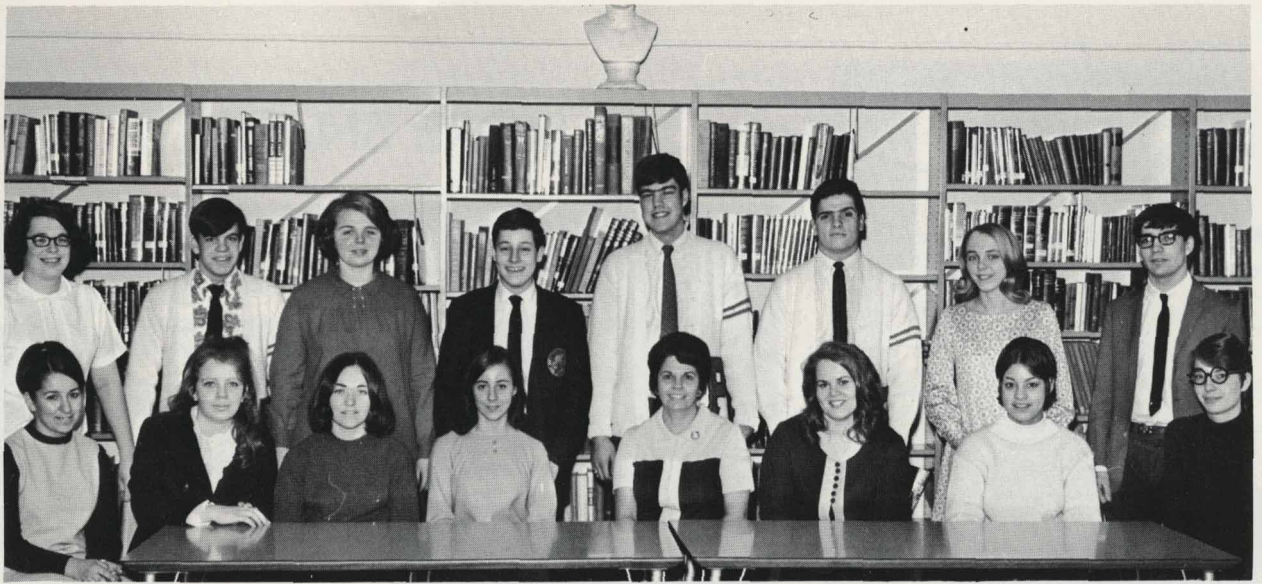

THE CAST

On April fifth and sixth, the class of 1968 presented Thornton Wilder's poignant, yet sentimental, three-act play, *OUR TOWN*, directed by Mr. William Scott, with Mr. John Bragdon and Miss Sally Guyton as faculty advisors.

Throughout the play, the main character, known as the Stage Manager, remains on the scene explaining the history of *Grover's Corners* and outlining the actions of the performers. After a brief introduction to the charming small-town characters, we are led into the plot—the high school romance and eventual marriage of Emily Webb and George Gibbs.

In the third act, we are taken to a beautiful hilltop upon which is situated a graveyard where many of the characters to whom we were earlier introduced are lying. It is in this act that we see the true meaning of the play—that the past cannot be relived, and that living people, forever concerned about the lesser things in life, know very little about pure happiness.

FUTURE TEACHERS OF AMERICA

On October 27, 1967, a meeting of the Future Teachers of America was held under the guidance of Mrs. Anita Berman. At this meeting, we elected our officers and discussed the various activities that we would like to undertake during the year. We elected the following students as our officers: Alberta DeRiggs, president; Guida Rodriques, vice-president; Dorothea Santos, secretary; Maureen Joseph, treasurer; Alayne Couper, historian; Peter Taves, parliamentarian.

