FORM B - BUILDING

--	--	--	--

ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

34 Bradford Street is a 2-story, 3-bay dwelling with a central entry. The entry has a broken pediment hood, supported by battered square posts. Windows flanking the front door are grouped 6/1 DHS flanked by 4/1 DHS wood with storms. Other windows are 6/1 DHS. There is a fanlight in the top of the gable end. The roof has partial cornice returns, and there are shed dormers on each roof slope. An exterior brick chimney extends upward through the main roof and shed dormer eaves. The porch contains a brick stoop. The right side façade facing Montello Street contains paired and single 6/1 DHS. The left side façade contains paired and single 6/1 DHS with wood surrounds, an exterior brick chimney, secondary entrance with storm door and paired 4-light casements. Also on this façade, the shed dormer extends to become main roofline for rear 2-story section. The rear façade contains a 2-story addition has concrete block foundation, a slightly flared eave and has grouped 8-light and 6-light casements.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
