## Dedication

It is difficult to express the gratitude that we, the Class of 1971, feel towards Mr. Paul Boire. Throughout the years that he was our class advisor, his qualities of wisdom, guidance and patience were often evident. Mr. Boire willingly gave his time and energy to help us through our first three years of high school. His sincere and devoted interest has been a key factor in establishing the success of our class.

In sincere appreciation and as a tribute to Mr. Boire, we, the Class of 1971, dedicate this edition of the "Long Pointer".

# Administration

To the Seniors:

My sincere best wishes and congratulations to you the graduates of the class of 1971.

As you venture forth into the future, it is my fond hope that your years at Provincetown High School have helped to give you the foundation that will ably assist you in attaining a complete fulfillment of your greatest expectations.

Now as adult individuals embarking into a complex society with your many and varied goals, dreams and directions, may you keep one thing in common — be diligent workers to preserve the dignity of mankind.

# In Memoriam

“All to ourselves we think of you,  
Think of the things we used to do,  
Think of the things we used to say,  
Think of those happy bygone days.  
Sometimes we sigh, and sometimes we smile,  
But we keep each other, golden while  
All to ourselves.”

—Wilbur D. Nesbit

The class of 1971 in fond memory dedicates this page to the memory of Joseph Silva, who, during his four school years with us, brought us much warmth and happiness.

# Editorial

What is wrong with the students in schools? Is it that they don't take education seriously? Is there a lack of communication between teachers and pupils? It is our opinion that a lack of school spirit is perhaps a contributing factor. When a student, a class, or a school has school spirit, knowledge can become an enjoyable experience. Students learn for the pleasure of learning for they are not competing with each other, but are working together as one unit with one goal in mind—to learn.

If students do not become involved in high school activities, obtaining an education can become a monotonous chore for the incentive to

learn is lost. The most rewarding time in anyone's life is his high school days. The more an individual contributes, the more he will learn. Pride in school, and, in turn, pride in scholastic achievement, whether it is the achievement of an individual, a class, or the school, is obtained through school spirit.

Apathy is a world problem, don't let it begin in high school. As Seniors, we are another year older and, hopefully, another year wiser. We would like to leave you with one thought in mind: school spirit is laying the foundation for building character and for working with others. Think about it!

# THE SENIORS

# Senior Class

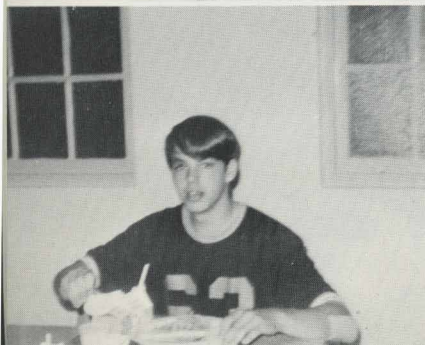

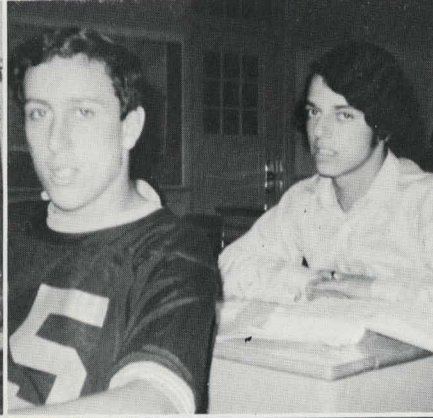

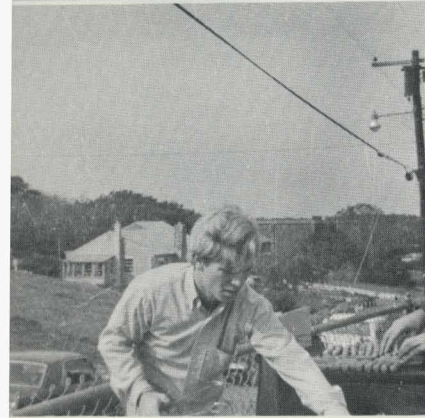

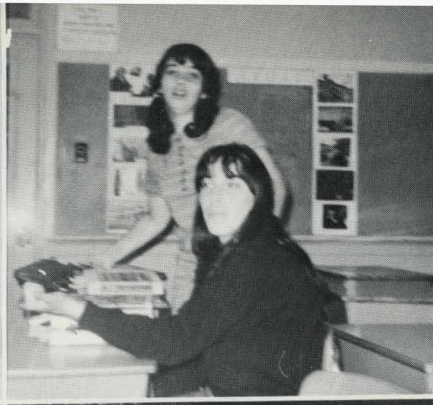

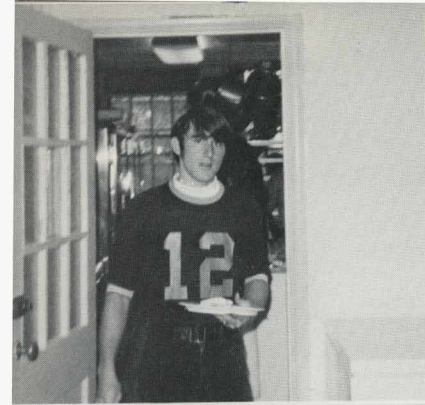

As we complete our Senior year, it is only fitting that we find ourselves looking back on our happy years at P.H.S.

As Freshmen, we were aware of the need of an education. For our leaders, we chose Frank Reis, president; Donna Joseph, vice-president; Marcia Enos, treasurer; and Debbie Santos, secretary. James MacFarlane and Thomas Jackett were chosen as Student Council representatives; and Mr. Michael Kacergis accepted the position of class advisor.

The most memorable event of that year was the Freshmen Reception when we were formally welcomed into the Senior High School.

In our Sophomore year, we elected Frank Reis, president; Donna Joseph, vice-president; Marcia Enos, treasurer; and Debbie Santos, secretary. Cynthia DeSilva and Thomas Jackett were our Student Council representatives. Mr. Paul Boire graciously accepted the position of class advisor. Throughout the year, scholastically and athletically, we set a record of accomplishments in which we can take pride.

As Juniors, we were fast approaching our final year and knew that important leadership was essential. With that in mind we chose Frank Reis, president; Donna Joseph, vice-president; Marcia Enos, treasurer; and Debbie Santos, secretary; Mr. Boire again accepted the position as class advisor. Student Council representatives were: Mark Souza, Gary Martin, Cynthia DeSilva and James MacFarlane.

# History

One of the highlights of our Junior year was our successful football concession stand, which was an enjoyable and remunerative class activity.