The goal of the Future Teachers of America is to help a student who is interested in teaching determine what level of education he would prefer. By observing various teaching techniques and by having actual class-

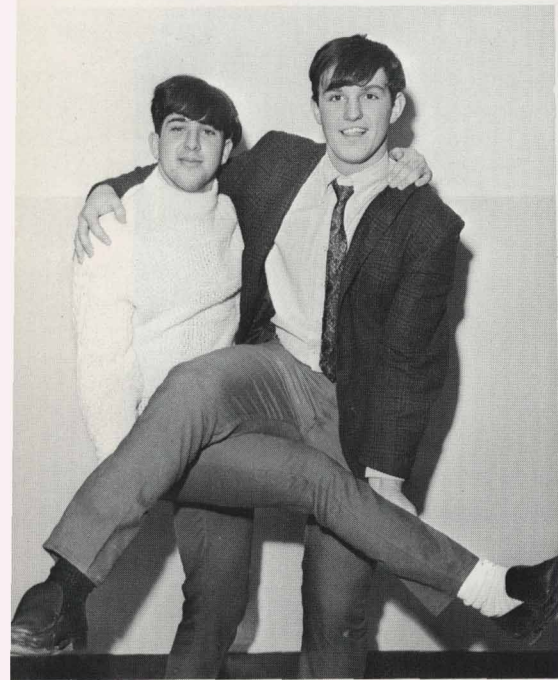

room experience, the student may find that he is interested in a certain grade level or subject. More important, a future teacher member begins to think seriously about a career even though there will be members who will not be teaching the elementary or high school grades. Some of us would like to help handicapped or mentally-retarded children which is truly a valuable part of education.

Through the Future Teachers of America, we find the direction and guidance needed in helping us to determine our chosen fields of education.

Terrific team spirit highlights

Provincetown High School Senior Line

Left to right: James Roderick, Jeff Thomas, Stephen Perry, Bernard Roderick, and F. J. Hurst.

For a number of years before 1964, football at Provincetown was close enough to a joke to be ridiculed. It was generally associated with dissatisfied players and devil-may-care attitudes. Losing and sometimes winless seasons were not uncommon and the losses were often one-sided. Little notice was given to the games by Provincetowners or the newspapers, and favorable write-ups were rare.

