FORM B - BUILDING

--	--	--	--

ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

133 Bradford Street is a 1 1/2-story, Astylistic building; the cross gable roof is clad in asphalt shingles, the massive interior chimney is constructed of brick; the exterior is clad in wood shingles, and the foundation is concrete block and brick; the fenestration consists of 6/6 wood DHS windows on the west façade with inoperable shutters, a multi-light picture window on the 1st story, a 1/1 DHS window in the gable end; There are additions that accommodate the commercial use of the building; The primary entrance consists of a wood panel door and aluminum pane and panel door, a secondary entrance on the side ell contains an entrance with a wood panel door; The property is on a higher grade than the street, and there are brick retaining walls and steps leading to the building;

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.

Formerly known as #131 Bradford Street; Currently "L'uva Restaurant"