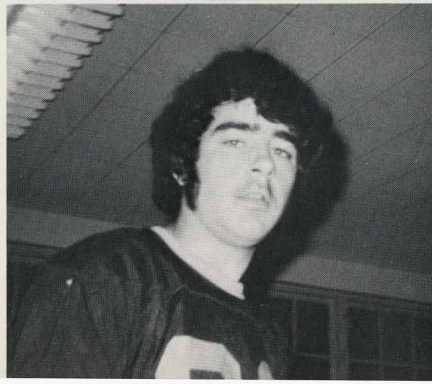

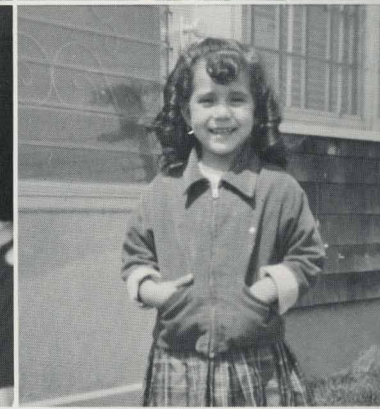

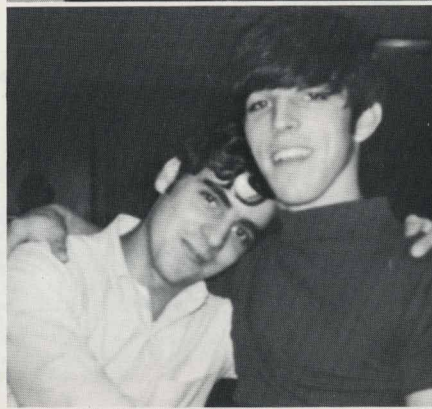

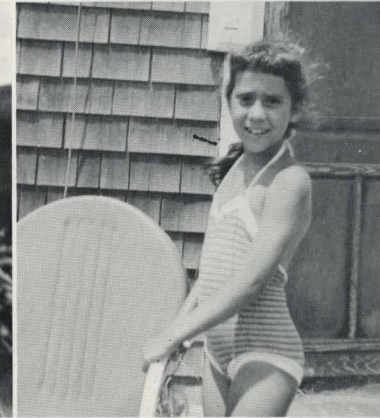

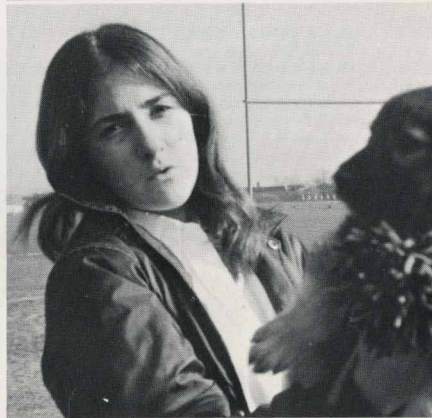

As January approached, all thoughts were quickly directed to the preparation of our memorable Junior Prom. Using the Theme of "Romeo and Juliet", the Town Hall was beautifully decorated. The judges, after much deliberation, were able to choose a queen and queen's court from the beautifully dressed young ladies and a king from the handsome young men.

For our last and most important year, we elected Frank Reis, president; Joy Packett, vice-president; Linda Meads, treasurer; and Brenda Roderick, secretary; John Brock, Cynthia DeSilva, Betty Gonsalves, Sonia Liles, and Donna Joseph were chosen as Student Council representatives and Mr. Paul Seeley as class advisor.

Our first social activity of the year was our Freshmen Reception. Using the theme of "Sesame Street", the gym was splendidly decorated. The freshmen dressed in their bibs and bonnets added to the merriment of the reception. True to our past record, we were well represented on every athletic team and on the cheering squad.

Now, our interest is focused on what lies beyond graduation, since we know that graduation is not a final step but a step into the adult world.

# Senior Class Prophecy

In the Year 1976

Hey Debbie, Hey Donna, let's take a look and see how the witches did in their predictions.

According to the three witches the five years following the graduation of the class of 1971 were to bring numerous changes. Each boy and each girl was to travel a different path on their roads to success and happiness.

... Well, the year is now 1976 and the occasion is the first reunion of the Senior Class of Provincetown High School.

---

DEBBIE, whom you all know,  
Still follows Steve wherever he goes.

FRANK REIS, who is the apple of Ida's eye,  
Is now the gym teacher at P-town High.

GAIL MERRILL quit the home scene  
Now she is Ricky's motorcycle queen.

JOE FARROBA is now making the scene  
Along the streets of Boston—Picketing.

JOHN BROCK is now in a mess  
And split the scene  
After beating the Rat's chest.

JULIA KELLY, our hippy queen,  
Can be found at Harvard Square  
As the leader of her own regime.

BETTY GONSALVES, our "Best Student,"  
Begins her work at dawn  
She's employed at a famous hotel  
Cleaning the ladies "John".

MARCIA ENOS didn't get very far  
Until she caught up with her good luck charm  
That good old Henry bar.

CYNTHIA BAKER, our class Fuzz,  
Is still by the telephone  
Waiting for her buzz.

DAVID WATTS was really out of sight  
Especially on the night  
He flipped over his little blue Sprite.

DEBORAH MALCHMAN made her fame  
On the television show, "The Dating Game."

KENNY LOPES, whose homework was never done,  
Now roams the streets  
As a regular bum.

TOM DeCARLO kept his pace  
And became part owner  
Of the restaurant, Sal's Place.

STACEY LAMBROU, whose nickname is mouse,  
Will someday get married  
And live in Roger's house.

CHRIS HOLWAY, our class electrician,  
Thought he would become famous,  
Boy, did he get a shock!

RICKY MACARA had "Triumph" printed on his parka  
Even though he still rides his crummy Hodaka.

RAMOUR HARDING is now manager of Johnson  
& Johnson's Baby Powder Inc.

MARIO JANARD, who was always thinking  
About how to get out of school,  
Is now seen driving his father's Lincoln  
Without breaking the Golden Rule.

GARY MARTIN, Mr. Dahill's pet,  
Is now a rich and famous architect.

GLEN COATS, who is always in a whirl,  
Said—"I wanna be big enough to dance with my girl".

BRENDA RODERICK, the basketball star,  
Is now employed at Jim Dalpe's Bar.

Until one day she did total it,  
RAMONA did drive Tony's goat,  
Now she can be seen  
Driving Tony's father's fishing boat.

MARK SANTOS rides around in his new V.W.,  
And still goes as fast as a "Bullet".

JOY PACKETT had a racket  
It wasn't for her to marry  
Instead she collected diamonds  
From every Jim, John, and Harry?

DANNY LaFRANCE from Vermont he will flee,  
To spend his summers in P'town so he may water ski.

LINDA MEADS smiled with gleams  
Because she was known as the "tiger of the team."

Although she lost weight on her diet,  
KATHY JOSEPH still remained very quiet.

SONIA LILES, who was chosen as class heartbreaker,  
Is sitting at home  
Waiting for someone to take her.

MARK SOUZA, whose wondering never ceased,  
Until he graduated from college  
And married Denise.

BILLY SOUZA, a fisherman is he,  
Married Brenda  
And spent the remainder of his life at sea.

BOBBY ZAWALICK, our class clown,  
Continues to wear a smile,  
Even if he is feeling down.

DONNA JOSEPH goes to work tardy  
Because she is so exhausted  
From those weekend parties.

JILL WOODS, who thought she had a lot of soul,  
Is now with Frank  
At Woods Hole.

PETER CABRAL, our wall to wall drummer,  
Played a solo at San Quentin  
For a summer.

BRUCE LANDRY is a cop  
His code name is Flacker  
Everytime he rats  
He is rewarded a cracker.

BRENDA JO SILVA, as everyone can see,  
Rides around town with her hubby  
Bruce C.