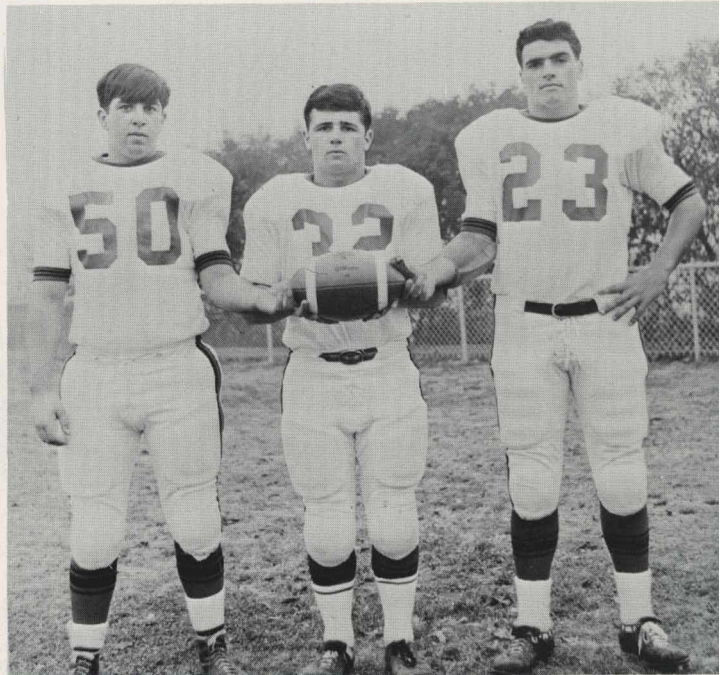

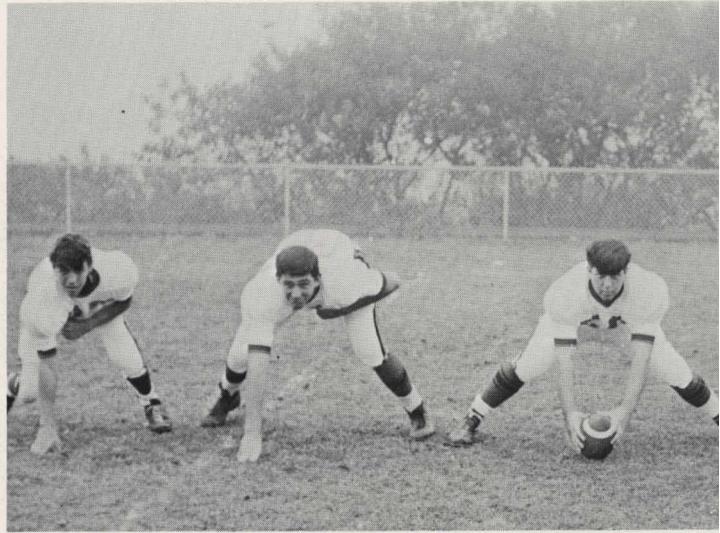

Then came 1964, and with it, a new coach, Mr. Stephen Goveia, and new hope. I can not quite pinpoint what Mr. Goveia had that no coaches before him had, because he is the only high school coach I have had: but, whatever it was, he put it to good use as he pushed, or rather, prodded us to a 3-3-2 season. It may not seem too impressive on paper, but far better than the record was the beginning of a terrific team spirit.

1964 seemed to set the pace for the next three years as we drummed out win after win and team spirit accompanying us to the field week after week. There were a few dark spots: we lost our '65 season opener via a 28-0 shut-out: we dropped both games to our arch-rival, Nantucket, last year: and, this year, we were shellacked by Dover-Sherborn, 44-22, and were edged 14-12 by a strong Georgetown team.

Throughout our four years in school, we had many participating members on the team. They are: Mike Dahill, F. J. Hurst, Anthony Jackett, Manny Motta, Stephen Perry, Richard Peters, Mike Rego, Arthur Reis, Bernard Roderick, James Roderick, Kim Rilleau, Jeff Thomas.

In spite of the occasional damp spots, the four years of football that have been enjoyed by the participating members of the class of '68 will be four years that we will never forget. If the underclassmen will be able to obtain only a part of the enjoyment and satisfaction we have had by working with Mr. Goveia, I'm sure he will have many more fine teams.

When training started, the fall of 1967 looked promising for the girls' field hockey team. Although we lost a few of our starting eleven because of graduating seniors, our new members were just as determined to learn the sport and to have a winning season.

For our first game we traveled to Harwich. A 2-1 loss was disappointing, but experience was gained by our new members.

Next we went to Chatham. A 6-0 win proved that we had the ability. With this win, we had high hopes of a long winning streak.

We played Martha's Vineyard here, for our first home game of the season. Unfortunately, we were defeated, 2-0.

Then came Nauset. Determination and fight led to a 1-1 decision. This was very encouraging!

In our last game of the first half of the season, we played Sandwich at home. Our outstanding defense contributed to a 2-2 tie. This gave us confidence because Sandwich had been the leader of the Cape and Vineyard League.

The second half of the season started with a "bang". Defeating our arch-rivals Harwich 4-1, we were anxious to take on Chatham. Again we emerged victorious. 2-0.

Our next opponent was Martha's Vineyard. We were determined to bring back a win; however, we found ourselves to be the losers when the final whistle blew. Again we had lost 2-0. Martha's Vineyard proved to be the only team we were unable to score against.

Nauset was our next opponent. Enthusiastically we played, the score being 1-1.

To end our season we traveled to Sandwich on an extremely cold day. Although we controlled the ball, we were defeated 1-0.

Our record for the season is three wins, four losses, and three ties.

Since we have only two seniors on the squad, the future for this team looks bright. I am sure that next year, under the leadership of Miss Elizabeth DeRiggs, our team will benefit from this year's experience.

