## FORM B - BUILDING

--	--	--	--

### ARCHITECTURAL DESCRIPTION

see continuation sheet

*Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.*

87 Bradford Street is a 1-story, 3-bay sidehall cottage with a 2-story addition at the side, which extends into the main roofline. The primary façade has partial cornice returns and corner boards. The primary façade has a replacement door and 2/2 DHS windows on the 1st floor, and a canted bay window supported by knee braces in the gable end. Windows in this bay are 8/8 and 4/4 DHS. There are shutters present at the 1st story. The door is reached by concrete steps and a wood deck. The 2-story addition, located on the southwest side of the building, forms a cross gable with the main roof. Cornices and corner boards are present; windows are 2/2 DHS. The windows on the side gable façade (facing Bradford Street) are located directly below the eaves.

### HISTORICAL NARRATIVE

see continuation sheet

*Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.*

### BIBLIOGRAPHY and/or REFERENCES

see continuation sheet

Recommended for listing in the National Register of Historic Places. *If checked, you must attach a completed National Register Criteria Statement form.*