"BUTCH" JOSEPH decided that the wildlife  
Was his to be,  
However he got no farther  
Than the shores of New Jersey.

LARRY LAWRENCE, known as "Hippy,"  
Always says to Cindy  
"You can bet your sweet bippie."

Because STACEY dug Mount Ida,  
She studied very hard  
And is now much brighter.

DANA HENRIQUE was a real sharp dresser  
Until all his clothes burnt  
In the Laundry's hot iron presser.

JIM MacFARLANE, whose nickname is "Mac",  
Can be seen running  
On an Olympic Track.

CINDY hasn't lost her smile  
Even though she's married  
Now she cleans her great big house  
And tends all her little "Larries."

After graduation TOMMY and RICKY received  
That long anticipated letter admitting  
Them into "Hell's Angels".

PETER MARTIN, keeper of the church,  
Went to Trinity College.  
He never graduated, but instead got married,  
And gained a lot more knowledge.

Voted most serious was PEGGY LYNCH  
She thought catching? would be a cinch.

The Junior Class

# Junior Class History

Knowledge, development, understanding – every student strives for these qualities. Each student has his own motivation for obtaining his goals, his own incentive to continue, all of which reflect the uniqueness of an individual. However, everyone has one thing in common – A SEARCH.

In our Freshman year, we elected the following officers: Mark Silva, President; Joan Santos, Secretary; Colleen Stevens, Treasurer; Zana Roderick and Kirby Bevans, Student Council Representatives. For class advisor, we elected Miss Gloria Taves. The main purpose of the officers, student council representatives, and faculty advisors is to contribute value and strength to the entire school program by assisting in planning activities and creating a school spirit that will hold high the standards of Provincetown High.

The Seniors, with their fine presentation of our Freshman Reception, “World of Fantasy,” initiated us into the high school. After overcoming the exciting first year at Provincetown High, we were prepared to expend our best efforts toward the future.

As Sophomores, we elected Mark Silva, President; Joan Santos, Secretary; Joanne Joseph, Treasurer; and Zana Roderick, Thomas Dahill, and Candie Leonard as Student Council Representative. We were pleased to have Mr. Fred Turner as our class advisor.

For the present year, we have re-elected Mark Silva, President; Ida Souza, Vice-President; Joan Santos, Secretary; Joanne Joseph, Treasurer; and Zana Roderick, Thomas Dahill, and Candie Leonard as Student Council Representatives. We chose Mrs. Patricia Lewis and Mr. Paul Warner as our class advisors.

Among our activities we had a concession stand at the football games which proved to be a financial success. We sold hotdogs, potato chips, soda, coffee, and a variety of baked goods made by students in our class. We have had a “Homecoming Dance” which was enjoyed by the students as well as the teachers. At present our plans for the Junior Prom “The Age of Aquarius” are underway. We have worked together on our activities and although they have proved that they require a lot of work, there have been many memorable moments of good times and fun.

We, the class of 1972, feel it is a privilege and an honor to be part of Provincetown High School. We realize that privilege and duty walk hand in hand with our future.

You know it’s almost over! In a short time we will have accomplished what at first seemed would take an eternity to complete.

We feel joyous, self assured, and liberated from what ever bonds which may have held us. Then we realize the beginning will always come again. Frenzied voices, hands of people, always forgetting something we meant to remember. . .

# The Sophomore Class

## Sophomore Class History

### 1969-1970 Freshmen

Being a Freshman was a time of joy, a time of sorrow, a time of excitement, a time of regularity, a time of confusion, and a time of assurance. To guide us through our Freshman year we elected: Thadd Papetsas, President; Melia White, Vice-President; Joanne Gaspie, Secretary; and Denise Santos, Treasurer, for Student Council representatives, we elected Amy Jackett and Christopher Merrill, with Vaughn Cabral as alternate. Miss Gloria Taves accepted the position of class advisor.

Our Freshman year was highlighted by the Freshman Reception which was held on October 9, 1969. The Senior class of 1970 chose "The Wonderful World of Children" as the theme for the reception.

After marching in the gaily decorated gym, wearing our baby bonnets, bibs, and pacifiers, we were finally and officially initiated into the high school. The evening was a memorable one for us.

As for activities, we held several successful cake sales, we also had a class party in June of 1970 to celebrate the end of our first high school year.

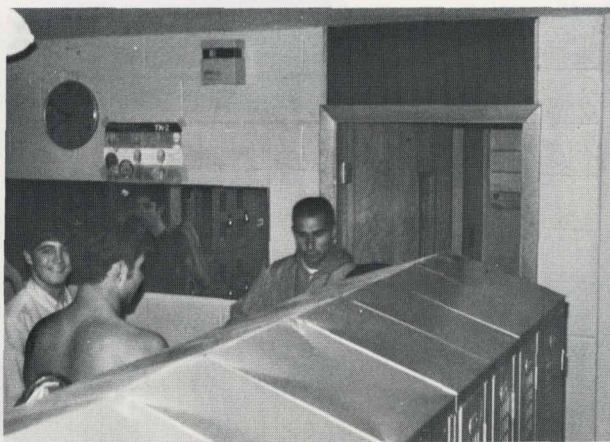

### 1970-1971 Sophomores

Determined to attain higher achievements by setting greater goals, we enter our Sophomore year. For class officers, we elected: Russell Zawaduk, President; Melia White, Vice-President; Joanne Gaspie, Secretary; and Denis Santos, Treasurer. Under the new system adopted for the school by the Student Council, we were allowed to elect three representatives. Robert Brock, Robert Lisbon, and Thadd Papetsas were chosen. Miss Gloria Taves and Mr. Fred Turner presided as our class advisors.

