Town File

December 14, 1960

Congressman Wayne W. Aspinall, Chairman
Committee on Interior and Insular Affairs
House of Representatives of the United States
Washington, D.C.

Dear Sir:

I am writing you on behalf of the members of the Provincetown Property Owners' Protective Association whose names and addresses are listed at the foot of this letter.

At a meeting of the Association the members hereinafter listed unanimously voted in favor of sending you the following communication:

We urge you to oppose Massachusetts House Bill 3290 which would convey to the town of Provincetown a tract of land within the limits of the Province Lands at Provincetown, which lands are now included in the National Park as projected in the measure before the United States Congress, for the following reasons:

- (1) Included in the proposed conveyance is an area consisting of woods, marshes, ponds and dunes, which area is included within the proposed Cape Cod National Seashore Act and within the boundaries as defined in the Saltonstall-Kennedy-Keith bill, as revised. This area would constitute one of the most beautiful portions of the proposed park and should be included as a part of the National Park, in order that its natural beauty may be preserved and conserved. In the hands of private individuals it would be highly commercialized and would, undoubtedly, produce a honky-tonk development bordering on the Park.
- (2) The area in question is needed as a protective barrier between the dunes and the Town of Provincetown and should not be destroyed by a conversion of same into a commercial development.
- (3) The area in question is a haven for natural wild life and should for that reason be conserved and preserved.
- (4) The area in question is not necessary for the expansion of the Town of Provincetown, as there are ample lands now available for such expansion which have not been used to date.

Respectfully yours,

Maurice C. Brigadier, President
Provincetown Property Owners'
Protective Association

Jean Bultman, Secretary

Victoria Braun, Treasurer