THIRD ROW: Elizabeth DeRiggs, coach; Jill Hann, Cindy DeSilva, Teresa Silva, Marcia Enos, Donna Joseph.

SOFTBALL 1967

When our team started its third year of softball, we had hopes for a good season. Because we are a young team, the determination of each player is unsurpassed. We won our first game against Martha's Vineyard by a very slim margin—one run. In our next three games against Falmouth, Harwich, and Sandwich, we were defeated. Retaining our high spirits, however, we stormed back and won the next three games against Sandwich, Dennis-Yarmouth, and Nauset. Our last six games ended with three wins and three losses. The record of 1967 showed seven wins and six losses.

Yvette Roderick, Yvonne Roderick, and Susan Sants were graduated in June but Seniors highlighting the team this year are Cathy Fritz, Diane Brown, Candy Cabral, and Cindy Meads.

We extend our thanks to Miss Elizabeth DeRiggs for her excellent coaching, and we sincerely hope we will bring her the honors she so justly deserves.

GIRLS' BASKETBALL

With enthusiasm, sportsmanship, and high hopes, our girls' basketball team marched into their 1967-1968 season. The first league opponent was Sandwich who proved to be a strong adversary, but not strong enough, for the final score was 34-29 in our favor.

By defeating Chatham 38 to 23, and then Martha's Vineyard in a hard fought game of 43 to 32 the girls were now ready to face their most formidable opponent, Harwich. This game was a tense, competitive game, but Provincetown proved once again to be the better team having a final score of 49 points to Harwich's 42.

Nantucket was the next opponent, who scored 21 points to Provincetown's 52. Nauset became next with a win for Provincetown 44-32.

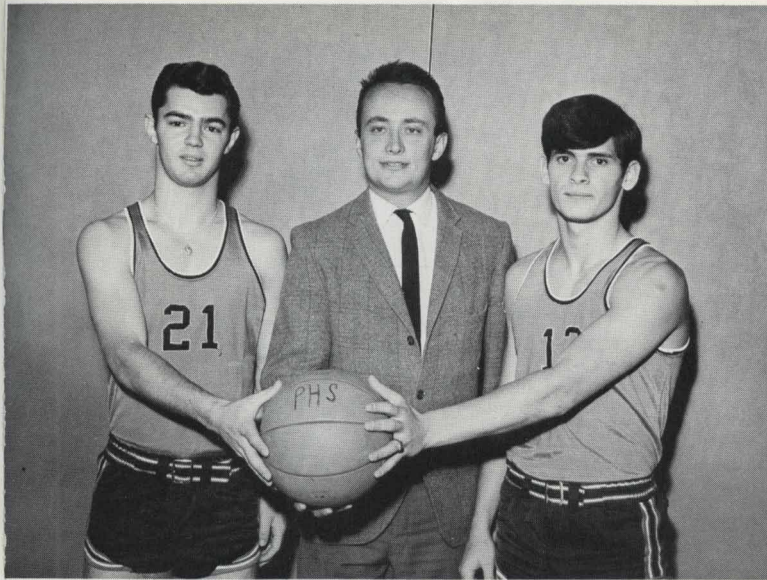

As the LONG POINTER goes to press, the girls are undefeated at the midpoint of their season. If they continue playing as they have been, they will have a truly successful season, and once again Provincetown will be proud of them.

BOYS' BASKETBALL

Toward the latter part of November, 1967, all candidates were anxious to begin another basketball season. With the exception of Manny Motta, the members from last year's squad returned, and as a result we looked forward to a very successful season.

Coach David Murphy began his 26th year as head coach of the Provincetown Fishermen, but because of his excessive duties as vice-principal of the school, he felt that he should retire. Mr. Murphy relinquished his duties as head coach to Mr. Paul Boire. Mr. Boire had been Mr. Murphy's assistant for five years and was now eager and ready to begin his duties as head coach.

With Freshman Frank Reis and 6'6" transfer student, Dana Thomas, along with the experienced Sen-

iors: Arthur Reis, Richard Peters, and Anthony Jackett, the P. H. S. Fishermen hope to have an exciting basketball season.

