ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

315 Commercial St. is a 2-story, 3-bay commercial building; gable-front roof is sheathed in asphalt shingles; exterior is clad in wood shingles with wood corner boards and trim; building sits on an obscured foundation; fenestration includes 2/2 wood DHS and single-pane plate glass display windows; primary entrance is accessed by modern multi-pane aluminum doors in recessed center bay of 1st-story modern commercial storefront; fluted pilasters separate the storefront bays; 1st-story enclosed porch with single-pane storefront windows that wrap around to west side and contain paneling between 1st and 2nd stories; attached to south facade is a 1-story, side-gable building with brick facing at the bottom half of the front façade and wood shingles on secondary façade, single-pane plate glass storefront windows and two front entrances containing modern metal and glass doors, appears to be circa 1940s.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
