FORM B - BUILDING

--	--	--	--

ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

227-229 Commercial St. is a 1-1/2-story, 3-bay, Classical Revival-style commercial building; low-pitched hipped roof is sheathed in asphalt shingles, modillions and dentils at cornice, hipped dormers; exterior is clad in wood shingles, wood pilasters have convex fluting and are located at corners and between bays; building sits on a parged foundation; fenestration includes single-pane plate glass window on front facade, 4-pane and 6-pane fixed wood historic windows on side facades, windows have heavy wood entablature surrounds, paired 12-light wood awning windows in hipped dormer; primary entrance is accessed by modern large-pane doors in the center bay, entrance is sheltered by a 1-story pedimented portico supported by Ionic columns, portico has cornice with dentils and modillions; secondary entrance on front facade is accessed by modern large-pane doors; paired loading doors located on east facade are surrounded by 6-pane wood fixed windows; later addition to south facade includes single-pane wood awning windows and 2/2 horizontal wood DHS and a recessed loading dock.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.

s1970?
