### ARCHITECTURAL DESCRIPTION

see continuation sheet

*Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.*

The Community Center at 46 Bradford Street is a 1-story, 5-bay building with a central entry. The side gable roof has a domed cupola at the center of the roof ridge, and a brick chimney rises from the rear roof slope. The central entry has a pediment entry porch supported by square columns. The entry has paired pane and panel doors with a fanlight above. Windows on the primary façade are 8/12 replacement DHS with snap-in muntins. The right façade is clad in wood shingles, contains a 1-story addition with 2-story section and has a lunette in main gable end. The left side façade has a secondary entry with concrete ramp and 8/12 DHS replacement DHS with snap-in muntins, and a covered lunette with keystones in gable end.

### HISTORICAL NARRATIVE

see continuation sheet

*Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.*