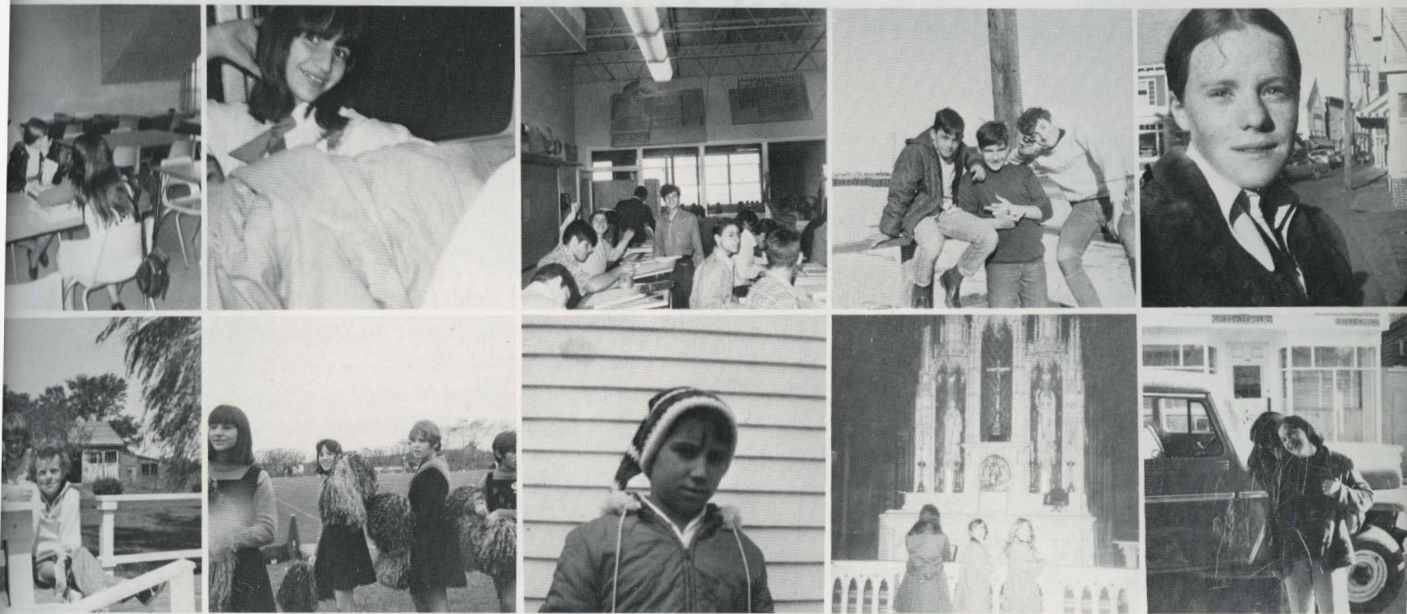

We sponsored a dance in November and have planned various other activities that will keep the class of 1973 an active part of Provincetown High School.

Looking back at our Freshman year, we realize our mistakes. As we gaze into the future, we see our goals waiting to be achieved.

## The Freshman Class

### Freshman Class History

On September 9, 1970, the lunar module of the Freshman Class orbited around Provincetown High School. An anxious crew landed, cast out their probes, and prepared to enter the unknown corridors of learning in their first year of high school.

To man our spaceship in the right direction, we selected our officers: Richard Costa, President; Teri Lambrou, Vice-President; Audrey Griggs, Secretary; Karen Silva, Treasurer. To represent us on the Student Council, we chose Betsy Hann and Elizabeth Reis. We are honored to have Miss Carol Hickey as our class advisor.

Our first year in high school was blasted off by the

Freshman Reception, under the auspices of the Senior Class. It was held in our school gym, which was beautifully decorated in the theme of "Sesame Street." Each of us was presented with lollipops and baby bonnets, which represented our initiation into the high school. Everyone agreed, it was a wonderful evening.

We are represented in all school athletic events, football, field hockey, basketball, softball, baseball, track and the cheering squad.

After meeting our accomplished group of astronauts, don't you agree that they command a great spaceship?

# Industrial Arts Department

Industrial Arts Courses are offered to students from grades 7 through 12. Students in grades seven and eight are required to take two periods per week of classes. The material in these classes consists mainly of a variety of experiences in the areas of woodworking and metalworking. Technical Drawing is touched upon to help students in the area of planning.

The main objective of the four year program in the Industrial Arts course is to provide students with the opportunity to explore a large variety of technical fields. Students are required to take subjects such as technical drawing, woodworking, metalworking, power mechanics, electricity, and basic electronics, along with English, algebra, science and social studies.

After four years of study, an Industrial Art student is prepared to work as an apprentice under the guidance of a local carpenter, electrician, etc., or to enter a two year technical school to specialize in the area of his choice.

The Industrial Arts courses are also available as an elective to any of the students in grades nine through twelve, including girls as well as boys. Experiences in the shop areas usually consist of two or three periods per week on an elective basis. Some of these students are also allowed to take courses with the regular Industrial Arts students providing they can fit them into their individual schedules.

The Industrial Arts Course was started when the present senior class were freshmen. We are the first class to have completed four full years as Industrial Arts students. Some examples of school and community activities that we have been involved in are building a room for the Audio-Visual Aids Department, remodeling of the trophy case outside of the cafeteria, building of equipment for the Provincetown Fire Department for use in fire training, construction of storage buildings, construction of a student concession stand, and construction of a student store.

Mr. Ernest Carreiro, a former Industrial Arts Instructor, began this program four years ago. Mr. Jackson Hibbert worked with Mr. Carreiro as an Industrial Arts Instructor for two years. This year with changes in the high school faculty, we have three new instructors. Mr. Scott Deering is a full time instructor in the areas of metalworking, power mechanics and electricity, and electronics. Mr. Matt Abbott is a full time instructor in the areas of technical drawing, and woodworking, Miss Winifred Tickner is a part time instructor in the area of Technical Drawing. We sincerely hope that these instructors will continue to develop the Industrial Arts Program, and offer the student body the opportunity to become involved in activities that make up the necessary educational experiences.

# Junior Prom

Reminiscing

Time: Spring 1990

"Hey Ma! Guess what?"

"I guess - what?"

"Take three guesses on what the theme for our prom is."

"Oh, come on, you know I'm no good at guessing! Mine was Romeo and Juliet. What's yours?"

"Romeo and Juliet? Are you kidding? How in the world could you turn a hall into a prom with that kind of a theme?"

"That's exactly the problem we faced when our class decided that the theme for our prom was to be Romeo and Juliet."

"As I recall, we had a very short time to transform a barren, dismal, but spacious hall where annual town meetings were held, into a night to remember. It was a monumental task, but night after night, and little by little, we could see progress, until we finished the night before the prom. At that time, those who had been decorating sat up in the balcony to look down upon the splendor we had created. Our fountain of youth bubbled under soft blue lights which partially illuminated the hall. The balcony upon which Romeo and Juliet would be seated the next night, was decorated with tiny white flowers from top to bottom. Even the judges stand was decorated to resemble the setting where nobility in the days of old held their tournaments."

"When May 22 finally arrived, everyone was nervously anticipating the Grand March which was scheduled for nine P.M. Marching to the spirited music of the Mel Von Sextet, we felt a sense of pride in our accomplishment. The hall was so beautiful, the girls dressed in lovely gowns, and the boys handsome in their tuxedos, made it all seem like a dream. Then we danced to, let me see, the theme song of 'Romeo and Juliet'. Soon it was time for the judges to select our Romeo and Juliet. With anticipation and eagerness we waited for the decision. Juliet's court was finally announced: Linda Meads, Ramona Pacellini, Kathleen Joseph, and Stacey Lambrou were chosen. After what seemed to be an interminable lull, Gail Merrill was

Our Prom King and Queen: Gail Merrill and Joseph Farroba

crowned and escorted to the throne on the stage. 'Romeo, Romeo, wherefore art thou Romeo?' was soon answered when Joseph Farroba was chosen as our Romeo, and took his place beside Juliet. It was one in the morning before the most unforgettable event of our high school days came to an end."

"So how's that for a Prom of Proms?"

"Gee, I Hope our prom turns out that good."

"By the way, son, what IS the theme of your prom?"

AT SESAME STREET

Time: 8:00

Date: Thursday, October 9th, 1970

Place: P.H.S. Gym

Setting: Starry blue streamers envelop the ceiling; multicolored blocks and stuffed animals are scattered around the floor; and alphabet and number murals are decorating the walls.

Characters: Dignified Seniors and infantile Freshmen.

Behind the Scenes: "Everybody quiet," yelled Mr. Paul Seeley, the Senior Class Advisor.