As the Long Pointer goes to press, we are ranking 3rd place in the Cape and Islands League with a 4-2 league record and a 7-4 overall record.

There are six games left to play, and with determination and confidence, we hope to assure ourselves of a berth in the Principals' Tourney.

CHEERLEADERS

To start the football season of 1967, we held an enthusiastic pep rally in the school gym, and on the same night we held a car rally. Since then, we have had car rallies after several of our games with cooperation from the townspeople as well as the students.

As cheerleaders we feel it is our duty to support and encourage our athletes. Sharing both victories and defeats with them, we feel we are not only cheerleaders but also dedicated members of the teams.

Our only hope is that in the future, the cheerleaders who follow us will continue the tradition of having a sincere interest in supporting our teams.

TRACK

Through the past years, the Provincetown High School track team has been steadily gaining recognition, and the 1967 season was no exception. For the first time in our history, our squad scored in the State Championships, with Kim Rilleau taking the honors. Another first was achieved when the team defeated both Nauset and Chatham in the Lower Cape Championships. However, we did not win the meet because of the strong opposition from Martha's Vineyard. Five meets were held in Provincetown at Motta's Memorial Field in the 1967 season, and in the 1968 season may bring even more.

The 1967 track team included: Mike Andrews, Peter Cabral, Antonio Dias, James Downey, James Duarte, John Encarnation, Mike Enos, William Fetner, Joe Gugel, F. J. Hurst, Bill Hendrickson, Melvin Joseph, John LaRosee, Richard Macara, James MacFarlane, David Malchman, Joe Martin, Jim Moon, Brock Pape-tsas, Joe Perry, Daniel Rilleau, Kim Rilleau, Bernard Roderick, Mark Santos, Mike Santos, David Silva, Larry Silva, Francis Snow, Raymond Souza, William Souza, and John Vasques.

With Class E sprint champion Kim Rilleau, letter men, and spirited underclassmen returning in 1968, along with the able coaching of Mr. Paul Boire, the Provincetown High School track team should improve its 3-6 record.

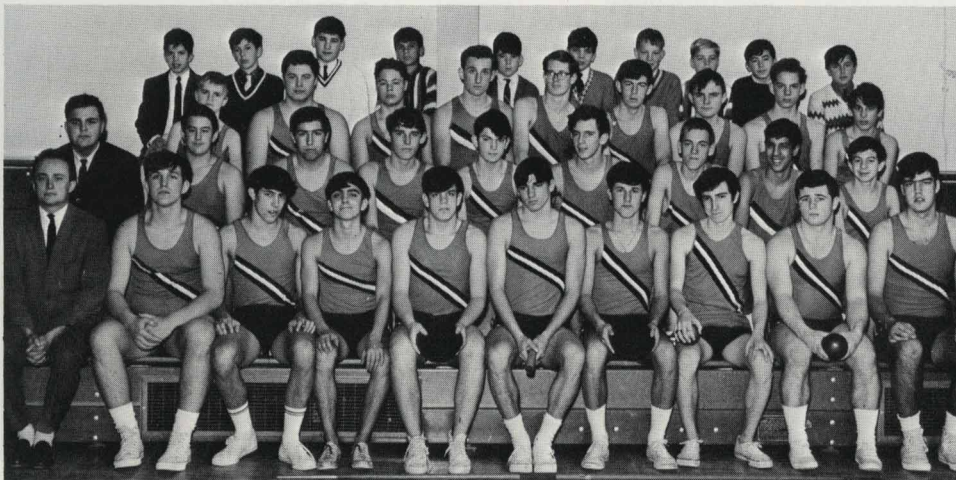

Track Record Setters: FIRST ROW, LEFT TO RIGHT: John Vasque, Kim Rilleau, F. J. Hurst. SECOND ROW, LEFT TO RIGHT: Melvin Joseph, James Moon.
