ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

101 Bradford Street is a 1 1/2-story, 3-bay, Greek Revival-style sidehall cottage with a setback side ell; the front-gable roof is clad in asphalt shingles, a shed dormer was added to the east and west roof slopes, shed and gable dormers exist on the ell and skylights; the exterior is clad in clapboard siding and the foundation is brick, includes corner pilasters, frieze and a full cornice return; the fenestration includes 6/6 wood DHS with storm windows, the shed dormer on the east facade has 2 Chicago-style windows and a 1/1 DHS window on its front (side facing) façade, and a multi-light octagonal window in its side wall, a shed dormer on the ell contains a 12-pane wood picture window flanked by 4/4 wood DHS and a 32-pane wood picture window flanked by 4/4 wood DHS, the gable dormer on the ell contains 6/6 wood DHS windows; the primary entrance contains a historic wood panel door with 5-pane sidelights, and door surround with pilasters and a full entablature; the set-back ell is 4-bays deep, and has a partial façade, incised porch with 2 wood pane and panel doors; There are gable and shed dormers on the ell; a concrete block exterior end chimney.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