Lights . . . . . Camera . . . . . Action

Senior President, Frank Reis, and Freshman Vice-President, Teri Lambrou led the Seniors and their Freshman partners to the premiere of Sesame Street at Provincetown High School. While wearing bonnets and lollipop boutonnières the Freshmen reluctantly made their debut.

Under the leadership of Freshman Class President Richard Costa, the Freshmen recited and dramatized a Sesame Street poem before a spell-bound audience. After the approval of the Senior judges and the long desired removal of the Freshman bonnets, the Grand March continued. The climax of the evening came when the Freshman President assisted by the Senior President triumphantly broke the Big Bird Pinata, which symbolized the acceptance of the Freshmen into Provincetown High School.

The initiation of the Freshmen was followed by dancing to the music of the Expressway South.

At midnight the action stopped, the flood lights dimmed, and the cameras ceased to roll.

As a result of a schoolwide election, the following officers were chosen by the student body: John Brock, President; Jill Hann, Vice-President; Sonia Liles, Secretary; Betty Gonsalves, Treasurer. Later, each class selected class members to represent them at the meetings of the Student Council.

The Student Council is an important organization in any school. It is not only a student governing body but also a liaison group between the administration and the students. The Student Council enforces and regulates school rules, and listens to the requests of the faculty and the students.

Among the accomplishments of the Student Council this year are the initiation and establishment of senior privileges and the discontinuance of the dress code. With these achievements the Student Council feels it has laid a foundation that future councils can hopefully build upon.

# Music

## P.H.S. Band

Why aren't there more students in the Provincetown Junior-Senior High School Band? Is it because of the music we play? We don't believe this is so. Although we have a young band, we are progressing. We have learned new tunes for Christmas and Spring concerts. If the lack of interest is caused by the number of appearances we make, we have our annual Spring and Christmas concerts, and, in addition, we have been asked to play in various parades, and to accompany other organizations. As in the past years, our better players have the opportunity to audition and take part in the Southeastern and Cape Cod Music Festivals.

We have been fortunate these past two years to have a teacher so interested in our band and how we perform, that he has devoted his spare time, giving lessons to anyone who so desires, even though the lessons may be given on Saturdays.

Another hindrance to the growth of the band is that music seems to be of minor interest not only in the high school but also in the town. If it cannot be influenced by first, the parents at home and secondly, outside of school, then growth is difficult. By attending our annual concerts, both the students and townspeople would strengthen the morale of the band.

Our little group will keep on playing and doing our best, and maybe someday music will become not only a part of the major curriculum at Provincetown High School but also of everyone's life.

Brenda Jo Silva '71

## P.H.S. Chorus

As I was walking down the hall last week, I decided to audit our 1970-1971 choral group. I was truly surprised to see that the size of our chorus has almost doubled since last year. It was disappointing, however, to learn that the number of male participants in the group had decreased. Out of a total of thirty-eight members, only four are boys.

We all recall last year's Christmas Concert which was performed three times with great success under the direction of Mr. James Smith. Another success was last year's Spring Festival performed in the Provincetown Town Hall.

After listening to this year's chorus, again under the direction of Mr. Smith, I feel that the P.H.S. Chorus will have another successful year despite the lack of male voices.

# Future Teachers of America

To begin the year of 1970-1971, the Future Teachers of America, met under the guidance of Mrs. Anita Berman and elected the following officers: Jill Woods, President; Sonia Liles, Vice-President; Linda Meads, Secretary; Brenda Roderick, Treasurer; Cathy Cook, Parliamentarian.

The Future Teachers of America is a vital part of our school activities, especially to those students who are interested in teaching careers. In affiliation with the elementary school, the students not only have the opportunity to observe classes, but also to experience

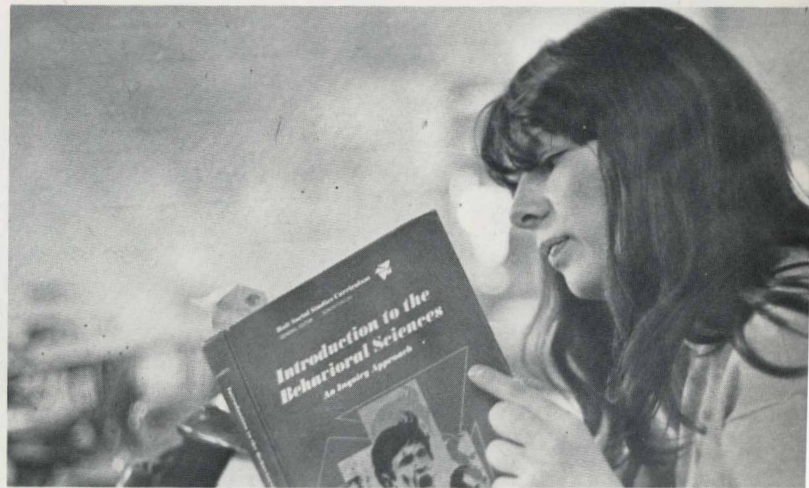

actual classroom teaching.

Through a variety of activities, the F.T.A. provides scholarship funds for seniors who are furthering their education, teacher of the year awards to those teachers deserving recognition, and school assemblies relating to the field of teaching.

