PORTUGUESE PORTS & MADEIRA'S

RUBY PORT, SANDERMAN Ruby ranks as the simplest, fullest, most straight-forward of all ports; the youngest of ports. Fresh and fruity. Best after dinner	2.00
ROYAL TAWNY PORT, SANDERMAN Royal tawny has an average age of 12 years of barrel aging. This produces a delicate tawney-hue color, with a smoothness and complexity to the flavor that lingers long and delightful.	2.75
FOUNDERS PORT, RESERVE, SANDERMAN Created from a special blend of the best vintage years from some of the finest quintas of the Douro. The port is matured in wooden barrels. Rich, full bodied but with a delicate style of a vintage port.	2.50
1980 VINTAGE PORT, SANDERMAN True vintage ports reign unchallenged as the finest of all ports. Aged about two years in barrels before it is decanted into its dark heavy bottle, this wine begins a long, slow process to maturity. Such development take years but the rewards are well worth the wait.	4.95

CONTRARY TO SOME OPINION, PORT WINES MAY BE ENJOYED DURING ANY COURSE OF THE MEAL.
