ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

1-story commercial building. The primary facade has a central recessed entry, with the flanking bays occupied by fixed pane windows; gable ends are also occupied by fixed pane windows. Irregular plan; 2 storefronts connected to 2/2 by an archway, which allows for a path to another commercial entity in the rear section. Storefront windows near street are plate glass, and doors are metal and glass. Trim is wood.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