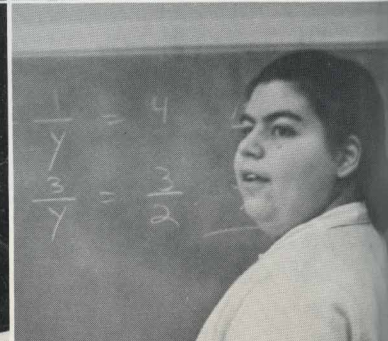

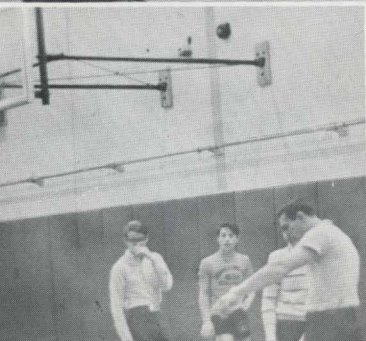

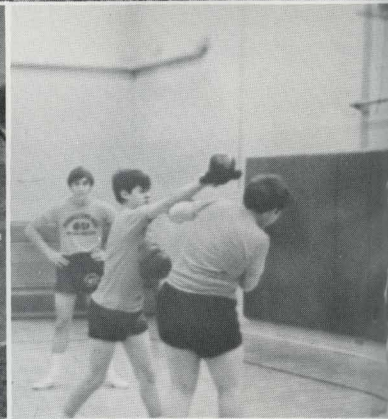

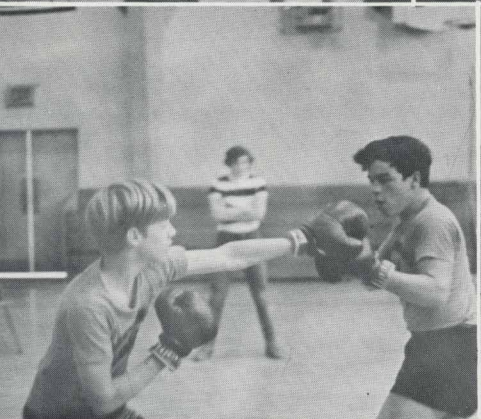

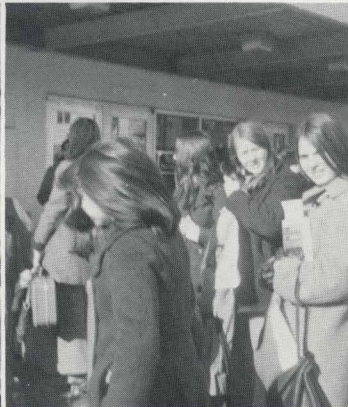

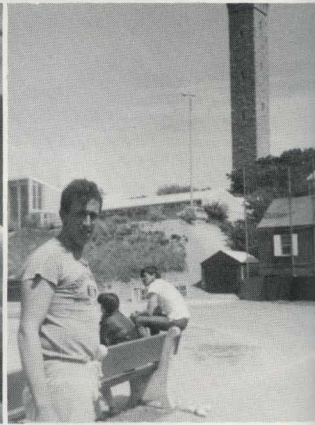

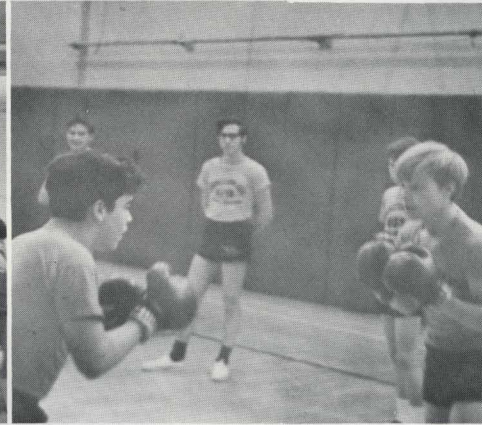

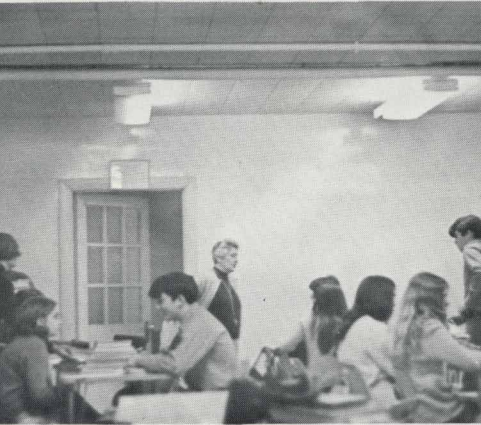

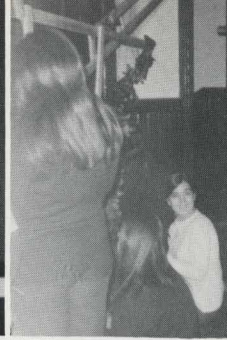

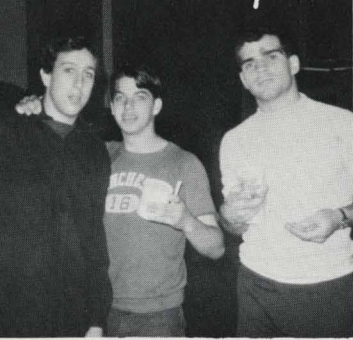

These activities involve the students in their organization, and thus help them to build a better character and a better school.

## Activities Review

# Football

## Football

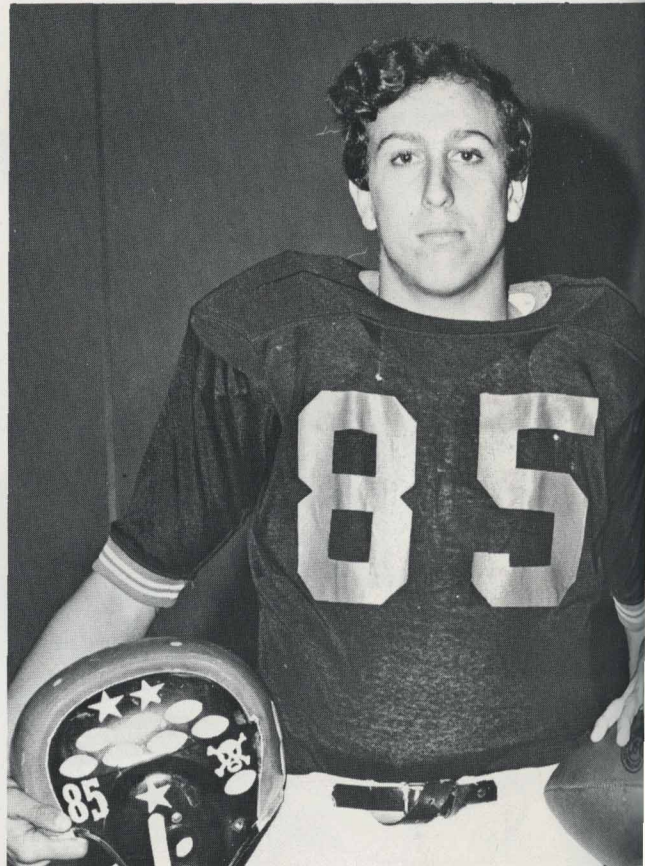

The 1970 P.H.S. football team chalked up another winning season to add to winning seasons of the past. Although five wins and four losses isn't the best record that the team has ever compiled, the record is deceiving because the team played every game with spirit, ambition, and determination.

Led by Senior Co-captains Frank Reis and Joe Farroba, the team never lost its spirit and drive. Highlighting the season were the back to back victories on the islands against our Mayflower League rivals, Nantucket and Martha's Vineyard, as well as a home victory against a tough Old Rochester squad. Unfortunately, the two away victories were not league games, and an earlier loss to Nantucket, coupled with a loss to Blue Hills, brought the defending Mayflower League record to two wins and two losses, thus dropping out of first place.

Seniors playing their last football games for P.H.S. were Co-captains Frank Reis and Joe Farroba, along with Jim MacFarlane, Ken Lopes, Tom Steele, Rick Smith, Pete Cabral, Tom DeCarlo, and Larry Lawrence.

With thirteen lettermen returning to next year's squad, the prospects of a winning season look good for Head Coach Mr. Stephen Goveia, and Assistant Coaches Mr. Paul Seeley and Mr. James Smith.

## VARSITY

Kneeling, left to right: Managers, Tommy Steele and Jeff Stranger, Peter Cabral; Co-Captains, Frank Reis and Joe Farroba; Gary Martin, Jimmy MacFarlane, and Managers, Carl Goveia and Tommy DeCarlo.

SECOND ROW: Coach Elmer Silva, David Perry, Dana Motta, Tommy Dahill, Mark Silva, Robert Brock, Bill Sylvester, Russell Zawaduk, Dennis Santos, and Assistant Coach, Fred Turner.

