ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

349 Commercial St. is a 2-1/2-story, 3-bay, vernacular Italianate-style commercial building; gable-front roof is sheathed in asphalt shingles, shed dormers; exterior is clad in wood shingles and vertical plank siding; building sits on an obscured foundation; fenestration includes 1/1 vinyl DHS windows, fixed single-pane storefront windows with molded trim; paired single-pane vinyl casements on side façade; recessed, raised main entry with paired large-pane wood doors; 1st-story cornice over storefront with dentils under eave; side entrance is accessed by modern door with balustrade above; 2nd-story deck wraps around to south facade; building almost entirely encompassed by addition; appears to be attached to a 1-1/2-story side-gable cottage that has been altered beyond recognition and contains a shed wall dormer, 1-story modern glass shed gallery addition.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
