ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

153 Commercial St. is a 2-story, 2-bay, vernacular Greek Revival-style commercial building that has been converted to residential use; gable-front roof is sheathed in asphalt shingles, partial cornice returns; exterior clad in wood shingles with wood corner boards, and clapboard on enclosed front porch; building sits on a parged brick foundation; fenestration includes 1/1 vinyl DHS replacement windows, with paired single-pane vinyl casement windows in shed dormer; primary entrance is accessed by a pane-and-panel door with an aluminum storm door; enclosed 1-story hipped-roof front porch; exterior wood staircases provide access to 2nd- and 3rd-story entrances; shed dormer has two gable wall dormers.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