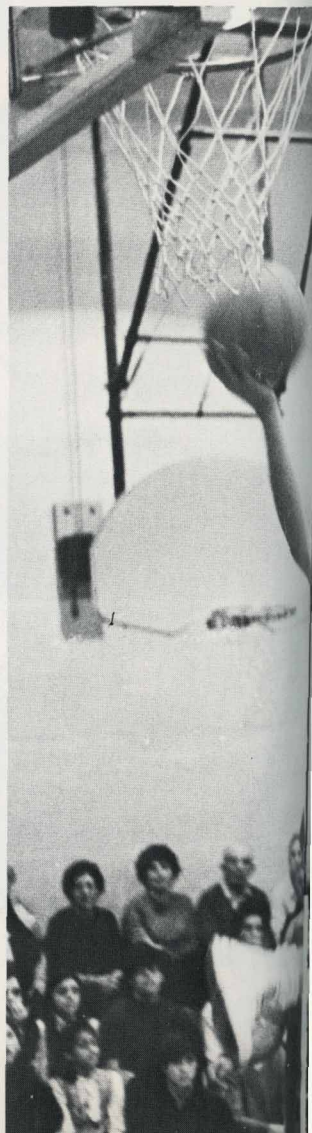

This year our basketball team has taken a turn for the better. In the past few years, our team had been considered a weak sister but this is definitely not the case this year. With our new coach, Mr. Elmer Silva, and a new running style of game, our team up to date has compiled an impressive 7-1 record. The only loss was a one point verdict to Falmouth 65-64.

As for our league standings, we are presently sitting in first place with a 5-0 record, followed very closely by Martha's Vineyard who is 4-1.

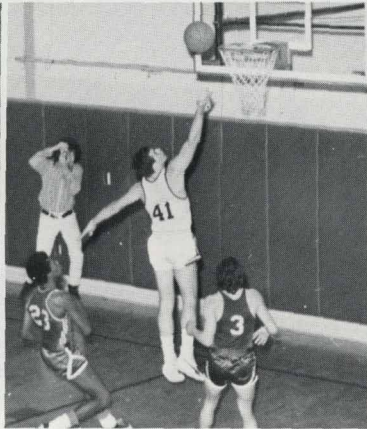

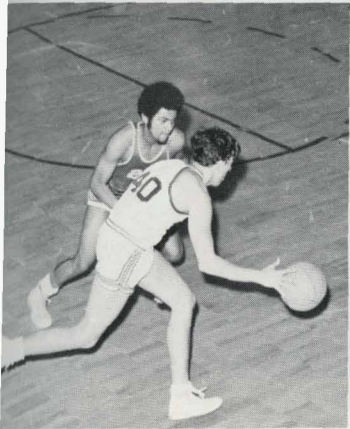

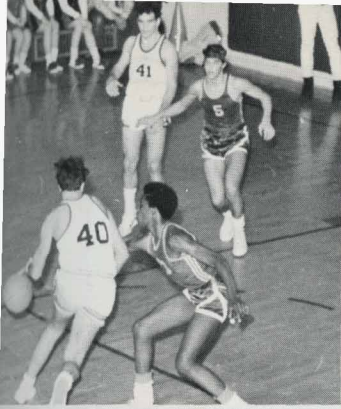

The success of our team this year is not only reflected in the attitude of the players and students but can also be seen in the townspeople who are flocking to the games to see the fine dribbling and passing of Joe Farroba, the superior shooting of Dennis Santos, and the all around improvement of Gary Martin.

Just how far our team will go this year is too early to determine but one thing is sure, Provincetown is once again a basketball power and the rewards of a championship are certainly within our reach.

## Girls' Basketball

Because our team lost two seniors last year, we began our basketball training with a strong and experienced team and hopes for a victorious season. After a week or so of training, Miss DeRiggs decided that Linda Meads, Brenda Roderick, Cindy DeSilva, Amy Jackett, and Jill Hann would be our players on the starting team.

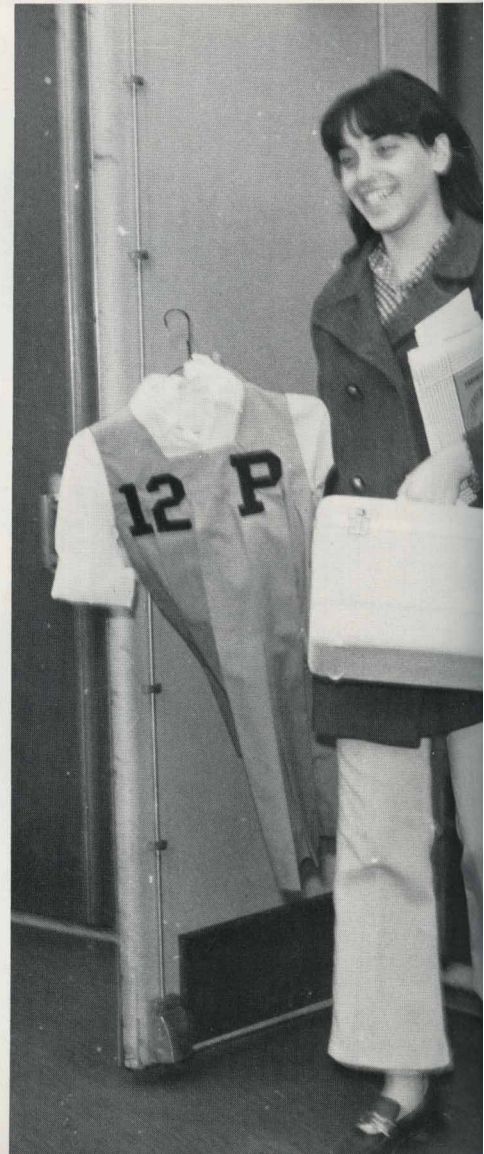

Because of the radical changes in the basketball rules for girls this year, we were determined to get down to business, learn the rules, and apply ourselves until we achieved our goal.

Under the guidance and excellent coaching of Miss Elizabeth DeRiggs, we have a tremendous advantage over many other teams and we are making the best of her skills.

Even though we are only half way through the season, it is an undefeated one with a record of nine wins and no losses. Brenda Roderick and Cindy DeSilva; co-captains; Linda Meads, Brenda Jo Silva, and Cindy Baker, are all graduating this year and will miss playing another year.

Through our experiences in basketball we have been taught self-control, respect for others, and to take defeat with a smile.

1970 TEAM

Baseball '70

Under the excellent coaching of Mr. Stephen Goveia and Mr. Paul Seeley, the baseball team won its second consecutive Cape and Island Championship with a fine 9-1 record and thus advanced to the State Tournament. However, despite a great team effort, we were eliminated in the first game of the Tournament after losing to Dennis Yarmouth with a score of 15-6.

The highlight of the 1970 season was our victory over Harwich at Provincetown by a score of 5-4, for it was this victory which put us in first place. We then faced Sandwich in our final encounter and were successful in our bid for a win by defeating them 7-4.

Our team was fortunate in having many talented players and superior team effort. Joe Farroba, Dennis Santos, and Frank Reis were chosen for the Cape Cod All Star Team.

Although we have lost five seniors, 1971 promises to be another good year, as we have a good group of freshmen and sophomores out for the team.

