FORM B - BUILDING

--	--	--	--

ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

109 Bradford Street is a 1-story, 3-bay, Federal-style dwelling; the saltbox roof is clad in asphalt shingles, there are two interior brick chimneys, and the roof slope is interrupted by hipped wall dormers on both facades; the exterior is clad in clapboard on the west façade and wood shingles on the north façade; the fenestration includes 12/12 wood DHS and triple 6-pane wood casements and 6/6 vinyl DHS on the hipped wall dormers; The primary entrance contains a historic wood panel door, wood surround and historic fanlight with an "M"; A 1-story, 3-bay saltbox section is connected to the south side has a wood shingle covered front (east) façade, central entry with wood panel door, gable hood supported by square wood brackets and truss-like gable design

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.

Owner 1886 Stephen Mott, graver and caulker.