## 1971 TEAM

Seated left to right: Michael Costa, Tommy Steele, Captain, Frank Reis, Joe Farroba, Coaches, Mr. Paul Seeley and Mr. Stephen Goveia, and Thadd Papetsas. SECOND ROW: Austin Rose, Carl Goveia, Mark Silva, Dana Motta, Dennis Santos, Robert Brock, and Tom Holway. THIRD ROW: Russell Zawaduk, Dennis Rego, Gary Silva, Authar Roderick, Russell Perry, Tommy Gaspa, Arthur Avila, Martin Menangas. THIRD ROW: Larry Brownell, Chris Cook, Jeff Strange, Phil Woodrow, Richard Gurtin, Leo Rose, and Richard Costa.

# Softball — 1970

Once again the girls' softball team showed their athletic capabilities by ending a successful season in a tie for first place with Nauset. An overall record of eleven wins and one loss, was achieved not only by our tremendous determination and effort, but also because we are fortunate in having an excellent coach, Miss Elizabeth DeRiggs. Through her coaching we had a successful season with many enjoyable memories to share.

This year, by hard work, determination, and working together, we hope to reach the top but not only do we wish to be on top, we are striving to be there alone.

THIRD ROW: Neila Roderick, Mary Rose, Debbie Lawrence, Karen Silva, Kim Steele, Elizabeth Reis, Georgette Cook, Cathy Cook, and Melinda Grover.

Although the 1970 Field Hockey team was young, we managed to win a few games, because of the determination and the superb coaching of Miss Elizabeth DeRiggs.

Even though the 1971 team is losing four seniors, the future looks promising because each remaining member has had experience, but more important, they have good spirit and strong determination.

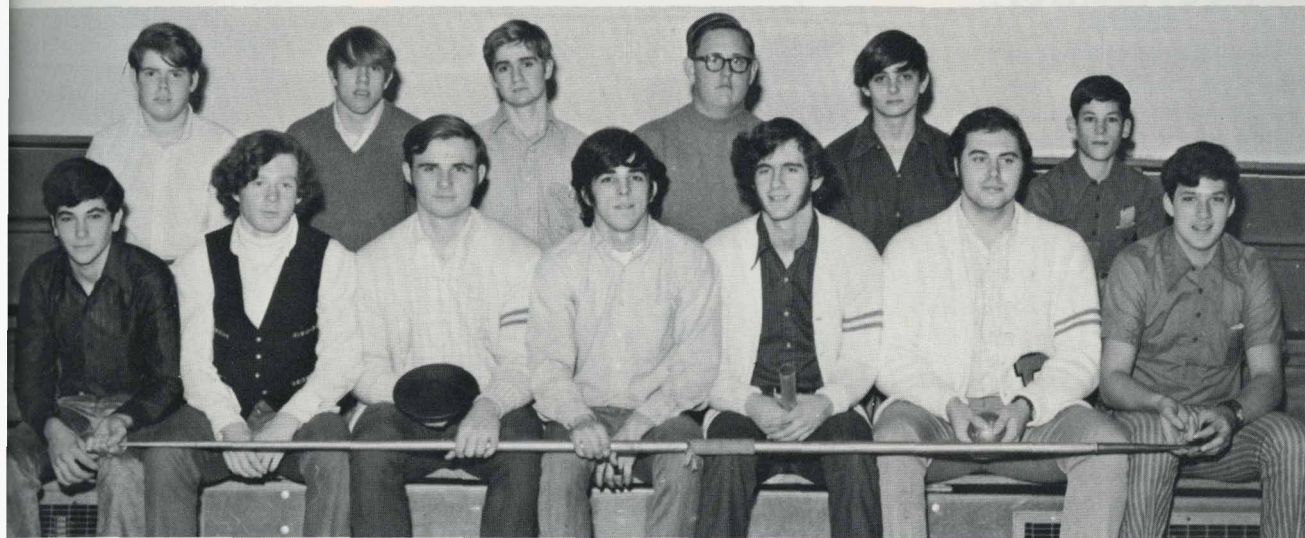

Our record for the year was two wins, four losses, four ties.

Last year was a year that turned out several stars in their respective events. Bobby Zawalick, Kenny Lopes, Tommy DeCarlo, and Tom Dahill were outstanding. Our problem seemed to be a lack of depth. We won the first places but we couldn't seem to get the second and third places which are very necessary to win track meets. Time after time we lost meets by less than ten points. These second and third points would have turned defeat into victory.

We are looking forward to track this year because our star performers are returning and we are hoping to pick up the depth we lacked last year.

## Sailing Team

Provincetown High has added another sport to its extracurricular activities. Through the efforts of Mr. Richard Santos and Mr. Edward Dahill, it was possible to have sailing accepted as a letter sport.

Three years have passed since the first race in which the team took part, and in those three years, the team has won three trophies. Another first for the school was the awarding of letters for the sport to Mike Andrews, Mike Costa, and Tommy Dahill.

As Provincetown has the best possible facilities for sailing, this sport should grow in popularity and have the enthusiastic support of the school and town.

Kneeling left to right: Geraldine Costa, Joyce Martin, Ida Souza. SECOND ROW: Rhonda Coats, Marcia Enos. THIRD ROW: Teri Lambrou. Standing from left to right: Co-Captains, Betty Gonsalves, and Debbie Santos.

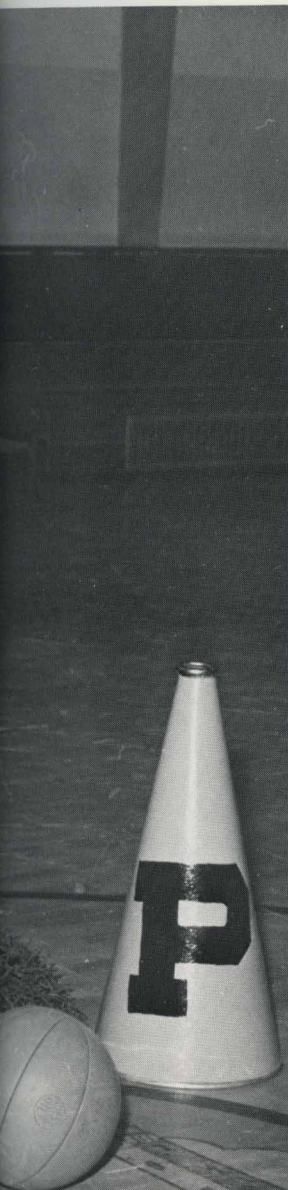

The Provincetown High School cheerleaders for the 1970-1971 season were selected in May of 1970 and the following students were chosen: Betty Gonsalves and Debbie Santos, Co-Captains; Marcia Enos, Ida Souza, Geraldine Costa, Rhonda Coats, Charlene Hilton, Joyce Martin, Claudia Santos, and Teri Lambrou.

With the lack of an advisor, an area to practice, and the shortage of uniforms, the year presented the squad with difficulties. Because we were dissatisfied, we looked for solutions to our problems. We arranged with the Veterans Memorial School to use the multipurpose room after school for practicing. We were also able to solve the problems of an advisor and uniforms and through hard work and determination, we have shown progress.

With ample school spirit and vitality, we have led our team on to victory. When the agony of defeat is tasted, we never stop encouraging and supporting our team.

We are all very proud to be cheerleaders of Provincetown High, and we hope the future cheerleaders will continue the traditions established by the cheerleaders of 1970-1971.
